THE AMAZING ADVENTURES OF BEN AND GABE Mary Ann Farrell, 2010-02-05 Before the writing of this book, I discussed the need to include both humorous and serious experiences in the lives of the characters. My family members and close friends encouraged me to believe that I could proceed with this writing challenge. As I wrote, I was able to fulfill my hopes and the words flowed abundantly. My thanks to those special people who had faith in my abilities. I dedicate my book to them and others who helped me achieve my goal. May God give you a Rainbow for every storm.

The Adventures Of The Last Wives Club J.M. Werlein, 2019-01-30 Not one of them had imagined it would affect their lives directly, but sadly each of their husbands was diagnosed with Alzheimer's disease. They found themselves thrust into the role of chief caregiver, but they also discovered a close bond developing between them as they shared the difficult journey of the deteriorating health of their spouses. Eventually, a new road faced each one, the loneliness of being a widow. This story shares humor, bittersweet memories, suspense, and romance as Marvel and her friends decide to accept the challenge of this new chapter in their lives and take a vacation together. Little do they know of the adventure that awaits them. The story was inspired after watching my mother and her friends over the many years they spent together while visiting their husbands suffering from Alzheimer's in the nursing home they shared. My mother called this group of women, the Last Wives' Club. Together they provided each other support and laughter while sharing stories, going on outings, and picking up the pieces after losing long-time partners. I believe those who read *The Adventures of the Last Wives' Club* will find it charming and heartening, especially those who

finds themselves alone after a spouse's death. You'll smile and chuckle as these four friends travel west together, experiencing the added dilemmas faced in our golden years.

Time Travel Bible Adventures: Matthew "Part A" and Daniel Turk
Allcott, 2014-10-07 I want you to learn every book of the bible, like I'm doing, and I'll try to make it easy for you. First, the stories are written by ten-year-old Tracy Jeanette. You may know her from other adventures. She tours back in time with her gang of animal friends, chaperoned of course by the Old Man. Who in turn is sometimes accompanied by Sklo. Second, I've done a little editing. Some of the Bible books are just too darn big to cover in one adventure. So I divided those books into several Parts. And the Parts aren't in order. It's okay! Don't worry. Bible books aren't like novels or movies where you need a spoiler alert. You probably know the end anyway. There are a lot of topics that tie together, but they don't have to be told serially. Matthew Part A, for instance, is where the gang goes back to see Jesus baptized. Way after He was born. Then they check out John the Baptist and his desert hangout. The main thing is: have fun and enjoy the ride! You'll learn a lot. I know I did.

YAHTZEE Scratch and Play to Go! Tom Verhoeff, Peter Gordon, 2009-05 No more dice to lose, and it can go anywhere: everybody's a winner with this

addictive new book! Just as with Hasbro's real YAHTZEE game, players get to roll five dice three times to find their highest score. But instead of throwing actual dice, they scratch them off the page, lottery-style and keep only the dice they want as they go for better combinations with their remaining rolls. With multiple copies of the book, readers can stage head-to-head competitions. And for extra fun, players can compare their score with the author's, with the score obtained using perfect strategy, and with the best possible score you could get if you had x-ray vision.-Hasbro's popular game meets our own best-selling Scratch & Solve series for assured success- Today, more than 50 million YAHTZEE games are sold annually-Written by one of the most esteemed puzzle creators around, a championship winner and bestselling author whose work has appeared in America's top newspapers- This easy-to-play and portable version of YAHTZEE can go anywhere, and be enjoyed solo: it's perfect for trips, commutes, or whenever there are a few minutes to spare

Annie's Adventures Lauren Baratz-Logsted, 2008 Durinda's dangers: One month after their parents' disappearance, the third-grade Huit octuplets deal with a malfunctioning refrigerator and try to win the love of the only boy in their class at Valentine's Day, while Dorinda discovers her special power and gift.

