Cool Japan Guide Abby Denson, 2015-03-10

Traveling to Japan has never been so much fun—visit the land of anime, manga, cosplay, hot springs and sushi! This graphic Japan travel guide is the first of its kind exploring Japanese culture from a cartoonist's perspective. Cool Japan Guide takes you on a fun tour from the high-energy urban streets of Tokyo to the peaceful Zen gardens and Shinto shrines of Kyoto and introduces you to: the exciting world of Japanese food—from bento to sushi and everything in between. the otaku (geek) culture of Japan, including a manga market in Tokyo where artists display and sell their original artwork. the complete Japanese shopping experience, from combini (not your run-of-the-mill convenience stores!) to depato (department stores with everything). the world's biggest manga, anime and cosplay festivals. lots of other exciting places to go and things to do—like zen gardens, traditional Japanese arts, and a ride on a Japanese bullet train. Whether you're ready to hop a plane and travel to Japan tomorrow, or interested in Japanese culture, this fun and colorful travelogue by noted comic book

artist and food blogger Abby Denson, husband Matt, friend Yuuko, and sidekick, Kitty Sweet Tooth, will present Japan in a unique and fascinating way.

The Ultimate Japanese Phrasebook Kit Pancoast Nagamura, Kyoko Tsuchiya, 2012-12-21 The Ultimate Japanese Phrasebook is an ambitious new phrasebook for students who want to improve their speaking and listening skills. The book features 1,800 expressions for daily use, in English and Japanese, with the Japanese presented in both native script and roman letters. Topics include basic greetings, self-introductions, talking about the weather, getting around, ordering at a restaurant, visiting a Japanese friend's home, special events (birthdays, funerals, weddings, baby's birth), and much, much more. What sets this book apart from others is its focus on sentence-level utterances. Many phrasebooks present loads of useful vocabulary, but provide little or no guidance on how to use those words in actual sentences. The Ultimate Japanese Phrasebook shows readers how Japanese sentences work. All the sentences are of the sort learners are likely to use in Japan, whether as students or professionals. Throughout the book, key vocabulary is listed along the bottom of each page, allowing learners to build on what they already know. And there are notes and special columns on usage and communication strategies. Best of all, the book comes with a free MP3 audio CD containing all the sentences read aloud, with feeling, in both English and Japanese, so that readers can casually listen on their iPods or in their cars.
