Seungwon Lee, Joe Goldblatt

The 21st Century Meeting and Event Technologies Seungwon "Shawn" Lee, Dessislava Boshnakova, Joe Goldblatt, 2017-03-03 Here is the first book to specifically and comprehensively address the rapid changes and advances in technology in the planning, management, and marketing of meetings and events. The multigenerational trio of authors, including Joe Goldblatt and two of his former students, Seungwon Shawn Lee and Dessislava Boshnakova, cover the most important aspects of using technology for today's meetings and events, such as How to harness the power of social media How to use crowdsourcing effectively How to choose appropriate room layout design software How to manage and use guest-generated content How to measure and evaluate your success How to choose meeting registration software How to promote your meeting with blogs, websites, podcasts, and more How to hold virtual meetings and events How to use search engine optimization to advantage The area of meeting and event technology is a fast-growing component of the meetings, incentives, conventions and exhibition (MICE) industry. With a foreword by Corbin Ball, an internationally renowned speaker, consultant and writer in the meetings and events technology field, *The 21st Century Meeting and Event Technologies* will be an essential resource for hospitality students and business professionals. Faculty may request an examination copy from info@appleacademicpress.com. Please provide your name and title, course title, course start date, current text, number of students, and your institution address.

From developing the event vision to managing vendor contracts, from event advertising to the latest in event management technology, Dr. Goldblatt provides authoritative guidance on every aspect of this complex and demanding profession. This outstanding new edition: Includes over 35 inspiring and helpful new photographs Features real-world case studies in 21st-century event management Emphasizes the growing globalization of the profession Examines new technologies, including the Internet and new software packages Prepares candidates to pass the Certified Special Events Professional (CSEP) exam The Wiley Event Management Series--Series Editor, Dr. Joe Goldblatt, CSEP The Wiley Event Management Series provides professionals with the essential knowledge and cutting-edge tools they need to excel in one of the most exciting and rapidly growing sectors of the hospitality and tourism industry. Written by recognized experts in the field, the volumes in the series cover the research, design, planning, coordination, and evaluation methods as well as specialized areas of event management.

Special Events Seungwon Lee, Joe Goldblatt, 2020-08-25 Recent years have seen dramatic changes to the events industry. The influence of social media and global communications technology, increased focus on environmental sustainability and social responsibility, and changes to the economic and cultural landscape have driven rapid expansion and increased competition. *Special Events: Creating and Sustaining a New World for Celebration* has been the event planner's essential guide for three decades, providing comprehensive coverage of the theory, concepts and practice of event management. The new Eighth Edition continues to be the definitive guide for creating, organizing, promoting, and managing special events of all kinds. Authors, Seungwon "Shawn" Lee and Joe Goldblatt, internationally-recognized leaders and educators in the industry, guide readers through all the aspects of professional event planning with their broad understanding of diverse cultures and business sectors. This definitive resource enables current and future event leaders to stretch the boundaries of the profession and meaningfully impact individuals, organizations, and cultures around the globe. Global case studies of high-profile events, such as the PyeongChang Winter Olympic Games and Norway's Constitution Day annual event, complement discussions of

contemporary issues surrounding safety, security, and risk management. Each chapter includes “Ecologic,” “Techview,” and/or “Secureview,” mini-case studies, a glossary of terms, plentiful charts, graphs, and illustrations, and links to additional online resources.

Special Events Joe Goldblatt, 2013-11-25 Providing a comprehensive guide to understanding, planning, promoting, and producing special events, this seventh edition of *Special Events*, 7th Edition describes the theory and practice of all aspects of event management. Written for current and future event leaders, the text continues to expand its emphasis on the growing globalization of the profession, taking into account the skills leaders need to deal with other cultures, societies, and business practices to plan and deliver successful events. New coverage includes sustainability, technology, security/risk management, and the impact of social media on events and event marketing. 15 all-new case studies have been included, as well as a brief glossary of terms at the end of each chapter to further define the terms used in the chapter.
