The Modern Break-Up Daniel Chidiac,2019-08-13 ★★★★★ Now I know what all the hype is about! Such a relatable read! - Addison Rae, Actress \_\_\_\_ A novel full of truths about dating, separations and love: direct, raw and damn revealing! After a sudden end with another guy she finally opened-up to, Amelia is thrown into a vortex of conflicting thoughts and emotions. Once again, she is forced to reflect on her life and what dating means in the modern world. The answers she finds, especially through a new male friend who unveils the way guys really think, makes her even more determined to find something more real. It all helps set her free...maybe... I resonated with the characters so much, especially Amelia. It's not just a story about a breakup, but so much more and deeper than that. - Demi Rose, Model Honestly, blew my mind how accurate it is. Definitely recommend! - Lizzie Sobinoff, Married At First Sight (MAFS) The Modern Break-Up was listed among the top romance novels to read by Popsugar.com.

**Radical Revival as Adaptation** Jozefina Komporalý,2017-10-05 This book examines the radical reinterpretation of precursor texts and prompts as an innovative form of adaptation for the stage. In this context, stage adaptations are defined as active and risk-taking interventions on pre-existing sources, dramatic and otherwise, that can range from single-authored plays to collaborative creations and devising projects. Radical adaptations have the potential to constitute a cutting edge pathway of exploration in performance, by virtue of operating at the intersection between experimental practice and multiple creative transpositions and crossovers among genres and media. They offer a viable platform for the negotiation of topical concerns embedded into global cultural, socio-political and historical shifts, thus cultivating a genuine bond between theatre and society. This volume considers a range of case studies, from the work of Alexandru Tocilescu to Rimini Protokoll, and is vital reading for those interested in adaptation studies and forms of contemporary theatre practice.
