When a mother finally emerges from the mommy mole tunnel of pregnancy, breastfeeding, potty-training and preschool, she comes to the inevitable realization: The road to maternity is a one-way street. No U-turns allowed. You've survived the battles of baby- and toddler-hood, playdates and temper tantrums to time-outs. And just when it seems your former life is within reach-taking up neglected jobs and hobbies, committing to a fitness program, rediscovering the boyfriend living in the body of your husband-you crash headfirst into the wall of reality. The kids may be able to fasten their own seatbelts and pour their own cereal, but the homework, tucking in, car pools, and birthday parties have just begun. Let Vicki Iovine, author of The Girlfriends' Guides, show you how to navigate the twists and turns of family life-and find time for your kids, your spouse, your home, your work, and yourself. You're not alone in this "mommy adolescence." In The Girlfriends' Guide to Getting Your Groove Back, Iovine provides her trademark sage, witty advice on: - How to focus at work when things at home are in chaos-and vice versa - Making time for yourself-and not the PTA - Getting over the romantic myth of "date nights" and weekends away from the kids - Homework help-your transformation into a human flashcard - The dinnertime crush and how to relieve frozen pizza fatigue Iovine puts the perils of perpetual parenthood into perspective. You'll feel like you do after a long chat with a good friend-relaxed, refreshed, and ready to reclaim your life ...

At the office: A tried-but-true confidence builder moves from the bedroom to the office: Wear really sexy underwear not only on third dates, but also to any dreaded presentation you must give. Get Up and Groove! Joey L. Dowdy,2014-06-03 Are you're tired of sitting around every day thinking about, feeling, and doing the same old boring things. Which often leads to you getting no where? If so, it's time for a new direction and change. It's time to get your Mind in Gear and Your Body in Motion. It's time to "Get Up & Groove!" This book under my instruction will help you do just that by showing you how to "Put Your Groove Into Action." However, first, please allow me to introduce myself. I 'm Joey L. Dowdy Choreographer/Instructor/ and Fitness Motivator. I will be your narrator and personal guide. I am so excited to share with you my unique principles and techniques that I've assembled together from many years of being a professional Dancer, Performing/Artist, Instructor and fitness motivator. Let me just say, I feel so fortunate and thankful to be able to do what I love. As well as I love what I do. My goal is to help others, just like you, learn how to do the

same. It's to help you find, love, and live your passion towards a fulfilled life. Why? It's because far too often I witness people who are bound by limits and are living way below their capabilities. Yet what's astounding is they don't even realize it. They don't seem to realize the only limits that exist are the ones they've created for themselves. So that's where I come in, I want to help them discover and reach their fullest potential. I do this by using proven movement techniques that has helped me as well as countless others achieve their successes. There's a quote that states, "The person who says it can't be done is usually interrupted by someone doing it". I love this quote; it's one of my favorite. It's so true because doing it means, "Taking Action." And that's what Get Up & Groove Motivational Movement techniques book series is all about. It's about taking control of your life through the exploration of movement and its many active methods. It's because movement is ever so present in our daily lives and practices. It affects everything we do from the way we think, talk, walk, feel, act, eat and look. When used effectively in a positive and productive manner, it has a magic touch that we simply can't live without it. It has the power to stimulate, encourage, intrigue, uplift and keep us inspired. That's why it's critical you jump on board this "Groove Train" and take a journey that's sure to saturate (the non-fat version of course) your Mind, Body and SOUL. The first book of the series is entitled, "Step Into Greatness! Perform!" It's where dancespiration meets transformation, true stories about real people who took the step and made the change that led them to transform their lives. So if you're looking for a "Groove to Improve" your life this book leads the way to infectious inspiration that will make you "Get Up Out of Your Seat and On Your Feet!"

How Stella Got Her Groove Back Terry McMillan, 2004-01-06 How Stella Got Her Groove Back is full of Terry McMillan's signature humor, heart, and insight. More than a love story, it is ultimately a novel about how a woman saves her own life—and what she must risk to do it. Stella Payne is forty-two, divorced, a high-powered investment analyst, mother of eleven-year-old Quincy— and she does it all. In fact, if she doesn't do it, it doesn't get done, from Little League carpool duty to analyzing portfolios to folding the laundry and bringing home the bacon. She does it all well, too, if her chic house, personal trainer, BMW, and her loving son are any indication. So what if there's been no one to share her bed with lately, let alone rock her world? Stella doesn't mind it too much; she probably wouldn't have the energy for love—and all of love's nasty fallout—anyway. But when Stella takes a spur-of-the-moment vacation to Jamaica, her world gets rocked to the core—not just by the relaxing effects of the sun and sea and an island full of attractive men, but by one man in particular. He's tall, lean, soft-spoken, Jamaican, smells of citrus and the ocean—and is half her age. The tropics have cast their spell and Stella soon realizes she has come to a cataclysmic juncture: not only must she confront her hopes and fears about love, she must question all of her expectations, passions, and ideas about life and the way she has lived it.
