Anna's Healing Vannetta Chapman,2015-10-01 Anna's Healing is the first book in a brand-new collection from popular author Vannetta Chapman. These stories of love and family and Amish community in Oklahoma tell of the miracles that can happen when lives are lived in service to God and to one another. When a tornado strikes the farms surrounding Cody's Creek, Anna Schwartz's life is changed forever. She suffers a spinal cord injury and suddenly finds herself learning to live as a paraplegic. Three people—Chloe Roberts, Jacob Graber, and Ruth Schwartz—join forces to help Anna through her darkest days. Chloe is an Englisher who writes for the local paper. Jacob has recently arrived in town and stays on as a hired hand at her uncle's. And Ruth is her grandmother, a woman of deep faith and a compassionate spirit. Then one morning Anna wakes and finds herself healed. How did it happen? Why did it happen? And what is she to do now? Her life is again turned upside down as the world's attention is drawn to this young Amish girl who has experienced the unexplainable.

Easy Beauty Chloé Cooper Jones,2023-04-04 Finalist for the Pulitzer Prize in Memoir or Autobiography A New York Times

Notable Book of 2022 * Vulture's #1 Memoir of 2022 * A Washington Post, Los Angeles Times, USA TODAY, Time, BuzzFeed, Publishers Weekly, Booklist, and New York Public Library Best Book of the Year From Chloé Cooper Jones—Pulitzer Prize finalist, philosophy professor, Whiting Creative Nonfiction Grant recipient—an “exquisite” (Oprah Daily) and groundbreaking memoir about disability, motherhood, and the search for a new way of seeing and being seen. “I am in a bar in Brooklyn, listening to two men, my friends, discuss whether my life is worth living.” So begins Chloé Cooper Jones’s bold, revealing account of moving through the world in a body that looks different than most. Jones learned early on to factor “pain calculations” into every plan, every situation. Born with a rare congenital condition called sacral agenesis which affects both her stature and gait, her pain is physical. But there is also the pain of being judged and pitied for her appearance, of being dismissed as “less than.” The way she has been seen—or not seen—has informed her lens on the world her entire life. She resisted this reality by excelling academically and retreating to “the neutral room in her mind” until it passed. But after unexpectedly becoming a mother (in violation of unspoken social taboos about the disabled body), something in her shifts,

and Jones sets off on a journey across the globe, reclaiming the spaces she'd been denied, and denied herself. From the bars and domestic spaces of her life in Brooklyn to sculpture gardens in Rome; from film festivals in Utah to a Beyoncé concert in Milan; from a tennis tournament in California to the Killing Fields of Phnom Penh, Jones weaves memory, observation, experience, and aesthetic philosophy to probe the myths underlying our standards of beauty and desirability and interrogates her own complicity in upholding those myths. "Bold, honest, and superbly well-written" (Andre Aciman, author of *Call Me By Your Name*) *Easy Beauty* is the rare memoir that has the power to make you see the world, and your place in it, with new eyes.

Blood Harmony Matthew Bulgo, 2022-06-22 She used to be everywhere, all at the same time, do you know what I mean? And now she's nowhere. She was always there, that's what I'm trying to say. A fractured trio of sisters are pulled back together with news that turns their worlds upside down. Tensions from the past and worries about the future leave them feeling paralysed. When it feels like your world has come to a stop, how do you find a way to keep moving forward? Soaring music by Atlantic Records artists, The Staves, combines with dynamic movement and bold new

writing in this compelling, intimate reflection on grief and the invisible bonds within families. *Blood Harmony* is a play with songs that'll make you want to pull your family a little closer and hold them a little tighter.

Someone I Loved Anna Gavalda, 2005-04-05 How long does it take to forget the smell of someone who loved you? And when do you stop loving them? When Chloe's husband leaves her and their children for another woman, she is devastated. Unexpectedly, it's her usually distant father-in-law who comes to Chloe's aid, both with practical help and his personal wisdom on life and love. In this beautifully crafted novella, Anna Gavalda poignantly explores the fragility of human relationships.

Best Friends Forever Dawn Goodwin, 2019-08-15 Have you ever wanted to kill your best friend? Anna was the perfect wife. Perfect mother. Perfect woman. And now she's dead. These two women have been best friends forever, a lifetime of secrets lies between them and now Vicky is ready to step up into Anna's perfect shoes. might just get a little murderous. The question on everyone's lips is, who killed Anna? And what actually happened on the night she died? Perfect for fans of *The Rumour*, *The Silent Patient* and *The Suspect*.

Chloe by Design: Balancing Act Margaret Gurevich, 2015-09-01
16-year-old Chloe Montgomery beat out the competition to win Teen Design Diva, but she already has another challenge to face tackling her internship. After winning the first season of the fashion reality show, Chloe is ready to start her job with a famous designer, Stefan Meyers, in New York City. But with an old crush and new challenges to contend with, Chloe discovers that fast-paced fashion industry isn't for the faint of heart. Will she be able to make it work, or will the balancing act prove to be too much for this budding designer?

