**Golf and Zen Planner** Mirko Allegri,Ettore Allegri,2001-11-20 On every page of this Planner are two days of the year. At the top of each day, some space has been left aside for golf dates. At the bottom of the page, you will daily find a golf psychology tip, a Zen anecdote, or a famous woman's or famous man's quotation. This Golf & Zen Planner not only offers generic tips, but also allows each golfer to pull the right "mental club" out of his or her own "mental bag" to tailor it to their individual features and to the many different playing situations. The two authors have long been involved with Oriental philosophies and along the way discovered numerous interesting similarities between Western psychology and Oriental meditative introspection. After all, is it just a coincidence that Tiger Woods, a cultural cross between the West and the East, is currently the world's best golfer? Lower your handicap day by day while being entertained!

*Daily Zen Planner and Mindfulness Journal* Anam Cat,2021-09-13 SIX MONTH DAILY PLANNER 180 DAY MINDFULNESS JOURNAL THIS GORGEOUS 286 PAGE UNDATED PLANNER PROVIDES AMPLE SPACE FOR YOUR YEARLY, MONTHLY, WEEKLY, AND DAILY GOALS ALONGSIDE YOUR DAILY SCHEDULE. Each day of the year, you'll be prompted to record your daily intentions, your daily mantra or affirmations, and your daily self-care practices alongside your schedule and to-do list. We've all experienced the end-of-the-year guilt that results from not following through with our goals. We begin the year with the best of intentions, making grand promises to ourselves, but somehow our dreams take a backseat to our daily tasks. Avoid that end-of-the year disappointment by using this daily planner to manage and achieve your most important goals alongside your daily to-do lists. Studies show that on average, 80% of people don't have clear goals; 16% of people have goals, but don't write them down; 3% of people write their goals down but don't revisit them, and only 1% write down their goals and reflect on them daily. That 1% reflects those who actively commit to their success and happiness and THRIVE. The bottom line: Writing things down daily equates to getting things done! This sounds simple, because it is, but its simplicity doesn't negate its power. This gorgeous and inspiring planner has black and white illustrations throughout and will have you feeling motivated to plan each day with mindful attention. It's an invaluable gift to Self and makes a fabulously thoughtful gift for a friend. Commit to your happiness and success.
