**Dodnash Priory Charters** Christopher Harper-Bill, 1998 The history of Dodnash Priory, one of numerous Augustinian priories founded in East Anglia in the twelfth and early thirteenth centuries, has hitherto been totally obscure. The two hundred original charters edited here now show that it was founded by Wimer the chaplain, sheriff of Norfolk and Suffolk and a prominent servant of Henry II, and that although always small it played a disproportionately large part in the economic and social life of south-east Suffolk for the next three centuries. The early charters include the first known references to Flatford Mill at East Bergholt; later documents relate to serious flooding at the end of the thirteenth century, and soon thereafter to the leasing of estates in order to adapt to new economic conditions. As always, the charters provide much information about local lay society as well as the canons themselves. CHRISTOPHER HARPER-BILL is Professor of English History at the University of East Anglia.

**Loyal to the Land** Billy Bergin, 2003-05-14 *Loyal to the Land* is a sweeping

history of one of the United States' largest working ranches, the Big Island of Hawaii's Parker Ranch. Dr. Bergin chronicles the ranch from its establishment on two acres purchased for ten dollars by John Palmer Parker to the years following World War II and the beginning of a new era of family ranch management under Parker's grandson, Richard Smart. In this wide-ranging and insightful book, illustrated with more than 250 historical photos, Dr. Bergin first discusses the important Hispanic vaquero roots of ranching in Hawaii. He then relates the histories of the five foundation families, providing rich and detailed information on key members who contributed to the Ranch's success. The balance of the book examines every aspect of Parker Ranch development: management, labor, improvements and diversification of livestock, veterinary and animal care programs, and the Ranch's role and influence on the Big Island and the state.

**Judokill** Bill Watson, 2022-10-28 Sensei Akeni is whistling when he strolls into a local bank to make a deposit, unaware that just seconds later he will be lying unconscious, the victim of a violent robbery. After he is questioned by the police and released from the hospital, the sensei of the town's popular judo club returns home, only to be murdered as soon as he hangs up his coat. After officers Bill and Smithy are assigned to the investigation, they soon discover there are few clues to go on and that the town is being infiltrated by powerful criminal elements. Corruption has reached deep into the town, and it appears that no one, including the police and judo club, is immune from the tendrils of a wayward lord, a London gang, and a Chinese triad. While danger lurks in the back alleys and a notorious coffee bar, the two cops, aided by a feisty retired schoolmarm and a laidback MI5 agent, must face down the powerful aristocratic and criminal forces. But will they be able to save the town—and the county—before it is too late? In this exciting prequel to the Chaos Factor, two young policemen in a sleepy market town launch a murder investigation that propels them down a dark path they never expected.

**King of Scars (2) - Når ulve hersker** Leigh Bardugo, 2021-09-16 Kan en blodtørstig dæmon blive rigets redning? Den unge regent, Nikolai Lantsov, kæmper stadig en kamp med den dæmon, der har besat ham, og som truer med at tage livet af ham. Men i sin evige kamp med udyret, oplever Nikolai også styrker hos dæmonen, som måske kan anvendes mod fjenden, der rykker nærmere. Nikolai får hjælp af sin hærfører og gode ven, den viljestærke Zoya, der er blevet beriget med en evne, hun skal lære at acceptere og håndtere. Og til sidst er der Nina, der har infiltreret hovedstaden for at hjælpe Nikolai. En konge, en general og en spion. Sammen skal de skabe en fremtid i mørket. Eller se deres land gå til grunde. King of Scars (2) Når ulve hersker er andet og sidste bind i serien King of Scars, der igen er en brik i det fantastiske Grishaverse, som danner ramme om flere af Leigh Bardugos enestående fantasyfortællinger.

*Sweet Orisa* Marquis Nave,2006-04 He has a Black Panther flag and a red, black and green flag sticking out on either side of his porch. I feel safer when I'm close to Mr. Johnson's house. Not all the kids like him but won't none of them disrespect him or do anything crazy near his house. Not even Chuck. That's for sure. They say Mr. Johnson and his crew carries guns. You about have to around here. -from the short story Concrete Rose Where are the voices of light and conscience that are not afraid to illuminate the underbellies of the critical issues facing today's African-American family and America's neglectful treatment of the whole family structure? Sweet Orisa is a collection of short stories that gives force to the many young voices that have been left out of the dialogue of African-Americans elders and social elites. Author Marquis R. Nave's voice permeates Sweet Orisa as the clear call of a neorealist African-American following in the footsteps of James Baldwin and Toni Morrison. The voice within these pages forces it way into the exclusive conversation. The author deals with the challenges of attaining communityhood, self-determination, equality, and the recognition of African-American humanity. Emotional and evocative, the stories in Sweet Orisa comprise a journey centered in rage, loss, and frustration that

transforms to forgiveness, self-determination, and identity.

Degei's Descendants Matthew Spriggs, Deryck Scarr, 2014-08-01 Dr Parke's monograph examines how Fijians, especially in western areas of Fiji, currently understand and explain the origins and development of the social and political divisions of late pre-colonial traditional Fijian society. It assesses the reasoning, consistency and, where possible, the historical accuracy of such understandings. The oral history research which forms the backbone of the study was conducted in either standard Fijian or one or other of the western Fijian dialects with which Dr Parke was familiar. The period on which the monograph concentrates is the two centuries or so immediately prior to the Deed of Cession on 10 October 1874. A number of the major chiefs of Fiji had offered to cede Fiji to Queen Victoria; and after the offer had been accepted, Fiji became a British Crown Colony on that day. The volume will be of interest to all archaeologists, anthropologists and historians with an interest in Fiji. It will also be of wider interest to Pacific Studies scholars and those of British colonial history as well as historians with a wider interest in indigenous traditional histories and their role in governance today.
