Turkish for Beginners: A 10-Week Self-Study Program is specifically prepared for students who are looking for a quick journey into Turkish, promising significant language skills in just 10 weeks! Students will develop strong reading, writing, listening and understanding skills. How is this possible? The book consists of 10 units, each unit covering the most essential grammar points and language skills necessary to successfully handle basic social interactions. Each unit starts with a fun dialogue, recounting the travels of Kate and Tom in Istanbul, while they are getting acquainted with the land, culture and people of Turkey. Dialogues and vocabulary are recorded by native speakers, which is crucial for improving listening and speaking skills with correct pronunciation. Short but concise grammar explanations guide the student with enough detail about the Turkish grammar. Examples follow each grammar point to enhance learning. So there it is - learning beginner level Turkish has never been easier! Upon completion, students are expected to reach the novice-high/intermediate-mid levels of proficiency

as per the ACTFL Guidelines, or high 1, low 2 as per the ILR, or B1 as per the Common European Framework of Reference (CEFR).. After you finish the book, you will be able to: handle a range of social situations from visiting a friend to dining outside read and understand basic instructions, texts and articles advance in learning the language fully! Turkish Vocabulary Book Pinhok Languages, 2019-05-14 Turkish vocabulary book + Turkish dictionary This Turkish vocabulary book contains more than 3000 words and phrases which are grouped by topic to make it easier for you to pick what to learn first. On top of that, the index in the second half of the book provides you with a basic Turkish-English as well as English-Turkish dictionary which makes this a great resource for learners of all levels. What you can expect from this book: This Turkish learning resource is a combination of Turkish vocabulary book and a two-way basic Turkish dictionary: Part 1 - Topic based Turkish vocabulary book: This is the main part of the book and represents a list of chapters each containing Turkish vocabularies for a certain topic. The Turkish vocabularies in the chapters are unsorted on purpose to separate remembering them from a defined alphabetical order. You can start at any chapter and dive directly into the topics that interest you the most. Part 2 - Basic English-Turkish dictionary: The index in the second half of the book can be used as a basic Turkish dictionary to look up words you have learned but can't remember or learn

new words you need. Part 3 - Basic Turkish-English dictionary: Easy to use and with just the right amount of words, this third part finishes off with a second index that allows you to look for Turkish words and directly find the English translation. How to use this Turkish vocabulary book: Not sure where to start? We suggest you first work your way through the verbs, adjectives and phrases chapters in part one of the book. This will give you a great base for further studying and already enough vocabulary for basic communication. The Turkish dictionaries in part two and three can be used whenever needed to look up words you hear on the street, English words you want to know the Turkish translation for or simply to learn some new words. Some final thoughts: Vocabulary books have been around for centuries and as with so many things that have been around for some time, they are not very fashionable and a bit boring, but they usually work very well. Together with the basic Turkish dictionary parts, this vocabulary book is a great resource to support you throughout the process of learning Turkish and comes in particularly handy at times when there is no internet to look up words and phrases.
