**Ask a Manager** Alison Green,2018-05-01 From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

**The Scent of You** Maggie Alderson, 2017-04-01 Perfume blogger Polly is in crisis. Will her husband's absence break her ... or make her? A novel of perfumes, exploring life, love, loss and forgiveness -- Maggie Alderson's new bestseller. 'Delicious and delightful in every way' Daily Mail Are you still married if you haven't seen your husband for months? Polly's life is great. Her children are away at uni, her glamorous mother -- still modelling at eighty-five -- is happily settled in a retirement village, and her perfume blog is taking off. Then her husband announces he needs some space and promptly vanishes. As Polly grapples with her bewildering situation, she clings to a few new friends to keep her going -- Shirlee, the loudmouthed yoga student; Guy, the mysterious, infuriating and hugely talented perfumer; and Edward, an old flame from university. And while she distracts herself with the heady world of luxury perfume, Polly knows she can't keep reality at bay forever. Eventually she is forced to confront some difficult truths: about her husband, herself and who she really wants to be. **"Twice the Thrills! Twice the Chills!"** Bryan Senn, 2019-03-05 In the mid-1950s, to combat declining theater attendance, film distributors began releasing pre-packaged genre double-bills-- including many horror and science fiction double features. Though many of these films were low-budget and low-end, others, such as *Invasion of the Body Snatchers*, *Horror of Dracula* and *The Fly*, became bona fide classics. Beginning with Universal-International's 1955 pairing of *Revenge of the Creature* and *Cult of the Cobra*, 147 officially sanctioned horror and sci-fi double-bills were released over a 20-year period. This book presents these double features year-by-year, and includes production details, historical notes, and critical commentary for each film.

—Jonathan Haidt, author of *The Righteous Mind* National Bestseller Winner of the Outstanding Works of Literature (OWL) Award Included in the Top 5 Best Personal Development Books of the Year by Audible Included in the Top 20 Best Business and Leadership Books of the Year by Amazon Featured in The Amazon Book Review Newsletter, January 2020 Goodreads Best Science & Technology of 2019 Finalist You sit down at your desk to work on an important project, but a notification on your phone interrupts your morning. Later, as you're about to get back to work, a colleague taps you on the shoulder to chat. At home, screens get in the way of quality time with your family. Another day goes by, and once again, your most important personal and professional goals are put on hold. What would be possible if you followed through on your best intentions? What could you accomplish if you could stay focused? What if you had the power to become undistractable? International bestselling author, former Stanford lecturer, and behavioral design expert, Nir Eyal, wrote *Silicon Valley's* handbook for making technology habit-forming. Five years after publishing *Hooked*, Eyal reveals distraction's Achilles' heel in his groundbreaking new book. In *Undistractable*, Eyal reveals the hidden psychology driving us to distraction. He describes why solving the problem is not as simple as swearing off our devices: Abstinence is impractical and often makes us want more. Eyal lays bare the secret of finally doing what you say you will do with a four-step, research-backed model. *Undistractable* reveals the key to getting the best out of technology, without letting it get the best of us. Inside, Eyal overturns conventional wisdom and reveals:

- Why distraction at work is a symptom of a dysfunctional company culture—and how to fix it
- What really drives human behavior and why time management is pain management
- Why your relationships (and your sex life) depend on you becoming undistractable
- How to raise undistractable children in an increasingly distracting world

Empowering and optimistic, *Undistractable* provides practical, novel techniques to control your time and attention—helping you live the life you really want.

**The Relive Box and Other Stories** T.C. Boyle, 2017-10-03 While T.C. Boyle is known as one of our greatest American novelists, he is also an acknowledged master of the short story and is perhaps at his funniest, his most moving, and his most surprising in the short form. In *The Relive Box*, Boyle's sharp wit and rich imagination combine with a penetrating social consciousness to produce raucous, poignant, and expansive short stories defined by an inimitable voice. From the collection's title story, featuring a Halcom X1520 Relive Box that allows users to experience anew almost any moment from their past to *The Five-Pound Burrito*, the tale of a man aiming to build the biggest burrito in town, the twelve stories in this collection speak to the humor, the pathos, and the struggle that is part of being human while relishing the whimsy of wordplay and the power of a story well told. In stories that span a variety of styles and genres, Boyle addresses the enduring concerns of the human mind and heart while taking on timely social concerns. *The Relive Box* is an exuberant, linguistically dazzling effort from a vibrant sensibility fully engaged with American society.
