The Last Linotype Millard B. Grimes,1985

The Book of James Valerie Babb,2023-11-28 The unique social, cultural, and political life of the incomparable LeBron James LeBron James is the hero in two very American tales: one, a success story the nation loves; the other, the latest installment in an ongoing chronicle of American antiblackness. He's the poor boy from a "broken" home who makes good. He's also the poor Black boy from a "broken" home who makes good, then at the apex of his career finds "n*****" spray-painted across the gate to his home. James has lived in the public eye ever since high school when his extraordinary athletic skills subjected his every action, every statement, every fashion choice to intense public scrutiny that tells us less about James himself and more about a nation still wrestling with many social inequities. He uses his celebrity not to transcend Blackness, but to give it a place of cultural prominence, and the backlash he receives exposes the frictions between Blackness and a country not fully comfortable with its presence. As a result, James's story is a revelatory narrative of how much Blackness is loved, hated, misunderstood, and just plain cool in an America that has changed and yet not changed at all.

Report Wisconsin. Office of the Secretary of State,1920

Tall Tales with Short Cocks G. Brown,Danger Slater,Jessica Mchugh,Douglas Hackle,2016-10-24 In the fifth installment of Rooster Republic's flagship anthology series, we have some really tremendous fiction. It's great. You can't beat fiction like this. A lot of kids come up to me and they tell me how great they think this fiction is. I believe them. Believe me, it's a great collection with some fantastic authors giving us their best work. I believe me. Why don't you? You too good for all this fun, freaky, and far-out fiction? Maybe go read a book about bird watching, you voyeuristic pervert. This anthology is for connoisseurs who are sick of watching birds. They want to look at words-not at our fine feathered friends. Though, if I'm being honest, I've never met a bird I would call my friend.

Sure, those doves helped me move. BUT I GAVE THEM BIRDSEED. Real friends don't demand food from you. They just help you move, wish you luck, and then leave forever until you need them again. The stories in this anthology will be great friends. You can read them, put them back on the shelf, and pull them out whenever you feel like it. Or if you don't feel like it, they aren't going to call you up and be all like, Hey, wanna get something to eat at that new taco cart I saw on the corner of Johnson and Johnson? That would be the end of American fiction, I can tell you. Not that all the authors in this collection are Americans. Some are UKish, and some, I assume, are also good people. I've said it before and I'll say it again: Chickens Are Birds. Rooster Republic 2016!!!!

Dungeons & Dragons: The Legend of Drizzt, Vol. 3: Sojourn R.A. Salvatore,Andrew Dabb,2016-01-13 Adapts the third volume of R.A. Salvatore's The Legend of Drizzt! Drizzt Do'urden has abandoned the cruel Underdark for the unknown of the surface world. But as the young warrior begins his sojourn, the family he left beneath, and new enemies alike, pursue him. His survival depends on gaining the trust of surface dwellers_and that challenge may be greater than any battle he could fight.
