When Harriet's friends tell her to pick up the pace, Harriet decides to journey to a neighboring island to see what there is to see. She parades with penguins and rides with dolphins, encountering adventure at every turn. But is life in the fast lane right for a tortoise who loves to take her time?

Redeeming Your Time Jordan Raynor, 2023-09-26 Manage your time the way Jesus managed his with a biblical antidote to swamped to-do lists and hurried schedules. "A highly practical road map."—Mark Batterson, New York Times bestselling author and lead pastor of National Community Church Despite the overwhelming amount of resources for time management and work-life balance, the ability to cultivate the efficiency and equilibrium needed to manage all our worthy pursuits can often feel frustratingly out of reach. The reason for our struggle is that productivity and time-management systems focus on individual

habits rather than more meaningful and lasting lifestyle changes. But as it turns out, there is a better way to reach our full potential. We don't need just another approach to changing our habits. What we need is an operating system that takes into account the full scope of our lives. In these pages, bestselling author Jordan Raynor presents this system, using seven powerful time- management principles drawn from the example of how Jesus lived: 1. Start with the Word: Find meaningful connection with the author of time daily. 2. Let Your Yes Be Yes: Accept only the commitments you can fulfill. 3. Dissent from the Kingdom of Noise: Create room for silence, stillness, and reflection. 4. Prioritize Your Yeses: Confidently maintain your commitments. 5. Accept Your "Unipresence": Focus on one important thing at a time. 6. Embrace Productive Rest: Live the God-designed rhythms of rest which are productive for our goals and souls. 7. Eliminate All Hurry: Embrace productive busyness while ruthlessly eliminating hurry from our lives. With these principles, you'll see how Jesus managed his time on earth and how he responded to human constraints much like the ones you face today. More than that, you'll discover corresponding practices that will help you embrace the best, most Christlike version of yourself possible: purposeful, present, and wildly productive.

This Is Your Time Ruby Bridges, 2020-11-10 NEW YORK TIMES BESTSELLER • CBC KIDS' BOOK CHOICE AWARD WINNER Civil rights icon Ruby Bridges—who, at the age of six, was the first black child to integrate into an all-white elementary school in New Orleans—inspires readers and calls for action in this moving letter. Her elegant, memorable gift book is especially uplifting in the wake of Kamala Harris making US history as the first female, first Black, and first South Asian vice president-elect. Written as a letter from civil rights activist and icon Ruby Bridges to the reader, *This Is Your Time* is both a recounting of Ruby's experience as a child who had to be escorted to class by federal marshals when she was chosen to be one of the first black

students to integrate into New Orleans' all-white public school system and an appeal to generations to come to effect change. This beautifully designed volume features photographs from the 1960s and from today, as well as stunning jacket art from *The Problem We All Live With*, the 1964 painting by Norman Rockwell depicting Ruby's walk to school. Ruby's honest and impassioned words, imbued with love and grace, serve as a moving reminder that "what can inspire tomorrow often lies in our past." This *Is Your Time* will electrify people of all ages as the struggle for liberty and justice for all continues and the powerful legacy of Ruby Bridges endures.
