📖 **UNEQUAL AFFECTIONS** LARA S. ORMISTON,2014-01-07 When Elizabeth Bennet first knew Mr. Darcy, she despised him and was sure he felt the same. Angered by his pride and reserve, influenced by the lies of the charming Mr. Wickham, she never troubled herself to believe he was anything other than the worst of men—until, one day, he unexpectedly proposed. Mr. Darcy’s passionate avowal of love causes Elizabeth to reevaluate everything she thought she knew about him. What she knows is that he is rich, handsome, clever, and very much in love with her. She, on the other hand, is poor, and can expect a future of increasing poverty if she does not marry. The incentives for her to accept him are strong, but she is honest enough to tell him that she does not return his affections. He says he can accept that—but will either of them ever be truly happy in a relationship of unequal affection? Diverging from Jane Austen’s classic novel Pride and Prejudice at the proposal in the Hunsford parsonage, this story explores the kind of man Darcy is, even before his “proper humbling,” and how such a man, so full of pride, so much in love, might have behaved had Elizabeth chosen to accept his original proposal.

Today’s children live in a culturally diverse and constantly changing digital world. New digital media is created every day but librarians and other educators need help in evaluating cultural content in digital apps, determining whether they send appropriate social messages to children, and learning how to use them in library programs that promote cultural competence. Diversity Programming for Digital Youth: Promoting Cultural Competence in the Children’s Library provides just the help that is needed. This resource is the only one to examine the role of culturally diverse digital media and how it can be used with children’s books to promote cultural competence in the library. It provides annotated lists of digital media paired with culturally diverse literature to offer librarians and educators a springboard for creating enriching, engaging, and culturally relevant programs for children from diverse backgrounds. The sample digital storytime programs celebrating diverse cultures will benefit busy librarians looking for ways to engage reluctant readers in library storytimes.

📖 **THE GROWING SEASON** CAROL LYNN PEARSON,1976

📖 *Let the Dog Drive* David Bowman, 1994 A New York Times Notable Book, this madcap odyssey tells of a hitchhiker of strange origin and a frenetic red-headed Detroit housewife as they experience it all--from tainted hallucinatory cacti in Texas to gunplay with Iranian terrorists in Coney Island. A free-wheeling tale with sharp-edged wit and brilliantly chaotic style.

📖 *The Practical Beekeeper* Michael Bush, 2011 This book is divided into three volumes and this edition contains all three: : Beginning, Intermediate and Advanced Beekeeping Naturally. This book is about how to keep bees in a natural and practical system where they do not require treatments for pests and diseases and only minimal interventions. It is also about simple practical beekeeping. It is about reducing your work. It is not a mainstream beekeeping book. Many of the concepts are contrary to conventional beekeeping. The techniques presented here are streamlined through decades of experimentation, adjustments and simplification. The content was written and then refined from responding to questions on bee forums over the years so it is tailored to the questions that beekeepers, new and experienced, have. Also available in German and Spanish.
