

# Zombies Vs Presidents

Neil A. Cohen

**Donald Trump, Zombie Hunter** Charlie Roberts, 2017-04-16 The dead have risen to devour the living...and President Donald Trump is fighting back! It's a blood-soaked, action-packed zombie apocalypse that begins at a rally in Nashville, staggers to the Oval Office and the CDC, and ends in a battle royale at the border wall, as Donald Trump, a brave team of warriors, and a machete that never rests fight a life-or-death war to Make America Human Again! The zombie outbreak begins all over the world at virtually the same moment ... and for President Donald Trump, it begins during a rally in Nashville, Tennessee. He and his Secret Service AIC are forced into hand-to-hand combat with the dead, and barely escape with their lives - and the help of a brave team of commandos led by a Special Forces soldier named Tomlin. These are classic George Romero zombies, except faster and even more angry. And by the time Trump, Agent Diaz, and Tomlin land on the South Lawn of the White House, the world has been lost. They have to fight again - guns and knives vs. the relentless hunger of the walking dead - and actually make it to the Oval Office. They learn just how bad things have become and decide to move their base of operations to the Center for Disease Control in Atlanta ... just as former President Barack Obama arrives. He's already lost his wife, and barely begins to speak before his arm falls off and he transforms into a bloodthirsty zombie right in front of them. President Trump moves fast: He takes a machete from one of the fallen and slices the top off ex-Obama's head, stopping the Presidential zombie forever and revealing an evil little worm-thing that has eaten his brain. Is that the source of the rising dead ... or has it been there much longer? Within moments, Trump and his team - including the beautiful and mysterious blonde Stacey Chase - fight their way back out of the Oval Office to the chopper and rush to the CDC. Communications indicate it's still safe, but they land on the wrong building at the worst possible time to find that the Center has only just fallen. The Undead attack; they lose the chopper, and Trump and his shrinking team of survivors have to fight their way down ten flights of stairs, past ravenous zombies and crazed humans, just to escape in an Army MRAP. They lose the intriguing Stacey Chase even as she unlocks the vehicle that allows them to flee ... to their final destination: the Border Wall. When Trump and his battle-hardened crew reach the huge and still secure construction site in Sierra Blanca, East Texas, they have to fight through mobs of zombie protesters, zombie media people, and zombie construction workers to reach true safety. They even have to use a massive bulldozer to haul away tons of the walking dead in a final battle royale. But they make it. And Trump is able to tap into what remains of the worldwide communications network, reach out to the survivors and heroes who still exist across a zombie-infected world, and tell them there is still hope. That together, they can re-take their country. They can Make America Human Again!

**The Undead President Starring Ronald Reagan in the Role of an Afterlifetime** Gregory GOrDon, 2007-04 Ronald Reagan former president of the United States is dead. Yet as of now Ronald Reagan is not a Dead President (on money with an image of a dead president) By 2016 all presidents who are already dead will be Dead Presidents with their picture on a one dollar coin. Ronald Reagan: the anti-CHrist is president of the Undead. (Zombies who live forever) Once you use or accept a dollar coin with his image you will become undead and burn in the lake of fire and brimstone forever and ever. (Rev 13:15-18, 14:9-11) Therefore if you value your eternal life help me make sure Reagan remains an Undead President. This short 84 page book works us through this complicated scenario and ends with a suggestion on how to avoid becoming one of the Undead.

**Zombie George Washington** Blain Hislop, G. B. Banks, 2013-09 World War Z meets Olympus Has Fallen... He was the first President of the United States Now he may also be the last... When the resurrected general George Washington discovers the corruption now ruling the US government, he vows to do

something about it. So President Washington wages war on the nation's capitol...with an army of zombie soldiers at his back.

