Living the Soul Dolce Vita Leanna Burns, 2007-03 Leanna Burns, who writes about the soul and the 'letting go' process, is at it again. Only this time, it is not about letting go of the weight ('From A to Z: Feed Your Soul and Lose the Weight?'), nor is it about letting go of society's mythical standard of physical beauty ('Soul Beautiful, Naturally'). 'Living the Soul Dolce Vita' is about letting go of your 'stuff' -- the stuff that gets in the way of soul communication, acknowledgment and recognition. This book is not just about having a garage sale and releasing a few household items that no longer interest you. It is about getting interested in your soul, and making room for it in your crowded and busy life. When your soul defines who you are versus the trappings of your life doing so, then you will be truly 'Living the Soul Dolce Vita.'
