

Zeus Ball

Alfred Ernest Crawley

Olympus, Indiana Mike Ball, 2015-04-28 After losing virtually all their Powers and dozing off for 1,700 years, the Greek Gods wake up in a small middle-American town. They find themselves the owner-operators of the Delphi, a musty old hotel with a locally popular bar and a (go figure) Greek Restaurant. As they struggle to regain control of the universe - or at least the lunch crowd - they can't help re-kindling some ancient feuds. Award-winning humorist Mike Ball takes us on a hilarious trip to a place called Olympus, Indiana, where we discover a whole new side to the dieties of antiquity, meet some new immortal beings, and learn the ultimate power of bubbles and sidewalk chalk.

Hyperion and the Great Balls of Fire Joan Holub, Suzanne Williams, 2013-08-06 A searing heat wave induced by the rule of Hyperion compels Zeus, Poseidon and Hades to search for answers about why the titan is overheating the world, a mystery that is complicated by their continuing efforts to rescue Hera and outmaneuver the minions of their nemesis, Cronus. Simultaneous.

Professor Baseball Edwin Amenta, 2008-09-15 It happens every summer: packs of beer-bellied men with gloves and aluminum bats, putting their middle-aged bodies to the test on the softball diamond. For some, this yearly ritual is driven by a simple desire to enjoy a good ballgame; for others, it's a way to forge friendships—and rivalries. But for one short, wild-haired, bespectacled professor, playing softball in New York's Central Park means a whole lot more. It's one last chance to heal the nagging wounds of Little League trauma before the rust of decline and the relentless responsibilities of fatherhood set in. Professor Baseball is the coming-of-middle-age story of New York University professor and Little League benchwarmer Edwin Amenta. As rookie manager of the Performing Arts Softball League's doormat Sharkeys, he reverses softball's usual brawn-over-brains formula. He coaxes his skeptical teammates to follow his sabermetric and sociological approach, based equally on Bill James and Max Weber, which in the heady days of early success he dubs "Eddy Ball." But Amenta soon learns that his teammates' attachments to favorite positions and time-honored (if ineffective) strategies are hard to break—especially when the team begins losing. And though he rejects the baseball-as-life metaphor, life keeps intruding on his softball season. Amenta here comes to grips with the humiliation of assisted reproduction, suffers mysterious ailments, and finds himself lingering at the sponsor's bar, while his partner, a beautiful but baseball-challenged professor, second-guesses his book in the making. Can he turn his team—and his life—around? Packed with colorful personalities, dramatic games, and the bustle of New York life, Professor Baseball will charm anyone who has ever root, root, rooted for the underdog.

Zeus George O'Connor, 2010-01-05 Tells the story of Zeus and his battle with his father, Kronos, and the Titans. In graphic novel format.

Man Versus Ball Jon Hart, 2013-05-31 Jon Hart is not a professional athlete. His one major sports victory is a world championship in roller basketball, which is basketball on in-line skates. More than ten years ago, he started pursuing his own bucket list and embarked on a hilarious and insightful journey into the furthest reaches of the sports world.

The Hellenistic Aesthetic Barbara Hughes Fowler, 1989 Fowler's . . . own insights are apparent throughout, and they seem to distill the personal appreciation and understanding of a scholar who has devoted much of her career to both contemplating and enjoying Hellenistic poetry. . . . [This book] would make an excellent background text for courses in later Greek and Roman art, and it can be read with profit by anyone interested in exploring the character of Hellenistic culture.—J. J. Pollitt, *American Journal of Archaeology* Outstanding is the range of examples discussed both in poetry and art. Theocritus, Callimachus, Appolonius, the epigrammatists, and others—that is, the major figures of the time—are considered at length and in several different contexts. Passages are quoted in the original Greek, translated, and analyzed. Fowler's sensitivity to poetic forms, evident in her other published writings, is again evident here. In addition, however, the philosophical context is not overlooked. . . . Also highly commendable are the liberal references to works of art. Sculpture in the round and in relief, portraits, terracotta figurines, original paintings (grave stelai) and

