

Your Name Meaning

Patrick Hanks, Flavia Hodges, Kate Hardcastle

The Name Book Dorothy Astoria, 2008-11-01 Baby-naming has become an art form with parents today, but where do parents go to find names and their meanings? The Name Book offers particular inspiration to those who want more than just a list of popular names. From Aaron to Zoe, this useful book includes the cultural origin, the literal meaning, and the spiritual significance of more than 10,000 names. An appropriate verse of Scripture accompanies each name, offering parents a special way to bless their children.

What is Your Name? Sophy Moody, 1863

A Dictionary of First Names Patrick Hanks, Flavia Hodges, Kate Hardcastle, 2006-07-27 This Dictionary is part of the Oxford Reference Collection: using sustainable print-on-demand technology to make the acclaimed backlist of the Oxford Reference programme perennially available in hardback format. The fascinating and informative Dictionary of First Names covers over 6,000 names in common use in English, including the very newest names as well as traditional names. From Alice to Zanna and Adam to Zola this book will answer all your questions: it will tell you the age, origin, and meaning of the name, as well as how it has fared in terms of popularity, and who the famous fictional or historical bearers for the name have been. It covers alternative spellings, short forms and pet forms, and masculine and feminine forms, as well as help with pronunciation. The book includes extensive appendices covering names from languages including Scottish, Irish, French, German, Italian, Arabic, and Chinese names. Tables of the most popular names by year and by region are also included. From the traditional to the rare and unconventional, this book will tell you everything you need to know about names.

The Study of Names Frank Nuessel, 1992-09-30 An introduction and research guide to onomastics the study of names, this book covers the major areas of name study in individual chapters on personal names (anthroponyms), place names (toponyms), acronyms, brand names and trade names. A final chapter treats special areas such as designations for athletic teams, musical groups, and tropical storms, names of awards and alcoholic beverages, animal names, code names, and scientific nomenclature. The wealth of topics covered in each chapter may be gleaned from a listing of their subheadings (see table of contents). Included are such fascinating subjects as pseudonyms and personalized license plates, names for retirement communities and airports, racist and ethnic slurs, eponyms, and names of diseases and syndromes. Every topic comprises a discussion of underlying principles as well as numerous illustrative examples. Infused with linguistic interpretation, the study provides explanations based on phonetics (sounds of speech), morphology (shapes of names), syntax (place in sentence structure) and semantics (meaning). Throughout, special attention is given to classification and methodologies. The introduction clearly articulates theoretical aspects of onomastics, and a glossary of linguistic and onomastic terms appears as an appendix. Additional appendixes provide information on organizations and journals related to the field and a list of onomastic bibliographies. An extensive reference list and index complete the work. Useful as a text or reference book, The Study of Names is explicit enough to inform students of linguistics, yet clear and lively enough to be a good read for anyone interested in names and naming.

Baby Names - Meaning and Origins - Your Guide to Choose the Perfect Name for Your Baby Stella Damar, 2016-12-07 A person's name is the title of their life story. It is chosen for them at birth as a way to distinguish them from the rest of the herd. Each name has its own unique meaning to different people. Various cultures have different ways of choosing a child's name at their time of birth, which attributes to the fascination around the naming process. For some, their names are hereditary: the name has been used for several decades and continues to live on with each new generation. Other names are chosen for a variety of other reasons, from a general love for the name, to a preference for the meaning behind the name. Furthermore, some are chosen because the name signifies something or someone who possesses the characteristics they wish for their child to have. In the Western world, it is common for children to be given a first name (sometimes referred to as a given name), followed by a middle name and ended with a surname. Some people even choose to have two middle names for their children, as a means to attribute multiple family members in the name, or simply because

they couldn't narrow their list down to only one. Inside this book, we are going to discover a variety of things including naming conventions and traditions, how your name reflects who you are, how to choose the right name, and unusual and challenging family combinations. We will also explore a variety of names from timeless classics to modern trends, and unique favorites!

Name Crazy Lewis Burke Frumkes, 2000-07-26 Jane: One of the four caustics; potash, soda; acid, and Jane. John: Short for Jump-On-His-Neck, an old racing term used to exhort jockeys who are sitting too far back on their mounts. In this remarkably useful little book, you will find the real origins of over 360 names, from Agnes to Rambo, from Darwin to Woody (the eight dwarf, after Doc, Grumpy, Sleepy, Bashful, Dopey, Jumpy, and Mike). Here you will find the truth about your name. It doesn't mean one who is wise beyond all knowing. no, it has a lot to do with Helga, the butch goddess of mayonnaise. Sometimes the truth hurts, but when Lewis Frumkes, the author of *How to Raise Your I.Q. by Eating Gifted Children*, tells it, it's also very funny.

What's Your Name Beth Lynn Goodman, Nancy E. Krulik, 1991 A guide to first names and what they mean.

Your Name is Your Blessing Benjamin Blech, Elaine Blech, 1999 Your Name is Your Blessing: Hebrew Names and Their Mystical Meanings is the first book of Hebrew names that offers not only a comprehensive list of ancient and modern names with their meanings, but also a mystical insight, by way of gematria (the total of its letter components), into the personality, the soul, the prophetic destiny, and the blessing of every person based on his or her name.

The A to Z of Names (Revised and Expanded Edition) Isebell Gauche, 2012-02-03 The A to Z of names (Revised and Expanded Edition) is the new, expanded version of the popular reference book that reveals the true meaning of our names. The previous edition explored the origin and meaning of more than 9 000 South African men's and women's names. Now, in this expanded version even more names have been added! The revised and expanded edition: • Shows how some names reflect the circumstances at the time of birth, the time or day, birth order, parents' reaction to the birth and appearance or desired characteristics. • Indicates that there is a strong trend towards using surnames as given names. • Connects names to occupations, colours, animals or birds; plants, virtues or tasks. • Includes names of famous persons and feminine forms of masculine names • Features a section at the back that explores the Christian perspective on the importance of names and the promise it holds. The A to Z of Names (Revised and Expanded Edition) is a comprehensive and authoritative guide with easy access to the origin and meaning of most South African names and the special promise each name holds.

