Drawing exclusively on photos in the Marley family archives, the book mixes the iconic and the intimate, bringing together striking images of Marley as a performer onstage with unseen glimpses into his creative process in and out of the studio and his family life in Jamaica. Making the most of its oversize pages, the book is designed as a monument to his influence. Focusing on the last decade of his life--the period of his greatest worldwide fame--and with excerpts from unpublished interviews and prophetic quotes alongside the images, this is a definitive portrait of one of the great artists of the twentieth century made by those who knew him best.
