**The Godless** Ben Peek,2014-08-14 Ben Peek's The Godless is the first in the Children Trilogy; an epic fantasy series with a gripping plot and unforgettable characters. The Gods have fallen but their powers live on . . . Fifteen thousand years after the War of the Gods and their corpses now lie scattered across the world, slowly dying as men and women awake with strange powers that are derived from their bodies. While some see these powers as a gift - most call them a curse. When Ayae - a young cartographer's apprentice in the city of Mireea - is trapped in a burning building, she is terrified as a dormant power comes to life within her. The flames destroy everything around her but she remains unscathed - fire cannot touch her. This curse makes her a target for the army marching on her home - an army determined to reclaim the body of the god Ger, who lies dying beneath the city, and harness his power for themselves. Zaifyr, a man adorned in ancient charms, also arrives in Mireea. His arrival draws the attention of two of the 'children of the gods', Fo and Bau, powerful, centuries-old beings who consider themselves immortal. All three will offer different visions for Ayae's powers - and whatever choice she makes will result in new enemies. Meanwhile, as the army approaches ever closer to Mireea, the saboteur Bueralan and Dark, his mercenary group, look to infiltrate and learn its weaknesses. Alone in a humid, dangerous land, they find themselves witness to rites so appalling they realize it would take the Gods themselves to halt the enemy's attack - and even they may not be enough. Leviathan's Blood Ben Peek,2016-05-31 At the end of The Godless, Mireea lay in ruins, the dead of the city had risen as ghosts, and the keepers Fo and Bau had been slain by Zaifyr. The Mireeans have now fled to the city of Yeflam with the immortal Zaifyr in chains to barter for their safety. With the threat of war arriving at the Floating Cities, Zaifyr's trial will become the center of political games. However, Zaifyr is intent on using his trial to begin a new war, a motive that many fear is an echo of the dangerous man he once was. Ayae, a young girl cursed with the gift of fire, sees a chance to learn more of her powers here in the floating city, but she is weighed down by her new responsibilities regarding the safety of the Mireean people. Across the far ocean, exiled Baron Bueralan and cartographer Orlan have arrived in the city of Ooila with some chilling cargo: the soul of a dead man. As the two men are accepted into the city's court, they are pulled ever deeper into the Queen's web of lies and deceit. All the while, a rumor begins to spread of a man who has come ashore, whose seemingly innocent presence threatens them all.

The Eternal Kingdom Ben Peek,2017-06-15 A nation in fragments On the shores of Yeflam, Ayae struggles to keep her people together. She acts as liaison between the camp leaders and the immortals who could save them. Zaifyr’s immortal siblings have arrived – but they have their own unfathomable agendas and Ayae is caught in their power games. An army on the march Heast has returned to his role as Captain of Refuge, a mercenary unit that answers the call of lost causes. With help from an unexpected source, Heast and his band of mercenaries could turn the tide of war – if they live long enough. A world in danger Bueralan Le is trapped in the company of the new god child. Though he fights to prevent her from unleashing her forces on the world, he is bound by blood to her darkest creation. The future of the world may depend on his choices. The epic conclusion to The Children Trilogy, following The Godless and Leviathan's Blood

**A Dying People** Gibson W. Jerue,2011-02-03 A war that loses its objectives like the fourteen-year civil war in Liberia makes innocent civilians targets and victimizes the vulnerable. A Dying People is a true story of a thirteen-year-old unwilling sex slave raped multiple times by her captor. Gibson Jerue tells a story of a girl, Kusay Glanyon, who was born in the wrong ethnic group that rebel forces vowed to wipe out of the face of the earth. Kusay’s father was killed in battle against the NPFL rebels; her mother and her two young brothers—five and seven—were brutally and summarily executed before her very eyes. She became an object of sexual assault by a rebel commander whose objective of saving her was not to give her another day to live but to prey on her.