What Is Your Name? a Popular Account of the Meanings and Derivations of Christian Names Sophy Moody, 2014-03-29 This Is A New Release Of The Original 1863 Edition.

What Is Your Name?: A Popular Account of the Meanings and Derivations of Christian Names (Classic Reprint) Sophy Moody, 2015-07-26 Excerpt from What Is Your Name?: A Popular Account of the Meanings and Derivations of Christian Names A book on the same subject by a well-known author having lately appeared, the writer of the present work assures her readers that, anxious as she is to behold its formidable rival, she has deferred that pleasure until after the publication of her own work. 'What is your Name?' was completed by Christmas Eve 1862, but the idea of it had long before suggested itself to her, - before, indeed, she was aware of any book in any language having been written on the subject of Christian Names. From the writer's first little book she ventures to quote the motif of her present one: - 'She aye tell't the lassies the meanin' o' each o' their Christian names. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work.

Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. What is Your Name Sophy Moody, 1976

The Origin of Names, Words and Everything in Between Patrick Foote, 2021-10-12 Dive Into the Fun Facts Behind Names and Word Origins #1 Bestseller in Words, Language & Grammar, Etymology The best-selling book is back in its second volume with more names, more words, and even more in-between than before! What's in a name? The answer is far more complex and interesting than you may think. From the person behind the popular Youtube channel, NameExplain, comes the second volume of his best-selling book *The Origin of Names, Words and Everything in Between*. This new book is a fun, interesting and educational journey through the world of etymology. It covers a huge array of names from a variety of topic areas, and includes a bunch of random facts behind the names. From first names, to bodies of water? there's no name big or small, important or obscure that won't be explained. Find fun facts. Presented in a light and entertaining manner, *The Origin of Names* compels you to learn a ton of things you didn't know you wanted to know. Unlike a dictionary, everything in this book is easy to understand and can be read from start to finish, or in short bursts. It's also a lot more fun to read? Patrick explains each name with jokes and quips you're bound to enjoy, and it's full of pictures too! Be the know-it-all you always wanted to be. In *The Origin of Names* you'll: Learn fascinating word origins and bizarre name meanings Be able to entertain yourself and friends with random facts Gain honor and renown for your unrivaled knowledge of etymology If you enjoyed books like *Interesting Stories For Curious People*, *Stuff You Should Know*, or *The Great Book of American Idioms*, then you'll love *The Origin of Names, Words and Everything in Between: Volume II*.

Your Name is a Song Jamilah Thompkins-Bigelow, 2021 Frustrated by a day full of teachers and classmates mispronouncing her beautiful name, a little girl tells her mother she never wants to come back to school. In response, the girl's mother teaches her about the musicality of African, Asian, Black-American, Latinx, and Middle Eastern names on their lyrical walk home through the city. Empowered by this newfound understanding, the young girl is ready to return the next day to share her knowledge with her class. *Your Name is a Song* is a celebration to remind all of us about the beauty, history, and magic behind names.

What Is Your Name? Sophy Moody, 2014-01-13 This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

The Meaning of Names Karen Gettert Shoemaker, 2014-03-01 A German-American woman copes with a pandemic, and her neighbors' hostility during the Great War, in "a heart-rending story of endurance" (Historical Novel Society). Stuart, Nebraska is a long way from the battlefields of Western Europe, but it is not immune to the horrors of the first Great War for Peace. Like all communities, it has lost sons and daughters to the fighting, with many more giving themselves over to the hatred only war can engender. Set in 1918 in the farm country at the heart of America, *The Meaning of Names* is the story of an ordinary woman trying to raise a family during extraordinary times. Estranged from her parents because she married against their will, confronted with violence and prejudice against her people, and caught up in the midst of the worst plague the world has ever seen, Gerda Vogel, an American of German descent, must find the strength to keep her family safe from the effects of a war that threatens to consume the whole world. "Suddenly, 'liberty cabbage' replaces 'sauerkraut' on food menus, job advertisements warn 'no krauts need apply,' and neighbors demand

the nearby university stop teaching courses in 'that vile language'. . . . Shoemaker crafts eminently realistic characters; her descriptions of unreasonable fear and hatred are particularly effective."
—Publishers Weekly

The Sacred Power in Your Name Ted Andrews, 2017-11-08 When you're born, you're given your own individual magical word—your name. It holds the keys to your soul's energies and abilities. If you come to know and use your name properly, you can uncover your soul's purpose, manifest abundance, and open up to unlimited possibilities. The Sacred Power in Your Name includes entries for nearly two hundred names with meanings, affirmations, sound and chakra elements, and meditations. Using the techniques and information in this book, you will be able to: Analyze the sounds and rhythms of your name Transform your name into a magical incantation Awaken creative energies related to your name Create an inner talisman Discover your purpose in life Use your name for empowerment and healing Your name is your direct link to the infinite possibilities of the universe. In this book, you will discover new worlds and wonders as you uncover the true power of your very own magical word. Praise: Ted explores the names themselves, and he goes into every nuance of naming. This is a very in-depth study of the sacred power of names.—Phoenix McFarland, author of The New Book of Magical Names

The Art of Nameology Norma Watts, 2005 Presents a guide to the practice of nameology, in which a person's character is discerned through his or her name and the numerals associated with it.

What's in a Name? Gayle Palmquist, 1983
