Brand Your Instagram Nicole Smith,2015-01-07 MONETIZE YOUR INSTAGRAM Build an Instagram presence that will generate a monthly revenue stream and establish your brand internationally The most common mistake marketers make with social media platforms, such as Instagram, is using them strictly for social purposes and not making them part of their bottom-line revenue strategy. Don't make the same mistake! Every second you or an employee spends on social media needs to generate more than likes - it needs to generate income. Brand Your Instagram is an easy to use marketing tool that systematically leads you through the art of utilizing beautiful images to the science of establishing an income-generating digital audience. This step-by-step guide is filled with straightforward, hands-on strategies that will transform the visibility, branding and efficacy of your current social media strategy.

Digital Culture & Society (DCS) Ramón Reichert,Annika Richterich,Pablo Abend,Mathias Fuchs,Karin Wenz,2016-12-31 »Digital Culture & Society« is a refereed, international journal, fostering discussion about the ways in which digital technologies, platforms and applications reconfigure daily lives and practices. It offers a forum for critical analysis and inquiries into digital media theory and provides a publication environment for interdisciplinary research approaches, contemporary theory developments and methodological innovation. The third issue »Politics of Big Data« edited by Mark Coté, Paolo Gerbaudo, and Jennifer Pybus, critically examines the political and economic dimensions of Big Data and thus details its contestation. The contributions focus on the materialities and processes which manifest Big Data and explore forms of value beyond the state and capital. These range from open data initiatives, social media metrics, machine learning algorithms, data visualisation to data dashboards, critical data analysis, and new modes of data action research and practice.

Marketing Metrics Christina Inge, 2022-09-03 Stop feeling overwhelmed by data and start using it to its full potential, to create an agile and forward-looking strategy that enables customer-centric marketing, builds your brand and develops product strategies. Many brands talk about creating a marketing strategy powered by data, analytics and metrics. Yet too often they're still overwhelmed by data, or unsure of how to use it to create a flexible and future-focused strategy that doesn't just validate what's happened in the past. Marketing Metrics takes readers through all the stages of implementing a data-first strategy, from early-stage adoption to more advanced customization. Featuring examples from a range of organizations including Coca-Cola and Mercedes-Benz, it shows how to create a strategy which leverages consumer data for customer-centric marketing, establishes the ROI of channels and campaigns, strengthens brands and creates data-driven product strategies. Covering the range of new global laws that impact consumer privacy and data collection and usage, Marketing Metrics shows how to use data in a non-invasive, secure and ethical way. Also showing how to communicate critical data to the right stakeholders and the skills of the data-savvy marketer, this is a clear and jargon-free guide to creating a future-focused and data-powered marketing strategy.

Choose Your Story, Change Your Life Kindra Hall,2022-01-11 The things we tell ourselves affect how well or poorly our path in life goes. It's time to flip the script on the internal stories you tell yourself and live life on your terms. Most of the "self-stories" you tell yourself—the kind of person you say you are and the things you are capable of—are invisible to you because they have become such a part of your everyday mental routine that you don't even recognize they exist. Yet, these self-stories influence everything you do, everything you say, and everything you are. Choose Your Story, Change Your Life will help you take complete control of your self-stories and create the life you've always dreamed you'd have. Author Kindra Hall offers up a new window into your psychology, one that travels the distance from the frontiers of neuroscience to the deep inner workings of your thoughts and feelings. In Choose Your Story, Change Your Life, Kindra will help you: Uncover the truth of how you have created the life you have; Challenge everything you think you know about how your life has been built; Uncover the clear steps you can take to create the life you want; Take control of your self-story to become the author of who you are; and Live your life in a way you never have before. This eye-opening, but applicable journey will transform you from a passive listener of these limiting, unconscious thoughts to the definitive author of who you are and everything you want to be. Changing your life is as simple as choosing better stories to tell yourself. If you can change your story, you can change your life.

