Matt McClelland

Beta Test Eric Griffith, 2011-12 PUBLISHERS WEEKLY: An unusually lighthearted apocalyptic tale. Sam Terra is having a bad week. He lost Molly, the woman he secretly loves, when she vanished before his eyes at the exact same time that ten percent of the inhabitants of Earth disappeared. Naturally upset, Sam follows clues about the global vanishing with questionable help from his friends including a misanthropic co-worker and a childhood pal. When Molly reappears in the body of a man during a night of monster-laden devastation, Sam finally learns the truth. Not just about her, but about the planet Earth and the entire cosmos surrounding it. What we consider mundane reality, others consider a game . . . and not a very good one. The whole thing is about to be shut down.

The Great North Walk Matt McClelland, 2012 The 250-kilometre Great North Walk winds its way from Central Sydney to Newcastle, threading through some of the most beautiful areas in between those two cities. This new guide has been written for anyone looking to tackle all or part of the route as a multi-day holiday, or those who want to dip in and experience particular sections as day