Campanian murals, mosaics, gold and silver vessels, and jewelry are introduced at various points. Every work of art discussed is illustrated in astonishingly clear photographs, which are interspersed in the body of the text.--Christine Mitchell Havelock *The Hellenistic Aesthetic* provides classicists with their first thorough discussion of the aesthetic unity found in Hellenistic art and literature. . . . Fowler examines parallels both in subject matter and in artistic approach among a diverse group of literary genres and artistic forms. In twelve chapters, *The Hellenistic Aesthetic* surveys Alexandrian epigrams, pastorals, epics, sculptural groups, mosaics, paintings, and jewelry to supply a convincing, and frequently unexpected, picture of a unified aesthetic vision.--Jeffrey Buller, *Classical Outlook*

The Inevitable War Grant Ayers,2021-10-06 *The Inevitable War: The Godslayer Book 1* by Grant Ayers As the master of the gold enchantment and the second son of King Ri of the War Clan, the mighty Doentas spends his days fighting, drinking, and training with his friends. His world shatters one day when he learns that his father and brother, Ceart, heir to the throne, have died in battle. Now the rightful king of the War Clan, Doentas must face a challenge to his throne as the other clans take advantage of the inexperienced king. As the clans settle their differences, a new threat arises from the heavens that threatens all of humanity. *The Inevitable War* shows how a man, newly bestowed with the burdens of leadership, tackles his fears and takes on incredible obstacles for his family, his friends, and his people.

The Book of the Ball Alfred Ernest Crawley,1913

Zeus Grants Stupid Wishes Cory O'Brien,2013-03-05 From the creator of *Myths Retold* comes a hilarious collection of Greek, Norse, Chinese and even Sumerian myths retold in their purest, bawdiest forms! All our lives, we've been fed watered-down, PC versions of the classic myths. In reality, mythology is more screwed up than a schizophrenic shaman doing hits of unidentified...wait, it all makes sense now. In *Zeus Grants Stupid Wishes*, Cory O'Brien, creator of *Myths RETOLD!*, sets the stories straight. These are rude, crude, totally sacred texts told the way they were meant to be told: loudly, and with lots of four-letter words. Did you know? Cronus liked to eat babies. Narcissus probably should have just learned to masturbate. Odin got construction discounts with bestiality. Isis had bad taste in jewelry. Ganesh was the very definition of an unplanned pregnancy. And Abraham was totally cool about stabbing his kid in the face. Still skeptical? Here are a few more gems to consider: • Zeus once stuffed an unborn fetus inside his thigh to save its life after he exploded its mother by being too good in bed. • The entire Egyptian universe was saved because Sekhmet just got too hammered to keep murdering everyone. • The Hindu universe is run by a married couple who only stop murdering in order to throw sweet dance parties...on the corpses of their enemies. • The Norse goddess Freyja once consented to a four-dwarf gangbang in exchange for one shiny necklace. And there's more dysfunctional goodness where that came from.

Abused Bodies in Roman Epic Andrew M. McClellan,2019-07-11 The first full study of corpse mistreatment and funeral violation in Greco-Roman epic poetry, illuminating many major texts.

Travis and Friends Jacob Infante,2011-02-18

Next In Line Abdul Samad,2017-12-15 A urban fantasy shedding a meticulous light on the love and bond between 2 brothers. Their separation at teenage hood fueled their thirst for eachother's uniting. When the older one calls in an owed favor from the younger one the two boys takes their father's vision far beyond what was ever foreseen. Please leave a review after reading.

A Commentary on Apollonius Rhodius Argonautica III, 1-471 Malcolm Campbell,2018-07-17 This is a commentary on the third book of Apollonius' *Argonautica*, one of the most influential and admired products of the Hellenistic era. The author sets out to deal comprehensively with all important aspects of the work; in particular, proper attention is paid for the first time to the poet's constant manipulation of the two Homeric epics; many thorny problems of text and interpretation are examined afresh; and a wealth of hitherto unadduced illustrative material drawn from Greek and

Roman poetry of various genres and periods is used to shed light on a number of issues. The volume closes with a series of detailed digressive indexes dealing with diction, models and imitations, language and style, metre, transmission, mythology, religion, geography, ethnography and aetiology.

Ehtaria Barbara Woster,2018-07-18 Do you every wonder where your pets go when you let them out to play? Find out with your host, Felicia Feline. Join Felicia and her friends on the adventure of a lifetime. A first chapter book for ages 6 and up.