Time Travel Bible Adventures : Adventure 1 Turk Allcott, 2016-04-12 I want you to learn every book of the bible, like I'm doing, and I'll try to make it easy for you. First, these adventures were taken and the stories were written by ten-year-old Tracy Jeanette. You may know her from other adventures. She tours back in time with her gang of animal friends, chaperoned of course by the Old Man. Who in turn is sometimes accompanied by Sklo. If you are not familiar with the Old Man or the gang, it's like this: Somehow, due to a glitchy quirk in space-time, the Old Man returned to our world. I'm guessing because of something he knew how to do when he was still alive. The first time. I'm not a physicist, or much of anything, so I don't know how it works exactly.

Time Travel Bible Adventures: Adventure 2 Turk Allcott, 2016-04-14 Second in the series. A time traveling modern precocious young girl and her band of sentient animal friends help us understand and appreciate Bible stories. With the help of the Old Man.

Time Travel Bible Adventures: Luke "Part A" and Jonah Turk Allcott, 2014-09-27 I want you to learn every book of the bible, like I'm doing, and I'll try to make it easy for you. First, the stories are written by ten-year-old Tracy Jeanette. You may know her from other adventures. She

Adventures of a Misfit Andrea Louise, 2010-02-17 Haunted by her hellish past as the school outcast and the distraught daughter of a war-bitten Austrian mother, Andrea leaves home to find the happiness she knew as a young child in the flowering meadows of Iowa. She is confronted with people from drug dealers to reverends to professors; with countless jobs dealing with the elderly, the mentally ill, animals, and cancer patients, with the black of night as she huddles against the seat of her car in abandoned campgrounds. And along the way, she dives head first into the flip side of the physical realm. Did she really take a walk with her guardian angel? It's one adventure after the next as Andrea struggles to define herself in a world intolerant of misfits. Also woven into the story are a meek and mild father, a harassing grandfather, a loony brother who assumes the personality of Mr. Spock from Star Trek, and a clandestine foe that takes up residence inside her own head: attention deficit disorder. The resultant composite offers both layman and mental health enthusiast an intimate look into the development of borderline

personality traits in the style of an entertaining novel, not that of a dry case study. It depicts a very unusual yet understandable life. Who doesn't want to be loved? These are ordinary feelings magnified to the level of total despair by extraordinary situations. They touch upon the very foundation of the human psyche. What stirs one, stirs us all.

The Life and Adventures of William Reid William D. Reid, 2015-08-11 This is the second book written by William D Reid. It is a compilation of stories, poems, and memories about his life as a young man. Many of the stories reflect his thoughts about family members, neighbors, long-time community members, and friends. His poetry reflects humor in everyday events, as well as pain and confusion about relationships and growing up. You will get a little glimpse into the authors mind by reading about pets, people, Western heroes, real-world villains, war, and even God. It has been his lifelong dream to be a published author. Enjoy!

Trans-incidentals American Adventures via the Railways Erik "Skippy" Sund, 2014-09-25 In a bygone era, traveling across the country meant taking a train to your destination. Both wealthy and poor alike would ride the rails to complete whatever task, business or pleasure they had. Generations have romanticized this mode of travel and in our modern age it seems that many people are more likely to take a plane or a car. Have you ever wanted to hop on a train like a hobo and see where it takes you? Join Erik Skippy Sund as he rides the rails to cities across America to find out who and how people travel across the country. This three month trek to discover transit across America and see what it takes to undertake a journey where you never stop in one place for more than a few days will give you a peek into how and why people travel.

The Adventures of a Hard-up, Diabetic Traveller with a Corn Flake Problem ,
Yahtzee Scratch and Play Peter Gordon, 2007-10 The Milton Bradley game of YAHTZEE, with its five dice and special score sheets, sold in the millions last year. Now experienced players and newcomers alike can enjoy the game anywhere (in a moving car, for instance), without worrying about losing any of the dice. It's an ingenious use of the scratch-off concept made familiar by lottery games, and which has made a big hit in books such as Scratch & Solve(R) Hangman. The object of YAHTZEE is to get high-ranking combinations of the dice, similar to poker hands. With this version, competitors roll by scratching. Using two copies of the book, readers can complete in exciting head-to-head competitions, where both players start each round with the same roll.
