Design Doubles Toby Roxane Barna,2018-09-14 A gorgeous color or texture pattern beckons to a designer to try it out in different ways. Should it be used for a hat, a sweater, a cape? In this book, designer Toby Roxane Barna allowed her imagination to explore the variations and came up with pairs of designs—a sweater and a shawl—sharing at least one similar design element. For example, a lace pattern from a shawl may be used to form the yoke of a sweater or a button band and hem on a cardigan. An expert in using color to maximize the “wow” factor, Toby has outdone herself with this exquisite pattern collection.
