**YOUR FORCES AND HOW TO USE THEM** CHRISTIAN D. LARSON,2018

**Your Forces and How to Use Them** Christian D. Larson,2012-09-25 This book will help you to think with your whole mind. Scientific research in the metaphysical field has demonstrated the fact that man is as he thinks, that he becomes what he thinks, and that what he thinks in the present, determines what he is to become in the future; and also that since he can change his thought for the better along any line, he can therefore completely change himself along any line. But the majority who try to apply this law do not succeed to a great degree, the reason being that instead of working entirely upon the principle that man is as he thinks, they proceed in the belief that man is what he thinks he is. Our destiny is not mapped out for us by some exterior power; we map it out for ourselves. What we think and do in the present determines what shall happen to us in the future. You may think that you are well, but you will not secure health until you think thoughts that produce health. You may persistently affirm that you are well, but so long as you live in discord, confusion, worry, fear and other wrong states of mind, you will be sick; that is, you will be as you think and not what you think you are. The power of desire when combined with faith becomes invincible. Whenever you think, make it a practice to think with your whole mind. Make your thinking wholehearted instead of half-hearted. Whenever you act, act with all there is in you. It is the purpose of this book not only to discuss these greater powers and possibilities in man, but also to present practical methods through which they may be applied, and to encourage as many as possible to study and apply these greater powers within them so that they may not only become greater and richer and more worthy as individuals, but may also become the forerunners of that higher and more wonderful race of which we all have so fondly dreamed. Chapter 1: The Ruling Principle of Man Chapter 2: How We Govern The Forces We Possess Chapter 3: The Use of Mind in Practical Action Chapter 4: The Forces of The Subconscious Chapter 5: Training the Subconscious For Special Results Chapter 6: The Power of Subjective Thought Chapter 7: How Man Becomes What He Thinks Chapter 8: The Art of Changing For the Better Chapter 9: He Can Who Thinks He Can Chapter 10: How We Secure What We Persistently Desire Chapter 11: Concentration and the Power Back of Suggestion Chapter 12: The Development of the Will Chapter 13: The Building of a Great Mind Chapter 14: How Character Determines Constructive Action Chapter 15: The Art of Building Character Chapter 16: The Creative Forces In Man Chapter 17: The Building Power of Constructive Speech Chapter 18: Imagination and the Master Mind Chapter 19: The Higher Forces In Man Chapter 20: The Greatest Power In Man

*Your Forces and How to Use Them* Prentice Mulford, 2007-03-01 Grown out of author Prentice Mulford's spiritual nature and study of the metaphysical and the mundane, *Your Forces and How to Use Them*, originally published in 1911, is at once a description of the mental forces we all possess and an expression of those that are not so obvious, but of which we subconsciously take part. Touching on topics as varied and as cerebral as dream-life, memory, mesmerism, knowledge, and the power of positive thinking, this fascinating study of the psycho-spiritual is a must for anyone curious about the power of the human mind. American author PRENTICE MULFORD (1834-1891) is one of the oddest fixtures of 19th-century literature. After moving for years in the literary and Bohemian sets of San Francisco in the 1860s as a writer of humorous short stories, he lived as a hermit in New Jersey, where he wrote the books of modern spirituality that made him a pioneer of modern self-help philosophies, including *Thoughts Are Things* and *The God in You*.
