Holy Living: Prayer Ray Buckley, 2019-08-20 While physical training has some value, training in holy living is useful for everything. It has promise for this life now and the life to come. (1 Timothy 4:8 CEB) Christians crave a deeper, more intimate relationship with God. The spiritual disciplines are historical practices that can guide us in our daily walk, bringing us closer to Christ. The *Holy Living* series brings a fresh perspective on the spiritual disciplines, enabling us to apply their practices to our current lives. Practicing these spiritual disciplines opens us to God's transforming love. Prayer has always been a central component in the life of a Christian. For many people, prayer is as natural as breathing; for others, it's a challenging task. No matter your comfort level or experience with prayer, this book will help you explore the purpose of prayer, the nature of prayer, and the results of a life of prayer. It leads you to be open to the transformation prayer can bring to your life and helps you better engage in prayer both individually and with others. This is one of series of eight books. Each book in this series introduces a spiritual practice, suggests way of living the practice daily, and provides opportunities to grow personally and in a faith community with others who engage with the practice. Each book consists of an introduction and four chapters and includes questions for personal reflection and group discussion. Other disciplines studied: Celebration, Confession, Discernment, Neighboring, Prayer, Simplicity, Study, and Worship.

**The Virtual Body of Christ in a Suffering World** Deanna A. Thompson, 2016-11-01 We live in a wired world where 24/7 digital connectivity is increasingly the norm. Christian megachurch communities often embrace this reality wholeheartedly while more traditional churches often seem hesitant and overwhelmed by the need for an interactive website, a Facebook page and a twitter feed. This book accepts digital connectivity as our reality, but presents a vision of how faith communities can utilize technology to better be the body of Christ to those who are hurting while also helping followers of Christ think critically about the limits of our digital attachments. This book begins with a conversion story of a non-cell phone owning, non-Facebook using religion professor judgmental of the ability of digital tools to enhance relationships. A stage IV cancer diagnosis later, in the midst of being held up by virtual communities of support, a conversion occurs: this religion professor benefits in embodied ways from virtual sources and wants to convert others to the reality that the body of Christ can and does exist virtually and makes embodied difference in the lives of those who are hurting. The book neither uncritically embraces nor rejects the constant digital connectivity present in our lives. Rather it calls on the church to a) recognize ways in which digital social networks already enact the virtual body of Christ; b) tap into and expand how Christ is being experienced virtually; c) embrace thoughtfully the material effects of our new augmented reality, and c) influence utilization of technology that minimizes distraction and maximizes attentiveness toward God and the world God loves.

*Genesis to Revelation: Mark Participant Book* Orion N. Hutchinson, 2018-03-20 Study the entire book of Mark, starting with the beginning of the Gospel and ending with the movement from darkness to light. Some of the major ideas explored are: the master teacher, the miracle worker, down from the mountain, and the last mile of the way. More than 3.5 million copies of the series have been sold. This revision of the Abingdon classic Genesis to Revelation series is a comprehensive, verse-by-verse, book-by-book study of the Bible based on the NIV. These studies help readers strengthen their understanding and appreciation of the Bible by enabling them to engage the Scripture on three levels: What does the Bible say? Questions to consider while reading the passage for each session. What does the passage mean? Unpacks key verses in the selected passage. How does the Scripture relate to my life? Provides three major ideas that have meaning for our lives today. The meaning of the selected passages is made clear by considering such aspects as ancient customs, locations of places, and the meanings of words. The simple format makes the study easy to use. Updates will include: New cover designs. New interior designs. Leader Guide per matching Participant Book (rather than multiple volumes in one book). Updated to 2011 revision of the New International Version Translation (NIV). Updated references to New Interpreter's Dictionary of the Bible. Biblical chapters on the Table of Contents page beside session titles for at-a-glance overview of biblical structure in most studies. The simple format makes the study easy to use. Each volume is 13 sessions and has a separate leader guide.