Naptime with Joey Laura Izumikawa,2022-02-22 From viral Instagram sensation, lifestyle photographer, and mommy blogger Laura Izumikawa comes Naptime with Joey, a ridiculously delightful photo book of her now internet-famous daughter dressed up in various pop culture costumes—a perfect gift for new parents everywhere. Lights, Camera...Nap! Joey Marie wears many hats (or, rather, wigs): she's dressed up as Inigo Montoya, Britney Spears, Beyoncé, Pikachu, Anna Wintour, Moana, and Barb from Stranger Things. She's taken trips to Hawaii, baked croissants, and blasted off to the moon as an astronaut (at least, in her dreams). She's held occupations such as pizza chef, aerobics instructor, and handy-dandy-fixer-upper (figuratively, of course). She's inspired a parenting blog, been the face of her mom Laura Izumikawa's Instagram account—and for the first time, she's

taken the leap from the ranks of internet-baby-snoredom to the pages of a book. Naptime with Joey is chockablock full of over a hundred deliciously adorable photos of Joey dressed up as various pop culture characters, movie stars, musicians, vacationers, and holiday-goers, making this the most fun, festive, and downright delightful gift under the sun!

Managing Your Professional Identity Online Kathryn E. Linder, 2023-07-03 In higher education, professional online identities have become increasingly important. A rightly worded tweet can cause an academic blog post to go viral. A wrongly worded tweet can get a professor fired. Regular news items in The Chronicle of Higher Education and Inside Higher Ed provide evidence that reputations are both built and crushed via online platforms. Ironically, given the importance of digital identities to job searches, the promotion and distribution of scholarly work, pedagogical innovation, and many other components of an academic life, higher education professionals receive little to no training about how to best represent themselves in a digital space. *Managing Your Professional Identity Online: A Guide for Higher Education* fills this gap by offering higher education professionals the information and guidance they need to:- craft strong online biographical statements for a range of platforms;- prioritize where and how they want to represent themselves online in a professional capacity;- intentionally and purposefully create an effective brand for their professional identity online;- develop online profiles that are consistent, professional, accurate, organized, of good quality, and representative of their academic lives;- regularly update and maintain an online presence;- post appropriately in a range of online platforms and environments; and- successfully promote their professional accomplishments. *Managing Your Professional Identity Online* is practical and action-oriented. In addition to offering a range of case studies demonstrating concrete examples of effective practices, the book is built around activities, templates, worksheets, rubrics, and bonus materials that walk readers through a step-by-step guide of how to design, build, and maintain professional online identities.

Mastering Social Media Marketing , 2022-12-20 *Mastering Social Media Marketing* is a comprehensive guide to effectively using social media to grow and promote a business. The book covers a wide range of topics, including developing a social media strategy, creating and distributing content, and

analyzing and improving performance. One of the key themes of the book is the importance of understanding your target audience and tailoring your social media efforts to meet their needs and interests. The book also emphasizes the importance of creating high-quality, engaging content that resonates with your audience and helps to build brand awareness and loyalty. In addition to practical advice on how to use various social media platforms, the book also provides tips on how to measure the effectiveness of your social media efforts and make data-driven decisions to improve your campaigns. Overall, Mastering Social Media Marketing is an invaluable resource for businesses looking to use social media as a key component of their marketing efforts. It offers a wealth of practical advice and proven strategies for success in the fast-paced world of social media marketing.

Globalization Prof. Manfred B. Steger, 2023-12-04 A free ebook version of this title is available through Luminos, University of California Press's Open Access publishing program. Visit www.luminosoa.org to learn more. Since the end of the Cold War, globalization—the process and the idea—has been reshaping the world. Global studies scholarship has emerged to make sense of the transnational manifestations of globalization: economic, social, cultural, ideological, technological, environmental, and postcolonial. But a series of crises in the first two decades of the twenty-first century has put the neoliberal globalization system of the 1990s under severe strain. Are we witnessing a turn toward “deglobalization,” intensified by the COVID-19 pandemic and the war in Ukraine or a moment of “reglobalization,” spearheaded by digital technology? The contributors to this book employ transdisciplinary research to assess past developments, the current state, and future trajectories of globalization in light of today's dynamics of

insecurity, volatility, and geopolitical tensions.
