You Must Choose Now Mike Koetting,2018-08-03 Today, we take for granted that the tumult of the Sixties has shaped America's politics and culture ever since. But fading from memory are the stories of the real people who created the tumult as they sifted through events and made choices about politics, culture and how they wanted to live their lives. Most of those people were not as far out as the people who made the cover of various magazines but their choices were just as difficult and, ultimately, just as important. This book is the story of my Sixties--how I became an activist, spent a little time on the road as a Hippie, fell in love a couple times, lived in communes, got my head busted in Chicago, and smoked a some dope. But the real story is how the choices I made were generational choices that continue to reverberate fifty years later. Anyone who grew up in the Sixties will recognize the times, perhaps with nostalgia, perhaps with distaste. Anyone who wondered how the world got turned upside down in those years will get a view of how, one choice at a time, the divisions in American society got redrawn.

Why Should I Choose You (in Seven Words Or Less)? Ian Chamandy,Ken Aber,2015-04-07 How to answer the single most important question in business and life Why should I choose you? That's the question every customer asks every single time he buys a car, picks a shampoo, or chooses a distributor, a brokerage house, an animal hospital or a hairbrush. Sometimes the question is spoken out loud; other times it's subliminal. But the fact is that every product, service or decision is a choice. And often it's a choice we make within seconds. Ian Chamandy and Ken Aber understand just how essential that choice is. Their Toronto-based consulting firm, Blueprint, helps businesses define their specific promise--the one thing that sets them apart from every other organization that does more or less the same thing--in seven words or less. Their blueprinting process has produced extraordinary results for organizations big and small, in all sorts of industries, in both the for profit and not-for-profit sectors, including construction firms, marketing/communications consultancies, boutique investment banks, and hospitals. Combining practical steps with case examples, *Why Should I Choose You (in Seven Words or Less)* will: give you confidence you never had before to lead into a bold new future make your employees more innovative and creative reveal revenue streams you never knew existed give your employees a newfound sense of purpose that motivates them to contribute at a higher level and help you sell faster and more easily because you will inspire, rather than try to convince, customers to buy

Choose Her Every Day Or Leave Her Bryan Reeves,2021-01-18 In 2010, at age 36, while going through yet another agonizing breakup, Bryan had an epiphany: He knew nothing useful about how to do intimate relationship well. In that moment of painful realization he vowed to never suck at intimacy again. Thus began an extraordinary journey into the realms of love, sex, relationship. In summer 2015, with already legions of readers all over the world following his adventures, his essay *Choose Her Every Day (Or Leave Her)* went viral, exploding to over a million readers daily. This book (which includes that essay) is Bryan's anthology of stories, insights, practical tools, and secrets (that should never be secrets!) to help guide you on your own journey to thriving in love and intimacy.

You Choose James D. Williams,2023-12-11 Have you ever said or been told, You don't have a choice? We live in a time where many believers feel that they don't have a choice and must bow to the ways of this world. I hear believers saying they don't want to do something, yet they say they have no choice. But they do have a choice. *You Choose* will help believers to understand they have a choice. What they often don't like is the consequences of a choice. *You Choose* looks at accounts in the Old and New Testaments showing choices made and the results of those choices. Through Scripture, you will discover that God gave man the ability to choose and that we always have a choice. You will know the most incredible choice God has given man. You will also learn of an eventual choice every living person must make.

You Choose Nick Stokes,2017-09-21 YOU CHOOSE is an (anti)-choose-your-own-adventure. You choose: You hear a scream (or not), and what do you do about it. Nothing or stay in your chair and figure out the who what when why or go out the front door and chase the scream to prevent it or create it or capture it. Within the book are choices and non-choices, choices masquerading as choices, labyrinths, your torture and your self-torture, your authorship, multiple worlds, you becoming someone else, another you, you becoming a series of animals, you becoming us, you becoming death, your repeated death, pizza, your mother, inner ear workings, and other tailings or tails or tales. YOU CHOOSE is literary, speculative, uncertain, an attempt at the universal and many worlds, surreal, magically realistic, immersive, and labyrinthine. YOU CHOOSE is published under a CC BY-NC-SA 4.0 License.

Choose Yourself! James Altucher,2013 The world is changing. Markets have crashed. Jobs have disappeared. Industries have been disrupted and are being remade before our eyes. Everything we aspired to for "security," everything we thought was "safe," no longer is: College. Employment. Retirement. Government. It's all crumbling down. In every part of society, the middlemen are being pushed out of the picture. No longer is someone coming to hire you, to invest in your company, to sign you, to pick you. It's on you to make the most important decision in your life: Choose Yourself. New tools and economic forces have emerged to make it possible for individuals to create art, make millions of dollars and change the world without "help." More and more opportunities are rising out of the ashes of the broken system to generate real inward success (personal happiness and health) and outward success (fulfilling work and wealth). This book will teach you to do just that. With dozens of case studies, interviews and examples—including the author, investor and entrepreneur James Altucher's own heartbreaking and inspiring story—*Choose Yourself* illuminates your personal path to building a bright, new world out of the wreckage of the old.

