The Faith of Ashish Kay Marshall Strom,2011 Virat and Latha are Untouchables, but when their young son, Ashish, becomes ill they are in need of a doctor, and with the help of a British nurse, Virat defies the caste system to save his son.

Blessings in India Bundle, Faith of Ashish, Hope of Shridula & Love of Divena - eBook [ePub] Kay Marshall Strom,2014-02-04 This bundle contains The Faith of Ashish, The Hope of Shridula, and The Love of Divena. The Faith of Ashish Virat and Latha named their son Ashish, for he is the light and glory of their world. Yet a simple drink of water from the wrong cup changes them forever. Virat, Latha, and Ashish are Untouchables in 1905 India, members of a caste who must never contaminate the world of the other, higher, castes. When Ashish is in desperate need of a doctor, Virat risks everything to save his son and ventures into the dangerous realm of the high caste. There, the strength of a father's love, the power of a young British nurse, and the faith of a child change the lives around them. The Hope of Shridula India: 1946. For forty-eight years, Ashish and his family toiled as slaves in the fields of the high-caste Lal family, and all because of one small debt. At fifty-four, Ashish was old and worn out. Every day was a struggle to survive for his family including his only daughter. His wife had named the girl Shridula (Blessings). "Perhaps the name will bring you more fortune than it brought me," Ashish told his daughter. His words proved to be prophetic in ways he could never have imagined. And when the flames of revolt brought independence to India, they seared change into the family of Ashish. The Love of Divena India 1990. Shridula, old and stooped at fifty-nine, makes her painful way to pay homage to the elephant god Ganesh, lord of success and destroyer of evils and obstacles. "Why are we Hindus instead of Christians?" her seventeen-year-old granddaughter Divena asked. "Because we are Indian," said Shridula. So begins a spiritual journey for Divena as she struggles against an entire culture to proclaim a faith close to her heart while rocking the world of two families.

His Furious Grace Ashish Gupta-jee, His Furious Grace isn't necessarily a story about its characters; it's, perhaps, a story about you. The characters are you and all the people you have met along the way in the journey of life, the people you are yet to meet. But, as you begin reading this story, be sure to look within because it writes different versions of you into it. Have you found what you are looking for? Has it found you already? Witness carefully, His Furious Grace!

THE CONTROVERSIAL MAN Ashish Saini,2023-10-09 A super star, no a super-duper star or should I say a super dapper star. Once a broken man, financially emotionally and a few bones physically with a heart (God knows if he has one) which he got broken trillionth zillionth time, to a writer, an entrepreneur, an actor but most importantly a media anchor and an icon to crores of population. He has seen life very closely. Not only his but of others too. He has knowledge about anything and everything to nothing. He has opinion, oh sorry, the right opinion about everything, from their sex lives to their politics, to tell them how to behave on road to how to behave in public to how to raise their children to how to treat women to how government should function to how people should help government to how laws should be explained to people, the list is pretty long but I guess you got the idea but the most

irritating thing is that he somehow he proves it that his opinion is the right one or should I say he picks up the right opinion for himself and then makes the people with the difference of opinion fight on television and shows himself as the almighty . As he says for himself that he is 16 kala Sampoorna i.e., one who is perfect just as the god he is named after KRISHNA. AND NOW A BATTLE AWAITS

SON TO FATHER TO SON Ashish Srivastava,2018-06-02 Can an unkept promise with your son and his questions take you on a roller coaster, fun filled, yet a deep hitting ride? Rajeev is a typical husband, father and son in his personal life. In his professional life he is a typical office goer, a mediocre performer, working hard yet not moving ahead in career. He lives his life by the rules of the jungle, either hunting or dodging an attack. This is the journey of transformation of Rajeev from a hunter to a seeker. His partner in this journey is his father who had given up on him long back. As Rajeev implements the teachings from his father, he encounters very hilarious yet life changing moments. When challenged by his son, Rajeev makes a connection between his current mediocre life, his mediocre grades in school and everything in his life. He remembers that his father used to slap him every time he used to get average marks, urging him to study and be the best. The last that he remembers from his father are the words when he stopped slapping him, "Life does not exist in decimals, it exists as zero or one". This is the story of Rajeev becoming what he was born to be- Rajeev, himself.