**The Method of Our Mission** Prof. Lacey C. Warner, 2014-07-15 Theology shapes who we are and how we organize to transform the world. Especially written for required United Methodist classes, this accessible book uses a Wesleyan theological frame—connection—to help readers understand United Methodism's polity and organization as the interrelationship of our beliefs, mission, and practice. The book is organized into four parts—United Methodist beliefs, mission, practice, and organization. Polity and organization are primary embodiments of The United Methodist Church. Functional in nature, these aspects of the denomination facilitate our mission to make disciples for the transformation of the world. This book connects denominational governance and organization to our beliefs as well as our mission. A clear understanding of our identity—as Methodists with Wesleyan roots in connection—and our purpose—to make disciples for the transformation of the world—can help students of United Methodism navigate this treacherous landscape as present and future leaders. Warner also addresses the estrangement between theology and institutional structures and practice by framing governance practices and organizational structure within a Wesleyan theology of connection. This approach will assist current and future denominational leaders in understanding their practices of administration and participation in polity as a theological endeavor and key component of their ministries. This textbook has been updated with changes from the 2016 General Conference.

**Numbers - Women's Bible Study Leader Guide** Melissa Spoelstra, 2017-08-01 Something in us aches for more—more hope, more joy, more freedom. All around us people are dancing to the steps of bigger, better, and faster, and we can easily join in without even realizing it. Before long complaining and comparing accompany our desire for more, yet we're not any closer to filling the ache inside. God offers us another way. In this study of the Book of Numbers, we'll find a group of people that wandered in the desert for forty years, unable to enter the Promised Land because of their complaining, grumbling, and lack of faith. The New Testament tells us that their story was written to warn us (1 Corinthians 10:6) so that we would not make the same mistakes and suffer the same consequences. God sent his only Son to die to buy our freedom from the sin that leads to discontentment, and we find our own promised land of peace and contentment in the life he gives us. By exploring Numbers we can come to identify the reasons for our complaining, learn contentment while being authentic about the difficulties of life, accept short-term hardship in light of the greater good of God's ultimate deliverance, recognize the relationship between complaining and worry, and discover how to realign with God's character and promises. Together we will learn contentment as we discover more of our incredible God who truly is more than enough. Only God can fill that ache inside and help us focus on his provision and purpose in the midst of life's joys and pains. The Leader Guide, to be used along with the study's workbook and DVD, contains six session plan outlines, complete with discussion points and questions, activities, prayers, and more—plus leader helps for facilitating a group. Other components for the Bible study, available separately, include a Participant Workbook, DVD with six 20-25 minute sessions, and boxed Leader Kit (an all-inclusive box containing one copy of each of the Bible study's components).

**Simon Peter** Adam Hamilton, 2018-12-18 He left everything to follow his teacher and possessed a passion that would change the world. That's one way to describe Peter. Here's another: poor, uneducated, quick-tempered, and full of doubts and fears. Doesn't even sound like the same man. And that's the point of Simon Peter, a new book and six-week adult Bible study by Adam Hamilton. Peter was just an ordinary guy who heard and followed God's extraordinary call. Discover how you, too, have special gifts, talents, and abilities that God can use to make a difference today. In addition to the Leader Guide and DVD components for adult studies, corresponding youth and children's resources, sold separately, can be used to create a churchwide study. Chapters Include: The Call of the Fisherman Walking with Jesus in the Storm Bedrock or Stumbling Block? "I Will Not Deny You" From Cowardice to Courage The Rest of the Story

**The Mission-Minded Guide to Church and School Partnerships** Jake McGlothlin, 2017-04-04 Partnering your church family with a public school can be a rewarding experience, but also presents some unique challenges. The Mission-Minded Guide to Church and School Partnerships offers practical steps that congregations can take to make a difference with the children in their community. From basic organization, training, safety, and planning helps leaders will learn how to share the vision and effectively recruit and train volunteers. Most importantly, leaders will discover practical steps they can take to begin a two way, trusting relationship with a school, principal and teachers. In addition, there are suggestions for sharing information through newsletters, presentations, and special Sundays for welcoming the schools, teachers, and principals, and more. Inspire your church family to embrace the power they have to change lives and make a difference in their community.