**Zombie Democracy** Neil A. Cohen,2018-11-02 In Exit Zero, the first book of the Exit Zero Zombie trilogy, we witnessed the first 48 hours of the zombie apocalypse as it begins in New Jersey. In the second book, Nuke Jersey, the Garden State is sealed off as a giant quarantine zone in an attempt to contain the Skell virus. The newly sworn in President chooses to lead the fractured country from Cape May. New threats and mutations emerge as the Skell virus grows strong, but is it Jersey Strong? Zombie Democracy is the final book in the trilogy. The Skell virus has now spread nationwide, and the public has demanded an election be held between two rivals, the current President and his challenger, a smooth-tweeting cyber-terrorist. And who are the Virus Infected Non-Necrotic Individuals, or VINNI's, and why are they both sought after and feared? There has never been an election season as crazy as Zombie Democracy.

**Zombie-in-Chief: Eater of the Free World** Scott Kenemore,2017-08-15 Bestselling author Scott Kenemore is back with a hilarious, over-the-top, and bloodthirsty send-up of the 2016 political season. In the tradition of Joe Klein's Primary Colors and Richard Condon's The Manchurian Candidate, *Zombie-in-Chief: Eater of the Free World* is a compelling and dramatic story with characters and events that may resemble familiar, real-life elections a little too closely! After all, who better to perform an autopsy of the American political system than an expert on the undead? When a tycoon and reality TV star improbably wins his party's nomination for the presidency, pundits and analysts are as baffled as they are certain that he will never win the general election. What can a man who already lives at the top of a golden skyscraper with a supermodel wife still want? Absent entirely from their prognostications is the possibility that it could be to gorge upon the brains of the living! That he dreams of building a border wall to better keep delicious humans in! That he seeks to make American great again. . . for zombies! Only an unlikely journalistic partnership between a reporter fresh from J-school and a blogger who is derided and dismissed as fake news seems to have any chance of derailing the tycoon's plans and exposing him as a member of the walking dead. Yet a terrifying question still remains. . . In a nation divided along political lines as never before, will such a revelation change anything? Or will a candidate revealed to be a proud Zombie American simply be another stepping stone on a historic (and not-so-above-board) journey to the presidency?

**Zombie President** Kristan Ginther,Daniel Cubias,2017-03-20 A defeated presidential candidate comes back from the dead to take the White House by force - and to win the country's heart in the process. Samuel Tilden never won the presidency when he was alive, but now that he's a rampaging ghoul, the American people are enthralled with the power and tenacity of his undead army. Fawning media coverage ensures that the zombies' bloody march to Washington D.C. goes unchecked. Meanwhile, an ambitious television reporter, a small-town sheriff, and scientist with a dark secret join forces with a trio of backbiting teenagers to fight for their country. *Zombie President* is a black comedy about the twisted conflux of politics, journalism, and American culture... and getting the kind of leaders that we deserve.

**Trump** Alfred Pérez,Various,2018 Comrades... in arms, we present you with the biggest, the most giant, massive, beautiful, biggest-ever-in-our-country collection of Trump titles to grace the comic store and bookstore shelves. You have zombies, you have Lincoln-who was a Republican, not many people know that - you have superhumans... it has everything. It's going to be so great, and getting a copy will be so easy, believe us. Collects *President Evil*, *Trump Vs. Time* *Lincoln*, and *The Tremendous Trump*.

**Trump of the Dead** Anthony Giangregorio,2021 Donald J. Trump had it all. He was President of the United States, had millions of followers who loved him, a beautiful wife, his third so far, and a bunch of kids. He was on the path

for a second term in office as well, the economy stronger than ever before, all but guaranteeing his re-election. But then something happened that screwed up all his plans for the future. Covid-19, a novel coronavirus, overwhelmed America and the world, a chilling plague sweeping from country to country. And if that wasn't enough to test even the greatest President to hold the office of Commander in Chief, the dead began to walk! Separated from everyone he knew, alone in a world of living dead, Number 45 will have to do what he must to survive. But there's no more Twitter, Facebook or Fox News to get his message out, no more rallies to churn his people's support, now, all he has is his wits and his determination to never give up. But that's all Trump needs. Though America has been plunged into an apocalyptic horror it's never experienced before, it's still not too late to MAKE AMERICA GREAT AGAIN! Trump did it once, he can do it again. One zombie at a time.

