The Morgan Yard Kevin O'Morrison,1975 To Carrie Morgan, the Morgan Yard is a burying ground where all Morgans have rested since 1789. To the Defense Department, it is land owned by them since the little known Redefinition of Public Lands was enacted in 1934. When the department tries to incorporate the yard into its Indian Landing Depot, the town, the Army and Carrie find themselves on a collision course and the yard becomes a place of mortal struggle-Publisher.

A Decorator's Tales by the Yard Roseann Kearney,2011 Roseann wrote this book years ago, but has always been so busy decorating that she didn't have time to look for a publisher. The time has finally come! The Book consists of short tales about her most memorable clients. All names were changed, of course, to protect the innocent, Roseann! She has decorated hundreds of homes and offices in New Jersey, all over the Jersey Shore, New York, Connecticut, Florida, Colorado, Washington D.C., Williamsburg, Virginia etc, etc! Wherever her clients want her to go, she goes. Some of these stories are funny, some are sad, some are very emotional and they are all very true! Roseann hopes you put her pretty little book on your cocktail table to share with your family and friends.

Rogue Elements Don Pendleton,2017-12-01 TREACHEROUS CARGO A freighter smuggling nuclear materials from North Korea to Iran should be an easy target for law enforcement. But then the ship drops off the map around the Horn of Africa, and another freighter with similar cargo disappears soon after. The only link between the vessels is a private security firm. With nukes floating around in the Indian Ocean, the race is on to prevent a horrific disaster...and Stony Man Farm has the perfect man for the job. Mack Bolan's first move is to infiltrate the security company as an undercover guard. But when he forms an unlikely alliance with a Somali pirate, it becomes clear these ships aren't just falling prey to high-seas holdups—and it's up to Bolan to unravel the conspiracy. With enemies onboard his vessel and trawling nearby waters, Bolan must be sharper and more uncompromising than ever. But not even an ocean can douse The Executioner's fiery crusade for justice.
