*Twelve Years a Slave* Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US,on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

**New Korean Cinema** Chi-Yun Shin,Julian Stringer,2005-09 Korean film has been heralded as the “newest tiger” of Asian cinema. In the past year, South Korea became one of the only countries in the world in which local films outsold Hollywood films, and Korean director Park Chan-wook was awarded the Grand Prix at Cannes. New Korean Cinema provides a comprehensive overview of the production, circulation, and reception of this vibrant cinema, which has begun to flourish again in the past decade, following the lifting of repressive government policies. In addition to providing a cultural, historical, and social context for understanding this burgeoning cinema, the book considers the political economy of South Korea's film industry, strategies of domestic and international distribution and marketing, and the consumption of Korean films throughout the world. The volume also includes a glossary of key terms and a bibliography of works on Korean cinema. New Korean Cinema gathers prominent critics from North America, Asia, and Europe to make sense of this exploding film industry. This book is essential reading for anyone seeking to understand the complex roles played by national and regional cinemas in a global age.

**Strategic Dreams** Robin Bush,2020-11-09 Not everyone has a dream, but everyone who has a dream wants to know what it means! This book helps you get to the meaning in a way that has YOUR signature on it. Many dreams are personal and have their own signature, a language all its own. Find your signature and find out what your dreams are saying to you. This book is simple in nature but powerful in application. It is designed to take with you and refer to when you need it. To guide you into that meaning and interpretation in a way that cause you to know you are doing all you can do to get to the right road, to be the best you can be! Jesus said to his disciples at times, “It is I, be not afraid.” Sometimes dreams can be intimidating, this book breaks things down in an everyday way so you can hear what the message is, what God is saying. Genesis 40:8 says God is the interpreter of dreams, but He uses man to convey what He is saying. In a world of increasing dreams and visions I pray this book inspires you to dig a little deeper to find the meaning of your dreams.

It examines topics including offshore wind turbines, floating offshore wind platforms, mooring and anchoring, as well as offshore electrical systems.
