All Possible Orbits Adam Perry,2021-09-02 Fired from his job, recently divorced, and nearly broke, Tucker Merrill is ready to snap when he receives word of his brother's suicide. In full retreat, Tucker returns to his hometown of Natchez, Mississippi, where the local industries have cut and run, the old southern mansions are devoid of visitors, and all that remains are gambling, hard drugs, and some serious cases of arrested development. The unforgiving criticism of Tucker's father coupled with the less than sympathetic ear of his childhood sweetheart, forces a brutal reassessment of his life. However, before he can reconcile his past and his present, he'll have to steer clear of a group of Neo-Nazi's hellbent on kick-starting a race war in the 21st Century shambles of the Old South.

Mount Chicago Adam Levin,2023-08-01 From the award-winning author of Bubblegum and The Instructions, a daring new novel about the irony, the humor, and the heartbreak of survivorship. Adam Levin is one of our wildest writers and our funniest. -George Saunders, bestselling, award-winning author of Lincoln in the Bardo A one-in-ten-billion natural disaster devastates Chicago. A Jewish comedian, his most devoted fan, and the city's mayor must struggle to move forward while the world—quite literally—caves beneath their feet. The Temptation of Adam Dave Connis,2017-11-21 Adam Hawthorne is fine. Yeah, his mother left, his older sister went with her, and his dad would rather read Nicholas Sparks novels than talk to him. And yeah, he spends his nights watching self-curated porn video playlists. But Adam is fine. When a family friend discovers Adam's porn addiction, he's forced to join an addiction support group: the self-proclaimed Knights of Vice. He goes because he has to, but the honesty of the Knights starts to slip past his defenses. Combine that with his sister's out-of-the-blue return and the attention of a girl he meets in an AA meeting, and all the work Adam has put into being fine begins to unravel. Now Adam has to face the causes and effects of his addiction, before he loses his new friends, his prodigal sister, and his almost semi-sort-of girlfriend.

Adam and the Experts Victor Bumbalo,1990 At the height of the AIDS crisis, Adam searches for answers, comfort, and a new place for sexuality as he witnesses the decline and inevitable loss of his beloved best friend. Victor Bumbalo's ADAM AND THE EXPERTS may be the most important play to deal with the AIDS crisis in gay society since William Hoffman's AS IS and Larry Kramer's THE NORMAL HEART sounded their anguished alarms four and a half years ago. Since those two dramas were first produced Off-Broadway, thousands have died, and thousands more who have gotten AIDS fight to survive. Mr Bumbalo's play expresses a mood of exhaustion, fatalism and embattled determination that, as the decimation continues, has become an overshadowing fact of homosexual life. It has, at least, become possible, Mr Bumbalo's play suggests, to find some bitter humor amid the tragedy. ADAM AND THE EXPERTS is quite funny in a dry satiric way. Most of the humor is situational, deployed by the playwright to reveal the pathetic, ludicrous defenses that people adopt to shield themselves from terrifying realities ... -Stephen Holden, The New York Times

American Asshole Pasha Adam,2016-10-19 River Conway is a 29-year-old aspiring singer and actor whose dreams have been sidelined. After he

and his girlfriend, Alana, graduated from New York University's Tisch School of the Arts, they moved to Arizona to care for her ailing father. Seven long years later, they're still there; River is working a dead-end job and worries that it's too late for him to break into the entertainment industry. Alana donates \$10,000 to her celebrity crush's crowdfunding campaign, and she and River are invited to his party in LA. There, River is inspired to launch a campaign of his own. Although his mother always told him that he was born for greatness (Why else would an honest, salt of the earth, lower middle class couple from Who Cares, Ohio, name their son River?), he decides to start Save an A\$\$hole, asking donors to help him leave behind a lifestyle that they wouldn't want to live themselves. Soon, River has second thoughts and deletes the campaign, but then Alana surprisingly offers to move to LA with him. In Hollywood, her rapid-fire networking lands her a role on a sitcom, and River resorts to relaunching his crowdfund concept. He's soon contacted by a TV comedy channel that wants to film the last days of the campaign as a telethon. River agrees, and the resulting media sensation and scathing headlines (Douchebag Becomes Millionaire For No Reason, Nation Weeps) lead to an exploitative reality show that takes him down an uncertain path.

The Agora Files - Part I Adam Oster, 2013-11-29 I almost missed my stop. Twice! - Angelika Rust, author of Ratpaths In a world where kids are used to smuggle goods across the country, Cyrus Rhodes believes himself to be the best. But as his eighteenth birthday nears, he fears for what his future holds when he can no longer do what he is best at. When he is given the chance to run an epic race across the country in less time than he knows is possible, he jumps at the opportunity, risking life and limb for little more than money and prestige. Soon, he learns there's much more to this run than he's accustomed to, finding himself in the middle of a battle for control of the country, while he's struggling against a battle for control of his own life. Now the question isn't whether or not he can complete the job, but whether he can stay alive when faced against the United States military, a revolutionary squad, and the entire United States who now believes him to be a terrorist.

Flatscreen Adam Wilson, 2012-02-21 Flatscreen tells the story of Eli Schwartz as he endures the loss of his home, the indifference of his parents, the success of his older brother, and the cruel and frequent dismissal of the opposite sex. He is a loser par excellence—pasty, soft, and high—who struggles to become a new person in a world where nothing is new. Into this scene of apathy rolls Seymour J. Kahn. Former star of the small screen and current paraplegic sex addict, Kahn has purchased Eli's old family home. The two begin a dangerous friendship, one that distracts from their circumstances but speeds their descent into utter debasement and, inevitably, YouTube stardom. By story's end, through unlikely acts of courage and kindness, roles will be reversed, reputations resurrected, and charges (hopefully) dropped. Adam Wilson writes mischief that moves the heart, and Flatscreen marks the wondrous debut of a truth-telling comic voice.

Appearances can be deceiving, however. For beneath the surface, Roman is a gifted genius with unbelievable talents and a haunted past wrought with violence and tragedy. Hounded by his former mentor Agent Johnson, and a shadowy government agency known only as the NN, Roman seeks refuge and normalcy in this peaceful midwestern town, where he'll unexpectedly find friendship, love, and belonging.
