Baby Steps Millionaires Dave Ramsey,2022-01-11 You Can Baby Step Your Way to Becoming a Millionaire Most people know Dave Ramsey as the guy who did stupid with a lot of zeros on the end. He made his first million in his twenties—the wrong way—and then went bankrupt. That’s when he set out to learn God’s ways of managing money and developed the Ramsey Baby Steps. Following these steps, Dave became a millionaire again—this time the right way. After three decades of guiding millions of others through the plan, the evidence is undeniable: if you follow the Baby Steps, you will become a millionaire and get to live and give like no one else. In *Baby Steps Millionaires*, you will . . . *Take a deeper look at Baby Step 4 to learn how Dave invests and builds wealth *Learn how to bust through the barriers preventing them from becoming a millionaire *Hear true stories from ordinary people who dug themselves out of debt and built wealth *Discover how anyone can become a millionaire, especially you Baby Steps *Millionaires* isn’t a book that tells the secrets of the rich. It doesn't teach complicated financial concepts reserved only for the elite. As a matter of fact, this information is straightforward, practical, and maybe even a little boring. But the life you'll lead if you follow the Baby Steps is anything but boring! You don’t need a large inheritance or the winning lottery number to become a millionaire. Anyone can do it—even today. For those who are ready, it’s game on!

Sounding Ground Vladimir Lucien, 2014 Winner of: 2015 OCM Bocas Prize for Caribbean Literature Vladimir Lucien is a young poet with so many gifts; his poetry is intelligent, musical, gritty in observation, graceful in method. His poems contain stories of ancestors, immediate family, the history embedded in his language choices as a St Lucian writer, and heroes such as Walter Rodney, C. L. R. James, Kamau Brathwaite, and a local steelbandsman. Although never overtly political, there's an oblique and often witty politics embedded in the poems, as where observing the rise of a grandfather out of rural poverty into the style of colonial respectability, he writes of the man who eat his farine and fish / and avocado in a civilize fight between / knife and fork and etiquette on his plate. This is a collection that is alive with its conscious tensions both in subject matter and form. There's a tension between the vision of ancestors, family, and of the poet himself as being engaged in the business of acting in the world and building on the past, and a sharp awareness of the inescapability of age's frailty, the decay of memory and of death.

The Life You Imagine Derek Jeter, 2001-06-05 Ever wonder what it would take to turn all of your dreams into reality? In *The Life You Imagine*, All-Star New York Yankees shortstop Derek Jeter shows how you can use the same game plan that helped an eight-year-old boy who fantasized about playing baseball for the Bronx Bombers grow up and become MVP of the 2000 World Series. In this inspiring, information-packed book, Derek provides you with the ten lessons that have guided him throughout his life on and off the field, from his dream of being a gifted, hardworking athlete to his goal of becoming an active community leader. Using personal stories from his own life as a student athlete in Kalamazoo, Michigan, and as a Yankee team player, Derek writes about the simple steps that put him on course for success, including: * Setting your goals high and finding the right role models * Being serious but still having fun * Challenging yourself daily and not being afraid to fail * Surrounding yourself with a strong supporting cast Filled with rare family photos and pictures of Derek playing for the Yankees, *The Life You Imagine* is an intimate look into the life of a superstar athlete -- including the remarkable relationship he has with his family, what it's like to play with the Yankees, and how he's used his baseball celebrity to found the Turn 2 Foundation, a drug and alcohol prevention program for kids.

The Twisted Chassis Martin Du Plessis, Although this is based on a true story, there is a good deal of fiction in it; you decide which is which. I had the displeasure of owning a panelbeating business for eight years and during those long hard years I was often tempted to succumb to devious individuals offering get-rich-quick schemes. Thankfully I didn't. Because I would not accommodate them, I received less and less work and the little I did get I had to do at give-away prices. In the end honesty cost me my business, my home, furniture, cars and pride. Thank God for my wife who stood by me through it all: That was ten years ago and I still have nightmares.
