Television Movies of the 21st Century Vincent Terrace,2021-04-23 For the major broadcast networks, the heyday of made-for-TV movies was 20th Century programming like The ABC Movie of the Week and NBC Sunday Night at the Movies. But with changing economic times and the race for ratings, the networks gradually dropped made-for-TV movies while basic cable embraced the format, especially the Hallmark Channel (with its numerous Christmas-themed movies) and the Syfy Channel (with its array of shark attack movies and other things that go bump in the night). From the waning days of the broadcast networks to the influx of basic cable TV movies, this encyclopedia covers 1,370 films produced during the period 2000-2020. For each film entry, the reader is presented with an informative storyline, cast and character lists, technical credits (producer, director, writer), air dates, and networks. It covers the networks (ABC, CBS, Fox, Ion, and NBC) and such basic cable channels as ABC Family, Disney, Fox Family, Freeform, Hallmark, INSP, Lifetime, Nickelodeon, Syfy, TBS and TNT. There is also an appendix of Announced but Never Produced TV movies and a performer's index.

**Rook** T.K. Eldridge,2022-06-16 Billionaire logistics magnate Grant Foster hasn't been back to Lakeridge, North Carolina in over a dozen years. Not since his father's funeral. Now he's back for another funeral - one for his old high-school friend, Wes Davenport. Most people wouldn't understand why Grant and Wes would be friends, but their high school Chess club became family until their teacher was murdered two weeks before graduation. That had broken something, and they all scattered far and wide - except for Wes, who'd stayed in Lakeridge. Now Wes is dead and the Club is returning to bury their friend - and help figure out who killed him. For Grant, coming home brings back a lot of memories and a lot of pain. All the money in the world can't fix that, or the loneliness in his life. He'd let himself forget what family truly meant and being back with his Club brothers is a sharp reminder. Will coming back heal what's broken in him, or break him worse than before?