**President Zombie** Kevin Mooseles, 2017-11-13 Over just a few short days, a zombie virus has killed and risen one-third of the world's population. One of the undead is unique among the rest. His eyes glow with a green light. His consciousness is fully present, but he cannot speak. What sets him apart is a supposed cure for the virus that he took just before his death, but it did not work as promised. This man is President Adam Chambers. He knows that while his fellow zombies pay him no mind, any human he encounters will try to

put him down for good. Will he keep his head out the crosshairs long enough to regain his ability to speak? Will he establish peaceful contact with the living and continue his quest to bring those responsible for the zombie virus to justice? While the President journeys on his missions, the group of Reggie, Patrick, Kayla, Dez, and Bethany continue their journey of trying to stay alive and apply their years of movie watching and gaming in zombie scenarios to the actual zombie apocalypse. Not everyone they encounter, however, is as eager to unite and help humanity survive as they are.

*Close Calls* Michael P. Spradlin, 2020-01-14 Historians tell the stories of tragic and untimely presidential deaths, but often forgotten are the near misses. JFK and his fellow servicemen spent six days on a desert island with only coconuts to eat after a deadly attack during WWII. Abe Lincoln was forced to take a train trip in disguise while America's first female detective worked to foil an early assassination attempt. And when Andrew Jackson was attacked by an upset citizen who had been stalking him for months, frontiersman Davey Crockett was the one to save him. With pacy, immediate writing and including supplemental archival photographs and archival materials, this book chronicles thrilling undertold stories of U.S. presidents' moments of bravery.

*Cat-Boy Vs. the White House* Michael Morgan, 2017-07-17 The world has suddenly gone crazy. Not only are the citizens of Glendale, Arizona, in danger this time, it's the entire country. Cat-Boy travels to Washington, DC, to rescue the president of the United States but somehow loses the Game-Cat and the president! Everyone at Team-Cat HQ and Storage Unit 0.9 are furious with him. General Joe certainly has his hands full as he tries to regain control of an uncontrollable situation in which he battles the military, the Secret Service, rogue superheroes, mind-controlled zombies, the Game-Cat, and the very dangerous space-alien president. It doesn't look like Joe is going to make it to Hawaii anytime soon. PS Be sure to read the exciting short story of Janetic and Cat-Boys Wedding Day.

**Zombie, the Cat, and Barack Obama** Christopher Antony Meade, 2012-09-18 What have Barack Obama, Queen Elizabeth II and the Three Little Pigs got in common? They are all characters in this hilarious horror/political satire. You will never look at President Obama the same way again, after reading about his embarrassing, (but very funny), secret. There have been many conspiracy theories about the origins and ancestry of Barack Obama. Some are just plain ridiculous. Perhaps the real Obama story is being revealed here? It can scarcely be more far-fetched than some of the e;origins of Baracke; myths and, if the comments of the many amused readers are anything to go by, a lot more entertaining. If you want to see how a comic/horror zombie story can morph into an outrageously funny satire on conspiracy theories, e;The Zombie, the Cat, and Barack Obamae; is the book you need to read. Check out these comments by happy readers. Kitty Muse Book Reviews.e;The way that all of these characters are intertwined is a path even Alice of Wonderland fame would have fun treading. I hope Mr. Meade continues writing in this vein-he is a comic genius.e;Betsy Ashtone;This slim volume packs more irony, humor and improbable relationships into fewer than 100 pages than any fiction writer I've read. At least I think he's written fiction. Read it. Enjoy it. Laugh out loud. Think. You won't be disappointed.e;Viv Drewa.I had no idea this novel by Christopher Anthony Meade was going to be so hilarious!e;I couldn't imagine a zombie, cat and Barack Obama, and several other entities could be woven into such a magnificent and entertaining novel.e;Bobbi Lerman.e;Part satire, part horror story, part conspiracy story, and part comedy, The Zombie, The cat and Barack Obama is absolutely a non-stop laugh riot! If writer Christopher Meade is looking for a second occupation, I would suggest stand up comic! He would be stellar.e;Tickle your funnybone by downloading and reading this hilarious satire today.
