The Code of Canon Law ,1985

Travesty Generator Lillian-Yvonne Bertram,2019 The majority of the poems in this book were drafted using computer coding and programming, mostly Python and JavaScript but also Perl--Page 76.

The Book of Formation Ross Simonini,2017 This debut novel--told in interviews--spans 20 years in the rise and fall of the charismatic leader of a seductive self-help movement. In the 1990s, a talk show host leads the personality movement, an integrative approach to radical self-transformation. Mayah, the movement's architect and celebrity advocate, adopts a curious, wild child named Masha Isle. A guinea-pig for the movement, and the key to its future, Isle is the subject of the eight interviews that comprise this book. As the interviewer's objectivity disintegrates--even as the movement's legitimacy becomes increasingly suspect--he becomes obsessed with Masha. And all of that is thrown into question when tragedy strikes. The stunning debut of a new literary talent, and a fascinating take on the cult of personality: about celebrities need to destroy and recreate themselves to stay relevant, public personalities coming to belong to everyone, and about our need to see everyone as a kind of celebrity.

Unequal Affections Lara S. Ormiston,2014-01-07 When Elizabeth Bennet first knew Mr. Darcy, she despised him and was sure he felt the same. Angered by his pride and reserve, influenced by the lies of the charming Mr. Wickham, she never troubled herself to believe he was anything other than the worst of men—until, one day, he unexpectedly proposed. Mr. Darcy’s passionate avowal of love causes Elizabeth to reevaluate everything she thought she knew about him. What she knows is that he is rich, handsome, clever, and very much in love with her. She, on the other hand, is poor, and can expect a future of increasing poverty if she does not marry. The incentives for her to accept him are strong, but she is honest enough to tell him that she does not return his affections. He says he can accept that—but will either of them ever be truly happy in a relationship of unequal affection? Diverging from Jane Austen’s classic novel Pride and Prejudice at the proposal in the Hunsford parsonage, this story explores the kind of man Darcy is, even before his “proper humbling,” and how such a man, so full of pride, so much in love, might have behaved had Elizabeth chosen to accept his original proposal.
