## **Fiqh Al Zakah - Volume 1** Yusuf Al

Qaradawi, 2020-02-24 In the hierarchy of Islamic faith and religious duties zakat is next only to the acclamation of Allah's unity and prophecy of Muhammad (peace be unto him) and the five daily prayers. It is rather significant that a measure of far reaching economic consequences should find such a high place in that hierarchy and be counted as one of the five pillars of Islam. Zakat is doubly important in the way of life that is Islam. On the one hand it is a means of spiritual purification and on the other a way to regain balance and equilibrium in social and economic life. One would expect religious scholars as well as economists not to miss these points and pay due attention to this unique institution. However, the subject of zakat did not attract the attention of contemporary scholars to an extent commensurate with its importance. There is a need for economists, legal experts and shariah scholars who would elaborate and analyze the law of zakat in a contemporary manner. Sheikh Yusuf al Qaradawi's book is one of those exceptions to the above which give one the needed hope and reassurance to carry on. First published more than 3 decades ago, Fiqh al Zakat still remains unparalleled in its comprehensiveness exposition and depth. It is, therefore, with great pleasure that we present it to the English reading public. Shaykh Yusuf Al-Qaradawi Born in Egypt 1926. One of the most prominent scholars of the 20th century. He memorized the Quran before the age of 10. He is an expert on principals of Islamic jurisprudence (Fiqh), Arabic language, and other Islamic Sciences. He has published over 100 books, which are bestsellers in the Islamic world. His books cover various topics, such as: Fiqh, how to understand the Sunnah, how to understand the Qur'an, a two volume book on Zakat which is considered by many

scholars as a treasure house for the Islamic library, environment, Fiqh of Minorities, poetry, and many other topics. Shaykh Al-Qaradawi represents an original effort to make the comprehensive rules of Islam accessible and understandable to non-specialists, and he always tries to join between the principles of the religion and the problems facing the Muslims today.

Al-Zakah M. Zohurul Islam, 1999 This book is a timely and relevant approach to the various socioeconomic problems that are on the rise and their relevance to Zakah. Zakah is a very major institution of Islam and has several functions in Islamic economics including poverty elimination. Therefore, the Islamic scholars have dealt with this aspect of the economy adequately in their work. This work on Zakah is planned on the most practical or applied part of the institution of Zakah.

**Zakah** Muhammad Zulficar, 2011 Zakah, the third Pillar of Islam, is probably the first Pillar of its economic system. It represents the first and most important mechanism to implement economic justice and to provide sustenance to the economically unfortunate, two issues for which Islam is especially sensitive. These two issues are the essence of this book. This book consists of all the main issues of Zakat (i-e, Zakah on Gold, Silver, Paper Money, Livestock, Fruits, Grains, Rented Land, Buried treasures, Minerals, Trade, Shares, Stocks, Exploited Assets etc). The main objective of this work is to serve an easy and authentic reference to the reader.

Raquibuz Zaman, 1981

Zakah (the Religious Tax Of Islam) Abdul Rehman Ansari,

**Charity in Islam** Omer Faruk Senturk, 2007 Charity is a most essential pillar not only for individuals and particular communities, but for the whole of humankind to live a happy life. Muslims are instructed to offer zakat from that which God has benevolently bestowed on them in order to attain innumerable spiritual, ethical, and social goals. The

areas included in the consideration of zakat, in Islam, are far greater than those generally applied to charity as zakat is simply not an arbitrary charity nor a supererogatory donation handed out according to each benefactor's wish. This book seeks to explore zakat in Islam, one of the obligatory acts of worship with a prescribed time, minimum amount, prerequisites, benefactors and recipients-all perfectly explained and regulated in the Islamic jurisprudence in order to smooth the progress of its fulfillment by its adherents. Charity in Islam and other faiths, Benefactors and recipients of zakat, Requirements of the property subject to zakat, Places of disbursement of zakat, Individual and social benefits of zakat. Book jacket.

**Application Of Zakat: From Classical And Contemporary Perspective** M Kabir Hassan, Magda Ismail Abdel Mohsin, Aishath Muneeza, 2024-02-08 Zakat, being the third pillar of Islam, is an act of worship fulfilled by Muslims. As an obligatory means of alms- giving expected of Muslims, it also helps to alleviate poverty in society by assisting such individuals to achieve a state of financial independence. It is maintained by Muslims that the principles of zakat derived from the Sharia are expected to remain unchanged with passing time. However, in order to achieve efficiency in the administration of zakat, innovation and technology can be used even within the parameters of Sharia. The objective of this textbook is to provide the opportunity to learn the basics of zakat and its contemporary application by highlighting the innovative practices of zakat with issues and challenges.

**Zakāh** Abdul Rehman Ansari, 199? Zakah is one of the fundamental institutions in Islam. In importance, it is placed next to prayer. There is unanimity that Zakah is one of the

five pillars of Islam. In the legal sense it means a right on wealth or the specified part of wealth designed by Allah to be given to certain beneficiaries.