**Methodist Doctrine** Dr. Ted A. Campbell, 2011-10-01 In this concise, accessible book, Dr. Ted Campbell provides a brief summary of the major doctrines shared in the Wesley family of denominations. Writing in concise and straightforward language, Campbell

organizes the material into systematic categories: doctrine of revelation, doctrine of God, doctrine of Christ, doctrine of the Spirit, doctrine of humanity, doctrine of the way of salvation (conversion/justification/sanctification), doctrine of the church and means of grace, and doctrine of thing to come. He also supplies substantial but simplified updated references in the margins of the book that allow for easy identification of his sources. John Wesley distinguished between essential doctrines on which agreement or consensus is critical and opinions about theology or church practices on which disagreement must be allowed. Though today few people join churches based on doctrinal commitments, once a person has joined a church it becomes important to know the teachings of that church's tradition. In *Methodist Doctrine: The Essentials*, Ted Campbell outlines historical doctrinal consensus in American Episcopal Methodist Churches in a comparative and ecumenical dialogue with the doctrinal inheritance of other major families of Christian tradition. In this way, the book shows both what Methodist churches historically teach in common with ecumenical Christianity and what is distinctive about the Methodist tradition in its various contemporary forms. **Fresh Expressions of People Over Property** Bishop Kenneth H. Carter Jr., Audrey Warren, 2020-08-18 Our church buildings, synagogues, and other religious places – which once stood as beacons of hope and reverence for its community – have become a burden for the organizations who seek to keep them standing. In efforts to patch leaky roofs and paint over years of wear, leaders are putting more and more money each year into property instead of people. The practices we have fallen into to keep a building running are not only demoralizing to the pastoral profession and the mission of the church, but they also run the risk of violating property tax laws and incurring more debt. What if our properties didn't have to be a source of pain but one of purpose and profit? Can we as faith-based organizations begin to think collaboratively about how we might further our missions by creatively and intentionally rethinking how we utilize the space we inhabit? In *Fresh Expressions of People Over Property* the authors reflect on strategies, scriptures, and stories that help leaders faithfully re-imagine their community spaces so that they reflect that God and God's people value people over property.

**First Corinthians - Women's Bible Study Participant Book** Melissa Spoelstra, 2016-08-02 Relationships are messy. We're all different and imperfect, and we can struggle to get along--especially with those who disagree with us. Often we find ourselves divided--even as Christians. How can we work out our differences and disagreements with humility and grace, always showing the love of Christ, while still remaining true to what we believe? The Apostle Paul wrote to the Christians living in Corinth about this very thing. The cultural backdrop of Corinth was even more overtly sinful than our culture today, yet Paul boldly encouraged the Corinthian Christians not to ridicule one another or outsiders but to work together to show the love of Christ. In this six-week study we will explore Paul's first letter to the Corinthians to learn how we as Christians are to deal with differences and divisions--whether in the workplace, neighborhood, school, home, social media community, or church. We'll discover that the answer is living and sharing the radical love of Jesus Christ, and we'll unpack what this means and how we can live it out day by day. The Participant Book includes five days of lessons for each week, combining study of Scripture with personal reflection, application, and prayer. Other components for the Bible study, available separately, include a Leader Guide, DVD with six 25-30 minute sessions, and boxed Leader Kit (an all-inclusive box containing one copy of each of the Bible study's components).

