Cyber Cinderella Christina Hopkinson, 2008-07-03

Read this quirky and funny debut novel where Izobel is shocked to find a website devoted to her and her very exciting, but certainly not real, lifestyle and decides this is her chance for love as she searches for its creator. Izobel Brannigan is an ordinary girl, working a good but dull public relations job, and with a lousy -- but slightly less dull -- boyfriend. Out of boredom, she decides to Google herself and finds an entire Web site devoted to her, describing a fun, exciting, and glamorous lifestyle that she's certain she's not living. Curious, she starts searching for the mysterious admirer who thinks so highly of her, and no one is safe from her questions. Her friends, her coworkers, old boyfriends...even new flames are all at risk. The more she searches, the more her life begins to reflect what she read on the Internet. After dumping the boyfriend and doing some serious soul-searching, Izobel begins to wonder who's more real: Izobel Brannigan the person, or IzobelBrannigan.com?

Wicked series will emerge. And all their questions will be answered in this heart-stopping, magical adventure about witches, destiny, and the beyond.

His Sassy-Mouthed Teenage Daughter: A girl with training bras on her mind. His Steady Gal: A snooty socialite with marriage to Mr. Moneybags on her mind. Angeline Wydowski Perkins: An unsuitable woman with an endless supply of love for Alex on her mind. My steady's familiar—but about as exciting as a stale croissant. The Manchester Murders Books One to Three Pamela Murray, 2020-02-04 The first three mysteries in the compelling police procedural series set in gritty Northern England. Murderland DI Joe Burton and DS Sally Fielding are called to investigate a suspicious death in a care home—and soon more bodies are discovered, with playing cards placed beside them. With the press closing in, they have no choice but to call in a criminal profiler to untangle the killer's motive. Bloodline The murder victim lying in the doorway looked like a homeless man—but in fact, he was an undercover cop who'd traveled all the way from London. But now his DNA has been linked to cold case—and Burton and Fielding must untangle a web of lies . . . Duplicity Hannah Sanderson, recently retired from the force, has noticed that a series of deaths in Manchester resemble the work of a popular crime novelist. Even more shocking, the death of DS Fielding's father from a heart attack may be connected to the mystery . . .

Murderland Pamela Murray, 2019-06-19 A heart-stopping crime thriller with “a tense, twisty storyline . . . [and] a terrific climax”—first in the Manchester Murders series (Love Books, Read Books). When DI Joe Burton and DS Sally Fielding are called to investigate a suspicious death in a care home, it is just the start of their problems. As further bodies are discovered, with playing cards placed beside their bodies, the Manchester police realise they have their work cut out. With the press closing in on the case, a criminal profiler is called in to help work out what the killer's motive is. With the clock ticking and

more victims uncovered, Fielding and Burton must race to track down a twisted killer before it's too late. But could the killer be closer to home than anyone ever imagined? "I enjoyed the relationship between Burton and Fielding, the in-depth investigation and the descriptive writing which builds tension slowly until the gripping ending . . . very entertaining." –White Tulip Candles Also available in the Manchester Murders series: Bloodline and Duplicity

In Deep Water Tana Collins, 2020-08-24 The disappearance of a fisherman in Scotland brings dark secrets to the surface in this riveting police procedural from the author of *Dark is the Day*. When local fisherman Robert Paterson goes missing, DCI McTavish assumes that the man has fallen victim to another tragic fishing accident. However, things don't add up for Inspector Jim Carruthers. Why did Paterson take his boat out at night when he would normally fish during the day? Has he taken his own life or has something more sinister taken place? Then a bloodied body shows up on the uninhabited Isle of May—and Carruthers is shocked to find it isn't the fisherman's. He suspects the two events are connected. After a journalist who'd been investigating the two cases disappears, Carruthers tries to uncover what she discovered, and more questions arise. Has someone been leaking information to the press? If so, why? With the case getting more complicated and a murderer on the loose in this tight-knit coastal community, Carruthers has his work cut out.
