**Divine Time** NomadSoulWarrior, 2021-09-15 Our search for one true love has been overwhelming us existentially since the beginning of time. Scenes of sacrifice and sorrow play through the ages. Those who have seemingly found theirs are inevitably thrust into an emotional whirlwind of desperation, loss, and heartbreak... so we've heard. Yet, Love is also our core strength, the magnetic force that breaks through infatuation barriers and unearths our most passionate desires... the guiding light towards our soul's path to unlocking full potential and achieving emotional fulfillment. Divine Time is a mystical tale about love once found, lost, and eventually realised... learning how to go with the cosmic flow told in a poetic, down-to-earth depiction of the Fool's Journey through the Tarot's Major Arcanas.

**Everything First** Zara Borthwick, Nicholas Arnold, 2012-11 Everything First, introduces themes that are first introduced in The Padgett Messages. The quintessential teaching in the Padgett Messages is the platform of the natural and Divine Loves and how these two Loves work perfectly in and for the human mortal soul. Everything First expands the vision of a Divine Love experience and whilst these experiences relate with the Padgett Messages, they are nonetheless independent and universally truthful in their potential for us all. When we contemplate the reality and existences of Love and Spirit as universal principles insofar as sustaining all life, we are always going to extend the boundary of our own belief, age, era and time in which we live. This book derived from the authors' experience and in the pursuit of progress experience and awareness, the universal principals of Love and Spirit exceed ownership of any one and require our own investigation to realise our place in the universe and how a souls true immortality and perfection can be realised and obtained.

North of Supernova Lindsey Leavitt, 2023-06-06 ★  
When Stella's world is shaken up by her father's surprise engagement, she takes fate into her own hands with astrology, tarot, and crystals in this irresistible, heartfelt middle grade novel ★  
Stella North (Virgo) has waited her whole life for a coveted birthday party invite that will guarantee a friend-filled summer in Washington. Forget summer, this opportunity could change her universe. Maybe in this universe, she'll have less anxiety about big things, like the growing absence of her addict mom, and small things, like what everyone else is thinking or what she's wearing or or... breathe. But those perfect summer plans implode when her Dad returns with a surprise from his business trip: his new fiancée, Whitney. Even worse, Stella and her brother have to spend the next couple of weeks in Whitney's Las Vegas home pretending like these absolute strangers are her family. At least her potential stepsister feels the same way about ruining their parents' wedding. Together, the girls set out to discover (and ultimately change) the future through astrology, crystals, and even Magic 8 Balls. Yet nothing can predict the surprising friends, new maybe-more-than friends, and ghosts from the past that Stella encounters on her quest to find calm in a galaxy beyond control. Godwin Books

**Trust Your Truth** Shannon Algeo, 2021-03-01 It's time to wake up and become the person you are here

to be. In *Trust Your Truth*, transformational LGBTQ+ spiritual teacher Shannon Algeo (he/him) invites you on a profound journey to move beyond self-doubt and live the badass life you are meant to live. Self-doubt intensifies whenever we give our power away to people and things outside of us. But your self-worth is always sourced from within you. Organized by the seven chakras—the energetic centers of the body—*Trust Your Truth* invites you to discover your truth on every level of YOU: to awaken to your true calling, accept yourself wholeheartedly, honor your emotions, trust your intuition, and measure success based on how true you can be to yourself—rather than the expectations of others. When you learn to trust your truth, you open yourself up to becoming the most empowered, present, and alive version of yourself. The powerful practices throughout this book are interwoven with raw, personal stories from Algeo's own healing journey—showing you how aligning with your purpose and being the True You benefits everyone around you and your collective community as a whole. As Algeo says, "One of the bravest journeys is the journey inward." Get ready for a journey from head to heart and beyond. This book will be your step forward onto a new path of deeper courage, rich insights, and profound wisdom as you uncover the power of who you truly are.

*Window of the Soul* James David Dunn, 2022-09-26  
Some four hundred years before Albert Einstein proposed his theory of relativity of the outer universe to the scientific community, a rabbi named Isaac Luria (1534-1572) passed his theory of the inner universe and its evolution to his students. With vision given only to the most gifted of kabbalistic mystics, Luria explained the inner worlds of the spirit and of the evolution that led to the ultimate birth of our cosmos. In a selection of passages from Luria's Kabbalah that is both universal and stand-alone in

transcendental value, Professor James Dunn presents, for the very first time, the essence of the great rabbi's teachings. According to Luria, the ultimate calling in this lifetime or in future lifetimes is to reharmonize (and hence remove) inherent imperfections through proper heart, and the teachings presented here have just this aim: to help "heal the broken vessel of the world" (tikkun olam). We all long to be healed and whole, and here scholars and lay people alike will find the wisdom they seek.

*Wisdom to Heal the Earth* Tzvi Freeman, Rabi Menachem M. Schneerson, 2018-10 In *Bringing Heaven Down To Earth*, Tzvi Freeman explored an original means to deliver the wisdom of a great sage of our times, Rabbi Menachem M. Schneerson, known universally as simply the Rebbe. Using pithy yet highly readable, brief meditations, that book unveiled for us a deeper meaning to life and provided practical guidance to weather its waves and storms. It is a book that changed tens of thousands of lives. Now, in *Wisdom to Heal the Earth*, Freeman continues with that winning format, this time along with complementary brief essays. But now he takes us yet further, peering toward the Rebbe's vision of a world towards which all humanity is headed, and demonstrating how the details of our everyday lives are vital, crucial, and today especially urgent in reaching that grand and ultimate destiny. In Jewish parlance we call this Tikun Olam—the notion that we all enter this world with a mission to accomplish: to repair and perfect our assigned share of the world, so that it can become the world its Creator meant it to be.

*Punk 57* Penelope Douglas, 2023-12-05 *Secrets*, deception, and passion consume two pen pals in the TikTok sensation from New York Times bestselling author Penelope Douglas, now with exclusive bonus material! They were perfect together. Until they

met. In fifth grade, Misha's teacher set him and his classmates up with pen pals from a different school. For the next seven years, Ryen was his everything. She kept Misha on track and accepted him as he is. They only had three rules: No social media, no phone numbers, no pictures. There was no reason to ruin the good thing they had going...until Misha runs across a photo of a girl online named Ryen. He knows he has to meet her. But he didn't expect to hate what he finds. Ryen has gone three months without a letter from Misha. Did he die? Get arrested? Knowing Misha like she does, neither would be a stretch. She needs to know someone is listening to her. But really, Ryen knows this is her own fault. She should've gotten his phone number, or picture, or something. As a mysterious vandal leaves messages in Ryen's school, she's possessed by the handsome new student who knows just how to hurt and heal her. But she can't stop thinking of Misha. He could be gone forever. Or right under her nose, and she wouldn't even know it...
