Yard Sale Eve Bunting, 2017-04-25 Callie and her family are moving from their house to an apartment, so they're having a yard sale. It can be hard to let things go, but in the end, it's who you have - not what you have - that counts.

The Longest Yard Sale Sherry Harris, 2015 When her best friend, Carol, is literally framed for the murder of an Air Force officer during New England's largest garage sale, Sarah Winston, mad as heck that someone committed a crime during her sale, must rummage through the clues to find a good deal and catch the real killer.

Murder at a Yard Sale Elizabeth Spann Craig, 2023-05-16 You never know what you'll find at yard sales. Myrtle's friend Georgia finally reached a breaking point with the knick-knacks and collectibles in her cluttered home. When book club hosted a collective yard sale to benefit the local library, Georgia decided the time had come to pare down her possessions at long last. Most discouragingly, one of her yard sale customers had the poor manners to be murdered on her property. This alarming development was witnessed by both Myrtle and Miles, who'd come by the yard sale to take a closer look at Georgia's uncommon memorabilia. Upon investigation, the victim seemed to have a fair number of enemies in Bradley. But which one was responsible for his demise? Myrtle and Miles must figure it out to clear Georgia's name . . . and before anyone else before anyone else gets a final bill of sale.

How to Yard Sale Enock Lynn Norrbom, 2011-02-14 One of the main reasons people organize yard sales is so they can sell enough items to pay the bills. But at the end of many events, most sellers have not accomplished their goal. Before you even hold a yard sale, be sure to steer clear of violating any ordinances. Go to your town or city hall, and check if you need a license. This will be an operating expense just like advertising and promotional costs. But once you take care of it, the selling can begin! In this step-by-step guidebook, you will learn the sales techniques that will make people buy; the appropriate pricing to help your items sell; the importance of having stoppers that will generate a crowd; the strategies to beat your yard sale competitors and maximize profits. Written by Enock Lynn Norrbom, who has been generating revenue from yard sales for decades, this guide offers a better understanding of how selling at yard sales can be a serious home-based business that generates income. Move closer to your customers and achieve your objectives as you discover How to Yard Sale.

Yard Sale Cal Kirby, 2001-11-21 This book pits the good against the bad and the good win--how imaginative. However, it is not your typical murder mystery in that the hero, Chas Kirkland, is a married homicide detective and he doesn't get involved in affairs with every woman he meets. The story revolves around a friend of the detective who disappears travelling to the beach in Delaware. The detective learns that other women are also missing and he pulls out all the stops with his fellow police officers, his wife and their friends to find the women. Will he be too late or does he rescue them? Is one of the missing women a secret lover of a state Senator--did he kill her? You learn to hate the villainous leader of the Sparks Clan and root for justice to be done. Root for Chas and he might let you in on some other exciting police stories.

Alongside her, in a wrinkled, pink angel outfit, stands Rashana, cloud dancing. Rashana is Gino's higher self, and she wants to help Gino's dreams come true. Ahead of her Gino sees a yard sale, but this is no ordinary yard sale; it's a Cosmic Yard Sale, where she and Rashana explore life's mysteries. A Soldier's Last Mission Marie LeClaire, 2018-07-10 A mysterious yard sale sends a Vietnam vet on a mission to save his counterpart, a vet from the Afghanistan war. When Marybeth, a secondhand shop owner, acquires an old army helmet and some love letters at a mysterious yard sale hosted by a ghost, she doesn't know where to start. Visions of a young soldier's departure for war are seared into her brain. The soldier's plea to save my son's life swirl in her head. At the same time Marybeth's boyfriend, Josh, gets a cryptic message from his deceased mother, and drives the four hours from Connecticut to Pennsylvania to check in on her. Together they begin to unravel the mystery set in motion by the yard sale. When they enlist the help of her father, Sean, a Vietnam vet, they find themselves way out of their league. Sean realizes the helmet is his, swapped with another soldier in

combat forty years ago. He's been gripped with guilt for years. The other soldier did not survive the battle. As he touches the helmet, he also hears the soldier's plea, save my son's life and immediately calls in reinforcements, his VA buddies. The whole crew embarks on a mission to save a recently retired soldier from himself. But it won't be easy. First they have to find him.

The Ex-Boyfriend Yard Sale Haley McGee, 2022-02-01 In this hilarious and heartfelt memoir, Haley McGee sets out to calculate—with mathematical precision—the exact cost of love, and whether all of her former relationships were worth it. Haley McGee is in debt. The solution? A yard sale of gifts from her ex-boyfriends. But when it comes to pricing, she gets stuck. Surely the ways we invest in our romantic relationships should be reflected in the price. But how? Is the mixtape from your first love worth more than the vintage typewriter from a philanderer? Does sitting on an X-Acto knife wedged between seats on a bus to see the boyfriend you lost your virginity to increase or decrease the value of the necklace he gave you? Should you be compensated for the miserable times or do they render an item worthless? Haley decides to gamble on a larger payout. She interviews her exes and enlists the help of a mathematician to create a formula—with eighty-six variables—for the cost of love. As she's searching for answers, the one that got away reappears with a new proposition. Female desire, heartbreak and the chance for integrity in the aftermath of both are held up in this whipsmart, original and daringly candid memoir. As Haley McGee interrogates her romantic triumphs and failures with unflinching detail and hilarity, her exquisite prose elevates this all too human conundrum: Is love worth it?