Aaran Ashish Dadwal,2021-06-24 Aaran (inner strength), is the first of the series of three stories that I have always had in my mind. There is no greater joy in this life, than bringing thoughts to life. An individual goes through various ups and downs in this beautiful journey. No road is smooth. How we deal with our problems, in professional and personal life, make us who we are. Aaran is a story of an ever smiling ex-army lieutenant, Baldev, who learns life's lessons the hard way. In the struggle to make a normal life for himself, he lost what he loved and found what he never wanted. He prioritizes need over creed, and relations over life itself. Its a story of how he is pulled to the depths of violence, beneath the calm surface of a turbulent city and how he swims out of the it. In this story, everyone is a loser. Only the City wins.

The Unlikely Humanitarian Ashish,2023-12-03 This story of an American soldier starts in The Kyushu Island in Japan right after WWII when a new American Base was set up in Beppu, Oita Prefecture. From the Oita Prefecture in Kyushu in 1945, the narrative travels to Korea during the Korean War and from there to Mindanao, Philippines, and Dandakaranya, India; eventually ending in Austin, Texas in the United States.

Suffering from incurable form of paraphilia from his early years, this guy endeavours to lead a normal life, but would he ever get family support? Would the social system accept his deviation that was created by it?

Art and Aesthetics of Modern Mythopoeia V2 Ritushree Sengupta & Ashish Kumar Gupta,2021-05-15 Human culture has always weaved myths around its pattern of existence for multiple purposes. The interplay of religion and social practices have found their own space within the sphere of mythology. It is possible to read mythical texts to probe into the greater picture of human civilization. The contribution of myths towards the shaping of human beliefs, behavioural patterns are evident and assessing them often reveals a plethora of cultural histories unexplored and therefore unacknowledged before. The contribution of mythopoeia towards the construct of human socio-cultural identity has been largely accepted. Modern academia has thus taken a strong interest in revisionist literature to understand the hitherto unknown nuances of human civilization. In the edited anthology, *Art and Aesthetics of Modern Mythopoeia: Literatures, Myths and Revisionism (Vol-II)*, like the first volume, an attempt has been made to anthologize the works of a large number of authors who have talked about pertinent issues in the context of myth-making, the latent politics of mythopoeia and has taken into account several under-explored texts that are rich in mythical content. This volume offers a wide range of critical studies involving classical as well as modern myths around the globe.

Grace in Africa Bundle, Call of Zulina, Voyage of Promise & Triumph of Grace - eBook [ePub] Kay Marshall Strom,2014-02-04 This bundle contains *The Call of Zulina*, *The Voyage of Promise*, and *The Triumph of Grace*. *The Call of Zulina* Set in 1787 in West Africa, *The Call of Zulina* opens as the scorching harmattan winds blow. Desperate to avoid marriage to an odious suitor, Grace escapes the family compound only to be caught up in a slave revolt at the fortress of Zulina. Soon, she begins to grasp the brutality and ferocity of the family business.

Held for ransom, viciously maimed by a runaway slave, and threatened with death, Grace is finally jerked into reality and comes to sympathize with the plight of the captives. She admires their strength and courage and is genuinely moved by the African Cabeto's passion, determination, and willingness to sacrifice anything, including his own life, for his people's freedom. The Voyage of Promise Slavers burst into Grace Winslow's life with guns blazing and tear her family apart forever. She watches in anguish as her husband is led in chains aboard a tightly packed slave ship bound for America. An old enemy has a more sinister plan for Grace and prepares her for a different kind of servitude in London. But Grace will not be enslaved. And she will not give up on the man she loves. In her determination to be reunited with her husband, she finds God reaching out to her. The Triumph of Grace After learning that her husband, Cabeto, is on a South Carolina plantation, Grace dons a sailor's disguise and boards the only ship headed for America--a detestable slave ship. When her secret is discovered, Grace is locked up in the hold. In South Carolina, Grace is bought immediately, but soon sold to a man who is not a slave keeper. Moved by her story of perseverance and faith, John Hull makes Grace's mission his own. Grace now has a dear brother in Christ to help her, but a restored sense of hope does not mean the path to finding Cabeto will be clear... or free of trouble.

Desire to See Sunrise Again Ashish Vig, 2020-01-21 The man of self-confidence is a master of destiny. He is positive and affirmative. Swami Vivekananda says, "The history of the world is the history of a few men who had faith in themselves. That faith calls out the divinity within. You can do anything. You fail only when you do not strive sufficiently to manifest infinite power. As soon as a man or a nation loses faith, death comes." At another place, he said, "Let people say whatever they like, stick to your own convention, and rest assured, the world will be at your feet. They say, Have faith in this fellow or that fellow, but I say, Have faith in yourself first, that's the way. Have faith in yourself. All power is in you. Be conscious and bring it out. Say, I can do everything."