Abingdon Old Testament Commentaries: Nahum, Habakkuk, Zephaniah, Haggai, Zechariah, Malachi Julia M. O'Brien, 2011-09-01 The Abingdon Old Testament Commentaries provide compact, critical commentaries on the books of the Old Testament for the use of theological students and pastors. The commentaries are also useful for upper-level college or university students and for those responsible for teaching in congregational settings. In addition to providing basic information and insights into the Old Testament writings, these commentaries exemplify the tasks and procedures of careful interpretation, all to assist students of the Old Testament in coming to an informed and critical engagement with the biblical texts themselves. The six books found at the close of the Minor Prophets (Nahum, Habakkuk, Zephaniah, Haggai, Zechariah, and Malachi) present distinctive understandings of God, humanity, and the future. This commentary engages those understandings, considers what the books may have meant in the past, and describes how they resonate with contemporary readers. With attention to issues of gender, violence, and inclusivity, O'Brien explores the ethical challenges of the books and asks how faithful readers can both acknowledge the problems these biblical books raise and appreciate their value for contemporary theological reflection.

Half Truths Adam Hamilton, 2016-04-04 They are simple phrases. They sound Christian—like something you might find in the Bible. We've all heard these words. Maybe we've said them. They capture some element of truth, yet they miss the point in important ways. Join Adam Hamilton in this 5-week Bible study to search for the whole truth by comparing common Christian clichés with the wisdom found in Scripture. The clichés include: Everything happens for a reason. God helps those who help themselves. God won't give you more than you can handle. God said it, I believe it, that settles it. Love the sinner, hate the sin.

**Not Forsaken** Chris McNair, 2021-03-16 Not Forsaken: Growing up Black, Male and Christian in the Hood encapsulates principles author Chris McNair gleaned from successfully working with at-risk African American boys in the inner city in over thirty years of ministry. This book teaches how youth workers can address social, emotional, physical and spiritual issues facing young black men in the city. It is about building a relational ministry among black youth, centered on instilling a sense of identity in Christ and provides a study curriculum to use with the young men themselves. In addition to in-depth content from the Leader Guide, the study sessions contains everything needed to begin to equip leaders and guide a group through the study including session plans, activities, and discussion questions. In the thirty years I have known Rev. Chris McNair, he has always been hanging out with urban black males that no other youth serving organization or ministry seems able to connect with. By building long-term relationships with the most at-risk city youth, McNair engenders trust and creates possibilities for redemption. Part narrative and part training guide, Not Forsaken introduces you to his inspiring and instructive methodology for transformational ministry among urban black males and their families. This is a must read for anyone who cares about the future of our cities. Curtiss Paul DeYoung, CEO, Minnesota Council of Churches "Chris McNair is a veteran youth worker, urban pastor, and advocate for the empowerment of the marginalized. I consider myself part of the fruit of his labor. Allow this book to equip you to serve as a vehicle of transformation among God's urban children and families." Dr. Efrem Smith, Co-Senior Pastor of Bayside Church Midtown and Co-Owner of Influential LLC "I have never read a book that so

clearly explains the plight of the African American male but yet navigates a clear path to fulfillment..... in Christ. The study guide really does hold your hand and takes you through thoughtful yet challenging issues the young African American males face today with a Scriptural foundation.” Bruce Morgan, CEO Kids Across America

