The Savvy Studio Owner John Shirley,Richard Strasser,2005 The Savvy Studio Owner details all aspects of starting and running a professional sound-recording studio, from smaller project-style facilities to million-dollar majors. The authors discuss the business and engineering aspects of operating a studio logically and chronologically, starting with initial considerations and continuing through planning, startup, and expansion. From business structures, financing, and government regulations to marketing, taxes, and long-term financial planning, the information in The Savvy Studio Owner is based on detailed research and sound practices in the recording industry. The practical how-to style presents numerous examples and applications from the business and sound-recording worlds. Even if you have no prior business or sound-recording experience, The Savvy Studio Owner will let you research, start, and succeed in creating a sound-recording studio. Book jacket.

Hands-on Approach to Android Development Garvit Chugh,2019-07-28 If you want to become an Android developer, Here is the Solution.This is the very first book we have written on Android development. It is perfect for Android developers who are beginners or are at an intermediate level. This book won't get you to an advanced level and won't touch on any of the topics like RxJava, RJ, ButterKnife or Data Binding, but it will get your fundamentals on-point. It covers everything from how to set up your Integrated environment to create a functioning Android app. It has a unique way of explaining concepts with thought bubbles and real-life scenarios. It also contains interesting exercises such as 'fill up magnets' and 'matchings' to make things more interesting.

The Art of Voice Acting James R. Alburger,2023-12-18 Now in its seventh edition, The Art of Voice Acting covers all aspects of the craft and business of performing voiceover. Starting with the basics of voice acting, every aspect of the craft and business of performing voiceover is explained in detail, including how to get started, performing techniques, setting up a personal recording space, voiceover demos, the basics of running a voiceover business, unions and much, much more. This edition is completely updated with all new scripts, discussions of the latest trends in voiceover and contributions from some of the voiceover industry's top performers, casting directors and agents. The book provides a wealth of practical information that can be put to work immediately, as well as hundreds of references to websites and other useful resources. Anyone interested in acting, storytelling, any area of voiceover or simply improving verbal communication skills will benefit from this book. Although The Art of Voice Acting is a great learning tool for the beginner, it will also serve the experienced performer well as a reminder of performing and business tools that are essential in today's world of acting and voiceover. Additional content, including scripts, audio files, and unpublished content can be found at www.AOVA.VoiceActing.com.