The League of Kronos Swapnil J Patil,2021-07-19 Chris Janson is a rather aloof and lonely child in Greece. His life, being seriously painful, takes an unexpected turn when he is bestowed with his new friends. His friends are not who they seem to be and take Chris to a competition, a very deadly competition. Namely - it's the League of Kronos. Along with this competition, various peculiar things are going on, which could mean the end of the world. Will Chris be able to survive the championship and save the world?

Zeus, Dog of Chaos Kristin O'Donnell Tubb,2020-06-02 Kristin O'Donnell Tubb, the award-winning author of A Dog Like Daisy, delivers another heartwarming must-read middle grade novel for dog lovers. Equal parts funny and poignant, this book from the point of view of the service dog, Zeus, is perfect for fans of Max and A Dog Called Homeless. Zeus comes from a long line of heroic dogs, and he dreams of glory as a K9 commander. But he receives a much more dangerous assignment—middle school! And as all good service dogs know, the only way to get through hostile territory is by being invisible. Zeus's new human, Madden, is diabetic, and he wants to be invisible, too. That's hard to do with a huge German Shepherd at his side to alert him when his blood sugar drops. And it's even harder because Madden makes this noise called music that draws attention. Zeus's mission becomes clear: he must destroy music. While Zeus's training prepared him for his most important job—keeping Madden safe—he discovers the human world is complicated. As Madden dreams of winning the state band competition and tries to reconnect with his mom, the lieutenant, Zeus must learn that, sometimes, you need to stand out to fulfill your duty.

Hyperion and the Great Balls of Fire Joan Holub,Suzanne Williams,2013-08-06 The action heats up for Zeus and his fellow Olympians in this blazing Heroes in Training tale. Phew, it's hot! Under the titan Hyperion's rule, the sun is burning even brighter than normal and scorching everything in northern Greece—including the villagers! The Olympians are forced to play a sizzling "game" of Dodge the Sunbursts as Hyperion hurls giant fireballs that could fry them to pieces! Armed with some clues, Zeus, Poseidon, and Hades set out to figure out why in the world Hyperion has been making things so hot. They also need to rescue Hera, who is still missing. Battling the extreme heat—and some fantastical and scary creatures, courtesy of their old foe Cronus—the boys are off on another epic adventure...and Zeus is one step closer to discovering his destiny.

Weaponized Human J.S. Morin,2017-06-27 The greatest threat to humanity might be one of their own. Eve has responsibilities now. As chairwoman of the Human Welfare Committee, she is humanity's voice in a world run by robots. Her job includes approving geneticists who want to engage in ethical human cloning as well as overseeing the agency that hunts down threats to mankind. So when one of her sisters vanishes, Eve can't afford to abandon her post to personally search. Eve's agents hunt for her missing sister, but in the process, they run afoul of some influential robots. Their brutish, invasive interviews, veiled threats, and hacking threaten to bring down the wrath of more powerful committees, potentially shutting down the entire Human Protection Agency. With her agents pulled out of the field, Eve faces a crisis. Can she follow the rules of a robotic world, even if it might cost her sister's life? Weaponized Human is the third book in the Project Transhuman series. For fans of old-school science fiction where robots are people and any problem can be solved (or created) with enough scientists. If you've ever wondered what the world would be like if

scientists who'd read I, Robot created a race of robots, or if you ever wondered what might be more dangerous to clone than dinosaurs, this is the series for you.

The Adventures of Princess the Staffy Dog S P Ireland, 2021-11-18 Princess and her friends face adventures along the way. They come up against the evil witch Dotty and her staffy dog called Zeus. Princess wears a magic collar which releases a butterfly in times of trouble which enables Princess to fight the evil and save her good friends. Eventually when all six butterflies on her collar are released the true power of the spirit dog is revealed which banishes all evil.

Yeah, reviewing a books **Zeus Ball** could accumulate your near connections listings. This is just one of the solutions for you to be successful. As understood, talent does not recommend that you have fabulous points.

Comprehending as skillfully as concord even more than additional will have the funds for each success. next-door to, the statement as competently as sharpness of this Zeus Ball can be taken as well as picked to act.
