The Personal Assistant Kimberly Belle, 2022-11-29 USA TODAY bestselling author Kimberly Belle returns with a deeply addictive thriller exploring the dark side of the digital world when a mommy-blogger's assistant goes missing. When Alex first began posting unscripted family moments and motivational messages online, she had no intention of becoming an influencer. Overnight it seemed she'd amassed a huge following, and her hobby became a full-time job—one that was impossible to manage without her sharp-as-a-tack personal assistant, AC. But all the good-will of her followers turns toxic when one controversial post goes viral in the worst possible way. Alex reaches out to AC for damage control, but her assistant has gone silent. This young woman Alex trusted with all her secrets, who had access to her personal information and front row seats to the pressure points in her marriage and family life, is now missing and the police are looking to Alex and her husband for answers. As Alex digs into AC's identity – and a woman is found murdered – she'll find the greatest threat isn't online, but in her own living room. Written in alternating perspectives between Alex, her husband, and the mysterious AC, this juicy cat and mouse story will keep you guessing till the very end.

**A Star Is Bored** Byron Lane,2020-07-28 *A Star is Bored* is an absolute knockout. Riotously funny and wickedly tender. — Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones and the Six* Wildly funny and irreverent... Lane's writing lifts the novel far above its gossamer Hollywood setting, suffusing [the novel] with a complex sensitivity. - The New York Times Book Review A hilariously heartfelt novel influenced in part by the author's time assisting Carrie Fisher. 2020 Titles to Watch - One of the 30 Best Beach Reads According to Parade Magazine She needs an assistant. He needs a hero. Charlie Besson is tense and sweating as he prepares for a wild job interview. His car is idling, like his life, outside the Hollywood mansion of Kathi Kannon, star of stage and screen and People magazine's Worst Dressed list. She's an actress in need of assistance, and he's adrift and in need of a lifeline. Kathi is an icon, bestselling author, and award-winning movie star, most known for her role as Priestess Talara in a blockbuster sci-fi film. She's also known in another role: Outrageous Hollywood royalty. Admittedly so. Famously so. Chaotically so, as Charlie quickly discovers. Charlie gets the job, and his three-year odyssey is filled with late-night shopping sprees, last-minute trips to see the aurora borealis, and an initiation to that most sacred of Hollywood tribes: the personal assistant. But Kathi becomes much more than a boss, and as their friendship grows Charlie must make a choice. Will he always be on the sidelines of life, assisting the great forces that be, or can he step into his own life's leading role? Laugh-out-loud funny, and searingly poignant, Byron Lane's A Star is Bored is a novel that, like the star at its center, is enchanting and joyous, heartbreaking and hopeful.
