Love's Battle Angela Hayes, 2014-07-23 Love Howard has more than a knack for matchmaking. Born from a forbidden passion and a twelve-hundred-year-old promise, she and her sisters can literally see true love. And while Love has no problem bringing other couples together, her own romantic life could use a little help. Danton DeAngelo has always been well grounded in reality. So it throws him for no small loop when the woman he's fallen for believes that she's been reincarnated eleven times and can actually see true love. Now Danton is faced with the biggest decision of his life. Accept Love for who she really is, or walk away from her forever.

MARGO M. Kucera, R. Schneider, M. Weinelt, 2006-04-10 MARGO - Multiproxy Approach for the Reconstruction of the Glacial Ocean surface summarizes the results of the MARGO international working group, with the aim to develop an updated and harmonised reconstruction of sea surface temperatures and sea-ice extent of the Last Glacial Maximum oceans. The MARGO approach differs from previous efforts by developing and consistently applying measures of various aspects of reconstruction reliability, and by combining faunal and geochemical proxies. In 14 papers, the volume provides a comprehensive review of earlier

work and a series of new, proxy-specific reconstructions based on census counts of planktonic foraminifera, diatoms, radiolaria and dinoflagellate cysts as well as on Mg/Ca measurements in planktonic foraminifera. The approach of harmonising the calibration and application of different proxies is described in detail, various paleothermometry techniques and their results are compared and the challenge of treating sparsely sampled data as the basis for ocean circulation models is addressed. The use of stable oxygen isotope composition of foraminiferal shells as a proxy for past sea water composition is comprehensively reassessed, and a new approach to the transfer function paleothermometer is presented. This volume represents a landmark contribution to the understanding of ice-age oceanography as well as the proxies used to reconstruct past ocean states. The results will form the basis for forcing and validation of ocean circulation models. New regional reconstructions of Last Glacial Maximum ocean temperatures and sea ice cover Compilation of new calibration and fossil datasets as well as documentation of techniques and approaches to paleoenvironmental reconstructions Comparison of techniques, proxies and modelling approaches

Affliction Laurell K. Hamilton, 2014-06-03

Micah's estranged father lies dying, rotting away inside from some strange ailment that has his doctors whispering about "zombie disease." Anita Blake makes her living off of zombies—but these aren't the kind she knows so well. These creatures hunt in daylight, and are as fast and strong as vampires. If they bite you, you become just like them. And round and round it goes...Where will it stop? Even Anita Blake doesn't know.

A Shiver of Light Laurell K. Hamilton, 2015-04-28

Merry Gentry, ex-private detective and full-time princess, is now the mother of triplets, a rarity in the high ranks of faerie. And not everyone is happy about it, including Taranis, King of Light and Illusion. He's using the human courts to sue for visitation rights, claiming that one of the babies is his. To save herself and her children, Merry will use the most dangerous powers in all of faerie: a god of death, a warrior known as the Darkness, the Killing Frost, and a king of nightmares. They are her lovers, and her dearest loves, and they will face down the might of the high courts of faerie—while trying to keep the war from spreading to innocent humans in Los Angeles, who are in danger of becoming collateral damage.

Three Billboards Outside Ebbing, Missouri Martin McDonagh, 2018-01-10 After months pass without a culprit in her daughter's murder case, Mildred Hayes pays for three signs challenging the authority of William Willoughby, the town's revered chief of police. When his second-in-command, Officer Dixon, a mother's boy with a penchant for violence, gets involved, the battle between Mildred and Ebbing's law enforcement threatens to engulf the town. Three Billboards Outside Ebbing, Missouri is a darkly comedic drama from Martin McDonagh. The film won Best Motion Picture - Drama and Best Screenplay at the Golden Globes 2018, and Best Film and Best Original Screenplay at 2018 BAFTAs.

