*Examining the Evolution of Gaming and Its Impact on Social, Cultural, and Political Perspectives* Valentine, Keri Duncan, Jensen, Lucas John, 2016-06-20 With complex stories and stunning visuals eliciting intense emotional responses, coupled with opportunities for self-expression and problem solving, video games are a powerful medium to foster empathy, critical thinking, and creativity in players. As these games grow in popularity, ambition, and technological prowess, they become a legitimate art form, shedding old attitudes and misconceptions along the way. Examining the Evolution of Gaming and Its Impact on Social, Cultural, and Political Perspectives asks whether videogames have the power to transform a player and his or her beliefs from a sociopolitical perspective. Unlike traditional forms of storytelling, videogames allow users to immerse themselves in new worlds, situations, and politics. This publication surveys the landscape of videogames and analyzes the emergent gaming that shifts the definition and cultural effects of videogames. Punk Playthings Sean Taylor, Chris Lowthorpe, 2017-11-13 Punk Playthings Provocations for 21st Century Game Makers Punk was an attitude. It was never about having a Mohican haircut or wearing a ripped T-shirt. It was all about destruction, and the creative potential within that. Malcolm McLaren Warning: If you want a silver bullet solution for efficient game making or a step-by-step guide to receiving Indie Game Dev hero worship, you're in the wrong place. Put the book back on the shelf. Punk Playthings

Packed with probes and provocations that explore game making through fresh lenses for uncertain times, it challenges gaming monoculture by constructing a trading space for ideas and learning from across domains and cultures. Punk Playthings has zero respect for boundaries between mediums, industries, sectors, specialisms or disciplines. Instead, it challenges you to expand your cultural capital, think laterally and make new connections. Punk Playthings advocates a truly independent mindset and DIY approach for creating playful experiences with cultural resonance. It proclaims creative entrepreneurship as the true legacy of punk. Punk Playthings is not for everyone. But it might be for you.
