**More Than a Hobby** David Green,2010-07-26 The retail industry has undergone enormous changes during the last thirty years. But there is one retailer that not only has remained consistent in the fluctuating?even tenuous?market, but also has grown in the process. More Than a Hobby takes you inside the story of David Green, the man who built the phenomenal success of Hobby Lobby. Green went beyond surviving in a competitive retail market to thriving, ultimately expanding his \$600 start-up company into a \$1.3 billion per-year enterprise. Green's incredible accomplishments were based not on business-school theory but on his grassroots experiences as a store manager and his creative application of cutting edge ideas, including: Allow managers to spend no more than thirty minutes per day on paperwork Instead of paying a middleman, assemble as much of the product as possible in-house Give buyers the freedom to purchase without restraint—but within the realm of common sense Keep God and family first More Than a Hobby is a practical field manual, filled with revolutionary ideas for all those who dream of success in the world of retail business.

**Hobby Ideas To Cure Boredom** Shea McCullan,2021-08-14 There are many advantages to having a diversion in your life. A hobby gives you time to relax, which can, in turn, reduce your stress level. A physical one involves exercise that will release endorphins to boost your mood and mental faculties. It can also help you find new skills and uncover hidden talents. Many times we are bored because we have become too inactive. If this is your problem, you might like a sports hobby. Have you ever tried tennis? How about golf? Many people love bowling until it becomes an integral part of their lives. Sports hobbies get you out of the house and often are a way to make friends with others. Then again, some active pursuits can be enjoyed in our own homes, such as weight lifting and doing aerobic dance to a video. This ebook reveals everything you need to know.

More Than a Hobby David Green,Dean Merrill,2005 More than a Hobby takes readers inside the mind of a low-key, likable Oklahoma entrepreneur who has created a unique shopping experience. How did his company go from a \$600 loan to \$1.3 billion in annual sales in just thirty-one years-especially when he wasn't groomed for this work either by heritage or by education? Green was willing to go against the tide, allowing faith to play a huge part in the business. More Than a Hobby describes how this wildly successful business was built not on business-school theory, but on the founder's own experience as a grassroots store manager.