The Season Angela Hayes, 2020-11-27 Families with children in competitive sports spend countless hours planning and preparing meals to keep their young athletes healthy and fueled for best performance. It is a challenge for families to balance schedules, work, school and the travel time of competitive hockey with planning and preparing meals that are tasty and healthy. *The Season* by Angela Hayes eases this stress by planning and providing a different dinner recipe

for every day of the seven month hockey season including training camp, the regular season and tournament weekends without one repeat! Angela lived the life of a hockey parent to support her child's dreams, and was always looking for a book like this. It wasn't the preparing of meals that was the arduous task, it was coming up with ideas that were quick, healthy and easy. It is tough for families to not get into a slump of preparing the same meals over and over again and all families know what they feed their athletes impacts their performance. The pressure is on! As a result of her experience and as a tribute to families on the same mission, she has created *The Season*. The book includes weekly menus, grocery lists and recipes that match the different events a hockey schedule may include from practices and home games to away games and tournaments over the seven month season. Just open the book to the month you are in or the event on your schedule and a child-friendly, healthy, delicious meal idea fit for your athlete is there for you. Additionally, there are portable breakfast and lunch ideas for training camp and pack-able snack ideas for those hotel stays during away tournaments. There are dozens of recipes sure to become family favorites and part of your regular rotation. *The Season* is also the perfect gift for that hockey family you know and always wonder How do they do it?

Grandma's Helper Helena Hayes Thomas, 2011-11 I was inspired by my grandson, Michael Thomas, Jr., to write Grandma's Helper. I didn't realize that over the years I had forgotten so much. As I spent treasured moments caring for my grandchild, I would jot down little reminders as to what to do next in the course of the day of grandparenting. Then it occurred to me to compile the notes into a book to help other grandmas, grandpas, moms, and dads. Introducing a child to the world around him provides opportunity to bring out the physical as well as the spiritual side of his development. Early training and guidance of small children provide valuable lessons for grandparents. The main ingredients that we must possess are tender loving care and a reverence for God and His Word as we train our children in the way they should go. It is the purpose of this book to teach the fulfillment of that commission.

Language of Evil Robert Beattie, 2009-01-06 Brilliant linguist, charming professor, and renowned writer Tom Murray had a way with words. He used them to seduce. And he used them to get away with murder. Erudite Kansas City professor Tom Murray seduced, then married his starry-eyed student Carmin Ross. But when Carmin attempted to leave their violent marriage, Tom stabbed her in the throat thirteen times, but left behind no evidence. Convinced he'd committed a perfect crime, Tom didn't even solicit a lawyer. But he hadn't counted on relentless small town deputy sheriff Doug Wood, who refused to be

underestimated. What happened next would result in one of the most unforgettable, shocking, and unexpected trials in Kansas state history.

The Hillside Roble George Bixley, 2018-08-10
Slater Ibáñez is only interested in two kinds of guys: the ones he wants to punch, and the ones he sleeps with. Things get interesting when they start to overlap. A freelance investigator, Slater trolls the dark side of Los Angeles, rooting out insurance fraud, not afraid to use whatever means necessary to get things done, and not about to hold back with his fists. A queer antihero for a new age, Slater walks the line between ordinary life and the frayed fringes of society, keeping his balance with the jobs that his employer, Della, throws his way, and the back-channel support he gets from his idiot cop ex-boyfriend, Conrad, and regular squeeze Andy. Investigating a million-dollar heist at a gallery in the Arts District, Slater can't get a face-to-face with the owner, Eli, until he applies a little pressure, which leads to an evening invite to a tony mansion in the hills. Eli turns out to be a minor celebrity, physically flawless but obsessed with his own image, and flaky in that uniquely LA way. Gallery manager Pilar and her girlfriend are hiding something too, but Slater works to uncover the dirt with some surveillance and subterfuge, briefly posing as a straight guy to get some answers. Eli's nephew Ty seems guileless at first, but what is he really up to at his massage-parlor job? Join Slater as he closes in on the truth, never hesitating to use his fists or his libido to cut through the secrets and deception.

Silhouette Edward Scott, 2013-10-17 Edward Scott is a man who live for the truth, and a man who grew up on a small farm in West Oakland, California. Unlike other farms where they raise

pigs, chickens and cattle, on this farm they raise people for jails, institutions, and death. So he strives and survives to write these truths into metaphor. During his elementary school years, Scott attended Cole Elementary School in Oakland where he won his first poetry contest called My Dream for My Country. That poetry was based on Scott's account of the Vietnam War, and he also got recognition from the state of Washington governor during that time. Scott was sent to Longfellow Elementary School during his school years for gifted students. While at Longfellow he received the attention from his teacher Mrs. Jones who inspired and taught him how to write books. Scott's knowledge of writing books continues throughout his junior and senior school years at McClymonds High School. Later in life, Scott self-published two of his poetry books called No Reasonable Explanations Required and The Afterbirth. Author House Publication published Scott's third poetry book called The Metamorphosis of the Phenomenon, and all three books are now available.