Practically Perfect Katie Fforde, 2008-04-15 Anna, a newly qualified interior designer, has decided it's time to put her money and her expertise where her mouth is and risk everything to buy a tiny but adorable cottage in desperate need of renovation. Outside, the chocolate-box cottage is perfect, but inside, all is chaos. With a ladder for a staircase, no downstairs flooring, candles the only form of lighting, and a sleeping bag and camping mat for a bed, Anna

soon wonders if she's bitten off more than she can chew. Her neighbor Chloe comes to the rescue, providing tea, wine, and sympathy---and a recently rescued greyhound, Caroline. But just as Anna's starting to settle in, make new friends, and see the house transforming before her eyes, the good-looking yet impossible Rob Hunter arrives on the scene and puts even more obstacles in her way. Will Anna be able to get over all of life's hurdles in the end, or will she stumble and fall?

One:Two The Reality of Reality Itani Netshiongolwe, Two families, very different in class. In Limpopo Musina, where we lay our scene. Affluence always makes a way, but it did nothing more than to ignite a conflagration. Thus two households tore apart in creating one. A pair of star-crossed teenage lovers who are genuinely addicted to love and threatened to be separated by one's studies and disapproval from their families, decide to head for the hills. Happily ever after doesn't go as lovely and dandy as planned, and the outcome is catastrophic. Hearts break, feelings get hurt, and their souls are left weeping. Making it in life isn't tantamount to making it in endearment. Blood saved their failure and drops of sorrow, the blood they didn't even know they shared. The Reality of reality prevails.

Taming Chloe Summers Anna Katmore, 2016 Chloe: Camp sucks. I should be on a plane to London, heading into an epic second year of college. Instead, I'm stuck on Frog Pond Mountain, tasked with supervising a horde of pubescent teens, all because I had some minor run-ins with the law. But I came here with a plan: next weekend, I'm escaping from the boondocks and swindling my way back into civilization. Unfortunately, my brilliant plan B couldn't foresee one tiny detail: Justin Andrews, alpha to the wolves and drool-worthy ghost from my past. Justin: I can't believe Chloe Summers is going to be my co-counselor at camp this year. We haven't talked in years, and we wouldn't for the rest of our lives if I had anything to do with it. But I can't get out of this summer job. Since I'm stuck with her for the next few weeks, I might as well use the time to get back at her for what she did all those years ago.

These Violent Delights Chloe Gong, 2020-11-17 An Instant New York Times Bestseller! A BuzzFeed Best Young Adult Book of 2020 Perfect for fans of *The Last Magician* and *Serpent & Dove*, this heart-stopping debut is an imaginative *Romeo and Juliet* retelling set in 1920s Shanghai, with rival gangs and a monster in the depths of the Huangpu River. The year is 1926, and Shanghai hums to the tune of debauchery. A blood feud between two gangs runs the streets red, leaving the city helpless in the grip of chaos. At the heart of it all is eighteen-year-old Juliette Cai, a former

flapper who has returned to assume her role as the proud heir of the Scarlet Gang—a network of criminals far above the law. Their only rivals in power are the White Flowers, who have fought the Scarlets for generations. And behind every move is their heir, Roma Montagov, Juliette’s first love...and first betrayal. But when gangsters on both sides show signs of instability culminating in clawing their own throats out, the people start to whisper. Of a contagion, a madness. Of a monster in the shadows. As the deaths stack up, Juliette and Roma must set their guns—and grudges—aside and work together, for if they can’t stop this mayhem, then there will be no city left for either to rule.

Chloe Does Yale Natalie Krinsky, 2005-03-01 A sparkling first novel by Natalie Krinsky, the witty, provocative sex columnist for the Yale Daily News. Chloe Carrington is a typical Yale student, except that along with toiling through the usual grind of coursework, she pens a notorious and much-dished-over sex column for the campus newspaper. This touch of fame has wrought havoc on her social and love life, turning it literally into an open book. Chloe doesn't help matters much; she likes to share and can't resist divulging the gory details of her most recent date (or lack thereof) in her column, baring her soul for all to see. Like her friends, she dreams of hooking up with Mr. Right, at least for a little while--but that proves even more arduous than participating in Yale's notorious shopping session (a two-week period in which

students are encouraged to take as many classes as possible, in order to decide what courses to enroll in for that semester). As Chloe probes the campus hot spots, we get a peek at just what goes on behind the Ivy League's dormitory doors--from drinking at Toad's to Exotic Erotic (Yale's answer to a Hugh Hefner's style Playboy party, complete with coeds in skimpy bikinis). Teeming with exuberance and late-night shenanigans, Natalie Krinsky's novel is filled with humor and candor about typical college situations both inside and outside the dorm room.