Refuse to Choose! Barbara Sher,2006-03-07 Don't know what to do with your life? Drawn to so many things that you can't choose just one? New York Times best-selling author Barbara Sher has the answer--do EVERYTHING! With her popular career counseling sessions, motivational speeches, workshops, and television specials, Barbara Sher has become famous for her extraordinary ability to help people define and achieve their goals. What Sher has discovered is that some individuals simply cannot, and should not, decide on a single path; they are genetically wired to pursue many areas. Sher calls them Scanners--people whose unique type of mind does not zero in on a single interest but rather scans the horizon, eager to explore everything they see. In this groundbreaking book, you will learn: What's behind your hit and run obsessions When (and how) to finish what you start How to do everything you love What type of Scanner you are (and which tools you need to do your very best work)

In the Image of God Shirley Mayhood,2022-05-02 We were created in the image of our Creator! It was a perfect and loving relationship, but when Adam and Eve chose evil over that relationship with their Creator, that image of God we were created with was lost to us.In our world today, many Christians are more attuned to the world than to God's Word. Many seem to have the attitude that because they are in the world, they must be like the world. But this world is not anything like God, and Christians need to come to the certain knowledge that they are in the world, but not of the world. We as God's kids are not to live in the image of a lost world careening into a dark and bottomless pit of pure evil.Jesus Christ became our atoning sacrifice so that you and I can return to that original image of God that we were created to be. This ought to be our goal in life: to be like God, to do our very best to live in the image of God.This book is a daily devotional of biblical attitudes, characteristics of Jesus Christ, the deep meaning and example of God's amazing precepts and loving actions.God gave us a book to show us His right and loving law, but when Jesus came, He condensed all of the Father's law into just two:Jesus said to him, 'You shall love the Lord your God with all your heart, with all your soul, and with all your mind.' This is the first and great commandment. And the second is like it: 'You shall love your neighbor as yourself.' On these two commandments hang all the Law and the Prophets. (Matthew 22:37-40)It is my sincere hope that this book of devotions will help all who read it to know God better, to love Him more, and to understand what the true image of God means.451

The Best Match; Or The Soul's Espousal to Christ: Opened and Improved Edward Pearse,1873

Choosing Truth Harriette Cole,2010-05-11 What does it mean to be real today? In a world where truth is a relative concept, is it possible to live an honorable life? Where half-truths and relentless spin are the rule, is honesty really the best policy? Yes, says Harriette Cole, and in *Choosing Truth*, she shows us why. The bestselling author of *How to Be* delivers an inspiring, one-of-a-kind prescription for revitalizing your daily routine, overcoming the habit of self-delusion, and living an authentic life. *Choosing Truth* is not simply about being honest with the people in your personal and professional life; it's about being true to yourself. Writing with extraordinary candor about her own life quest, Cole invites you to take an eye-opening, introspective journey. Addressing every facet of life in which truth is essential -- from cultivating an active spiritual life, to finding healthy, fulfilling relationships, to facing your deepest fears and listening to (and heeding) your inner voice -- Cole maps a clear path toward personal transformation. Drawing on compelling and fascinating anecdotes about the challenges, setbacks, and triumphs that have marked her own life and the lives of others, she shows you how to translate good intentions into right action and what you risk if you do not. Cole believes that self-inquiry in the form of journaling is an important key to unlocking the treasures of wisdom and clarity that lie within you. Each chapter ends with a revealing glimpse of Cole's own journal and a series of instructions and questions to guide you to a deeper understanding of your Self. *Choosing Truth* is an essential tool in the pursuit of a meaningful and honorable life, one lived artfully and with compassion toward ourselves and others.

Should You Choose to Live Forever? Stephen Cave,John Martin Fischer,2023-11-22 In this book, Stephen Cave and John Martin Fischer debate whether or not we should choose to live forever. This ancient question is as topical as ever: while billions of people believe they will live forever in an otherworldly realm, billions of dollars are currently being poured into anti-ageing research in the hope that we will be able to radically extend our lives on earth. But are we wise to wish for immortality? What would it mean for each of us as individuals, for society, and for the planet? In this lively and accessible debate, the authors introduce the main arguments for and against living forever, along with some new ones. They draw on examples from myth and literature as well as new thought experiments in order to bring the arguments to life. Cave contends that the aspiring immortalist is stuck on the horns of a series of dilemmas, such as boredom and meaninglessness, or overpopulation and social injustice. Fischer argues that there is a vision of radically longer lives that is both recognizably human and desirable. This book offers both students and experienced philosophers a provocative new guide to a topic of perennial importance. Key Features: Gives a comprehensive overview of the main arguments for and against living forever. Uses lively examples from myth, literature, and novel thought experiments. Highly accessible—avoiding jargon and assuming no prior knowledge—without sacrificing intellectual rigour. Includes helpful pedagogical features, including chapter summaries, an annotated reading list, a glossary, and clear examples.

Escaping the Experience of Anxiety Neil R. Oliver,2020-05-26 Anxiety is one of the most psychologically torturous, emotionally traumatising internal experiences a person will ever endure. Presenting itself as a random happening deceiving the person experiencing it into believing they are out of control, unable to escape. With the absence of intellectual understanding it can seem impossible to break free from the psychological torment and emotional trauma manifested through the experience of anxiety. Anxiety is an experience of our own making, it is not a random happening. Escaping the Experience of Anxiety will provide those suffering anxiety the intellectual understanding necessary, and conscious awareness needed to regain a state of psychological control and emotional stability. Escaping the Experience of Anxiety will help you discipline your mind putting you back in control. You will be guided through the process of eliminating unwanted psychological patterns which are responsible for the emotional trauma associated with fear, worry, doubt and uncertainty. Ultimately you will be given what you need so you are positioned, enabled and empowered to live in the present moment taking responsibility for what has always been fully within your own control.
