Why Do So Many Incompetent Men Become Leaders? Tomas Chamorro-Premuzic, 2019-02-19 Look around your office. Turn on the TV. Incompetent leadership is everywhere, and there's no denying that most of these leaders are men. In this timely and provocative book, Tomas Chamorro-Premuzic asks two powerful questions: Why is it so easy for incompetent men to become leaders? And why is it so hard for competent people--especially competent women--to advance? Marshaling decades of rigorous research, Chamorro-Premuzic points out that although men make up a majority of leaders, they underperform when compared with female leaders. In fact, most organizations equate leadership potential with a handful of destructive personality traits, like overconfidence and narcissism. In other words, these traits may help someone get selected for a leadership role, but they backfire once the person has the job. When competent women--and men who don't fit the stereotype--are unfairly overlooked, we all suffer the consequences. The result is a deeply flawed system that rewards arrogance rather than humility, and loudness rather than wisdom. There is a better way. With clarity and verve, Chamorro-Premuzic shows us what it really takes to lead and how new systems and processes can help us put the right people in charge.

You Cannot Be Serious John McEnroe, James Kaplan, 2002-06-10 A no-holds-barred, intimate memoir by John McEnroe—the bad boy of professional tennis. John McEnroe stunned the tennis elite when he came out of nowhere to make the Wimbledon semifinals at the age of eighteen—and just a few years later, he was ranked number one in the world. *You Cannot Be Serious* is McEnroe at his most personal, an intimate examination of Johnny Mac, the kid from Queens, and his “wild ride” through the world of professional tennis at a boom time when players were treated like rock stars. In this “bracing serve-and-volley autobiography” (The Boston Globe) he candidly explores the roots of his famous on-court explosions; his ambivalence toward the sport that made him famous; his adventures (and misadventures) on the road; his views of colleagues from Connors to Borg to Lendl; his opinions of contemporary tennis; his marriages to actress Tatum O’Neal and pop star Patty Smyth; and his roles as husband, father, senior tour player, and often-controversial commentator.

Battle Cry Jason Wilson, 2021-09-21 In a culture that tells men to suppress instead of express, join bestselling author, speaker, and leader Jason Wilson (featured in the award-winning ESPN documentary *The Cave of Adullam*) as he calls us to unlearn society’s definition of masculinity and discover the power of engaging with our emotions. For decades, Jason was losing the war within—the internal battle that many men wage on a daily basis. He struggled to combat his toxic thoughts and emotions, communicating without composure, and ultimately hurting himself and his loved ones. When Jason began to release years of unresolved trauma, he learned how to acknowledge his emotions and express them in a healthy way. He discovered that he was strengthened by transparency and vulnerability, which taught him to forgive, trust, and love without limitations. Soon, Jason’s newfound practices began to heal his relationships and transform his life. Throughout

his journey of opening up, Jason became a better husband, father, and leader--and you can, too. Supported by Biblical teachings, the lessons that Jason shares in *Battle Cry* teach us that we can all be empowered to break through what we've been through. Jason calls us to become better versions of ourselves, equipping us with the mental and spiritual weapons needed to redefine modern masculinity and showing us how to: embrace our emotions rather than be ruled by them win internal battles before they become external wars break free from misconstrued masculinity and embrace our humanity communicate more effectively with the people in our lives heal trauma from our past in order to live our fullest lives in the present *Battle Cry* proves that it's possible to live beyond the limitations of your mind and finally experience the full life you've always longed for. What are you waiting for? It's time to win the war within.

One Heart at a Time Delilah, 2018-10-16 "You're listening to Delilah." Delilah, the most listened-to woman on American radio, has distinguished herself as the "Queen of Sappy Love Songs" and America's ultimate romance guru. But Delilah's life off-air is all the more extraordinary—a life full of trials, forgiveness, faith, and adventure. In *One Heart at a Time*, Delilah's heartfelt account of her own story reveals what shaped the voice that 9 million listeners know and love. Today, Delilah is the founder of an NGO called Point Hope, the owner of a 55-acre working farm, and an inductee of the National Radio Hall of Fame. But to achieve this, she often had to pave her own way. Disowned

by her father, divorced, and fired from a dozen jobs over the years, Delilah pushed forward through family addiction and devastating loss, through glass ceilings and red tape. Her consistent goal to help those in need took her everywhere from the streets of Philadelphia to refugee camps in Ghana. Along the way, Delilah was blessed by thirteen children—ten of them adopted. Though many of them contend with special needs and the forever effects of a broken foster care system, her children have been able to transform their own remarkable lessons into guiding lights for other kids in need. Just as Delilah has done. One Heart at a Time exposes the real woman behind the microphone. In her easy-going style and characteristic, beloved voice, Delilah tells her deeply moving life story as the series of miracles it is.

Happier at Home Gretchen Rubin, 2012-09-04 Tolstoy wrote, Happy families are all alike; every unhappy family is unhappy in its own way. This is the statement that inspired bestselling author Gretchen Rubin to wonder whether she could foster an even greater happiness in her home. During The Happiness Project, the same questions kept tugging at her. How can I raise happy children? How can I maintain a tender, romantic relationship with my spouse--after fifteen years of marriage? How do I keep my Blackberry from taking over my private life? How can I foster a well-ordered, light-hearted atmosphere in my house, when no one else will lift a finger to cooperate? This book is Gretchen's account of her second journey in pursuit of happiness. Prescriptive, easy-to-follow, and anecdotal, Happier at Home offers readers a way of thinking and being that is positive and life-affirming. With specific examples following the calendar year, an intimate voice, and drawing from science and pop culture, this book will resonate with anyone looking to strengthen the bonds of family.

Beckett in Popular Culture P.J. Murphy, Nick Pawliuk, 2015-12-11 What do Bono, Seinfeld and Apple have in common? Nothing. However, it's the nothing of Samuel Beckett, which is something. Bold and provocative, Beckett's works and even his image are a potent force in modern society. Shoes, marketing, baby names—all fall under his spell. This collection of new essays (one exception) finds him incorporated into virtually all aspects of popular culture—television, popular fiction, movies, tattoos, even sports—in a manner that seems to defy classifying. Is it image-making or image-taking? Why is our culture so obsessed with an obscure Irish writer most people have not read? Each essay provides a unique appraisal of Beckett's branding.