*I'm Black. I'm Christian. I'm Methodist.* Lillian C. Smith, Erin Beasley, Justin Coleman, Jevon Caldwell-Gross, Pamela R. Lightsey, F. Willis Johnson, Vance P. Ross, Rodney Lorenzo Graves, Tori C. Butler, Rev. Rudy Rasmus, 2020-11-03 Ten personal narratives reveal the shared and distinct struggles of being Black in the Church, facing historic and modern racism. It's uncertain that Howard Thurman made the remark often attributed to him, "I have been writing this book all my life," but there is little doubt that he was deeply immersed in reflection on the times that bear an uncanny resemblance to the present day, which give voice to the Black Lives Matter movement. Our "life's book" is filled with sentence upon sentence of marginalization, pages of apartheid, chapters of separate and unequal. Now this season reveals volumes of violence against Blacks in America. Ten Black women and men explore life through the lens of compelling personal religious narratives. They are people and leaders whose lives are tangible demonstrations of the power of a divine purpose and evidence of what grace really means in face of hardship, disappointment, and determination. Each of the journeys intersect because of three central elements that are the focus of this book. We're Black. We're Christians. We're Methodists. Each starts with the fact, "I'm Black," but to resolve the conflict of being Christian and Methodist means confronting aspects of White theology, White supremacy, and White racism in order to ground an oppositional experience toward domination over four centuries in America. "The confluence of the everyday indignities of being Black in America; the outrageous, egregious, legalized lynching of George Floyd; and the unforgivable disparities exposed once again by COVID-19 have conspired together to create a seminal moment in America and in The United Methodist Church—in which we must find the courage to say unambiguously 'Black Lives Matter.' To stumble or choke on those words is beneath the gospel," says Bishop Gregory Palmer, who wrote the foreword to the collection. Praise for *I'm Black. I'm Christian. I'm Methodist*. "This book made me shout, dance, rage and hope—all at once! As a cradle Methodist, I have deep love for my church and bless it for nurturing my walk with Christ and my passion for social justice. At the same time, I lament that my church is also the place where I have witnessed and been most wounded by virulent racism, sexism, heterosexism, and ageism. Yet, I stay and struggle for the soul of the church because I am a Black Christian woman fired by the love of God-in-Christ-Jesus. I stay because this is MY church and the church of my ancestors. Although I regularly question my decision to remain United Methodist, it is stories like these—from other exuberant love warriors—that remind me that I am called by God to stay, pray, fight, and flourish!" —M. Garlinda Burton, deaconess and interim general secretary, General Commission of Religion and Race, Washington DC "Racism continues to be the unacceptable scandal of American society and the American churches. In spite of some gains such as the diversity of supporters for "Black Lives Matter," even the best intentioned among us remain largely ignorant of the actual life experience of those who are other than ourselves. This collection of testimonies, edited by Rudy Rasmus, helps remedy that by simply recounting personal stories of being Black, Christian, and Methodist in the United States. White Methodist Christians in particular need to read these stories and take them to heart so that racism and its divisiveness is countered by shared experience and recognition of common humanity across difference. More White Methodists need not only reject racism in our society and church but become active anti-racists willing to do the hard work to create the beloved community, dreamed about by Martin Luther King in the 1960s civil rights movement. —Bruce C. Birch, Dean Emeritus and Professor Emeritus of Biblical Theology Wesley Theological

Seminary, Washington DC “This book is a powerful collection interweaving personal stories, denominational and intercultural practices, and Black lives bearing hopeful witness. Readers will have their consciousness raised, and they will think more deeply about the meaning of beloved community and the embodiment of the justice of God.” —Harold J. Recinos, Professor of Church and Society, Perkins School of Theology/SMU, Dallas, Texas “For hundreds of years, we have not listened. This book is our chance to hear the words of the Black leaders in our church. They will change us, remake us, and reform us. Get ready to be transformed by painful truth and deep love. —Rev. Dr. Dottie Escobedo-Frank, Lead Pastor, Catalina United Methodist Church, Tucson, Arizona I’m Black gives readers a clear picture of the diversity and value of Black culture in church and society. After reading the dynamic stories told by these faithful, transformative church leaders, Black lives will be cherished, and systemic change for the better will take place.” —Joseph W. Daniels, Jr. , Lead Pastor, Emory United Methodist Church, Washington, D.C. Dr. Rudy Rasmus and others give an insightful look into what it means to be black, Christian and Methodist in America. Their perspectives on the status and plight of being black in America are both engaging and riveting. If you are looking for ways to better understand the nuances and many faces of African American Methodist evangelical life in America, this book is a must-read! —The Reverend J. Elvin Sadler, D.Min., General Secretary-Auditor, The A.M.E. Zion Church Assistant Dean for Doctoral Studies, United Theological Seminary, Dayton, Ohio I endorse this powerful book of Essays conceived and edited by my friend Pastor Rudy Rasmus. It is a book for our current and future realities facing the Black Church a must read. —Deborah Bass , Vice-Chairperson, National BMCR
