International Trade Statistics Yearbook 2014. Volume 2

United Nations Department of Economic and Social Affairs,2015-12-31 This volume contains detailed tables showing international trade for 258 individual commodities and eleven world trade tables covering trade values and indices up to 2014. The information is based on data provided by approximately 175 countries (areas), representing more than 90% of world trade in 2014. In contrast to prior editions, this volume includes integrated presentation of international merchandise trade, and trade in services. The publication is aimed at both specialist trade data users and a common audience. Data, charts and analyses will benefit policymakers, governments, NGOs, civil society, journalists, academics, students and businesses. Information is presented in a way that can be comprehended by non-experts.
