Indulge Your Senses Michael Dorf, Paul Keegan, 2019-10-08 “Simply put, Michael Dorf is a true hustler. When the internet upended the music business, he wasn’t romantic to the way things were done and like any great entrepreneur, focused on what’s happening today. It has been fun for me to watch Michael operate in this ever-changing world. There is a lot that can be learned from this man.”—Gary Vaynerchuk, Founder and CEO, VaynerMedia; and author, *Crushing It* As founder of the iconic Knitting Factory music venue in New York, Michael Dorf became one of the earliest pioneers of digital music in the 1990s and found himself addicted to the seductive promise of the Internet. But losing everything in the dot-com bust led to a renewed appreciation for the sensory pleasures of life and inspired him to gamble big with his latest crazy idea: Launching a wine-making facility in the middle of Manhattan for patrons who could also have dinner in a cozy three-hundred-seat venue while watching concerts by artists such as Elvis Costello, Steve Earle, Suzanne Vega, and Esperanza Spalding. After surviving another economic cataclysm—the Great Recession of 2008—Dorf found that his City Winery concept worked beautifully and he expanded it into a national network of clubs that continues to grow rapidly. Along the way, he realized why his venues are sold out nearly every night, from Boston to Nashville: Trapped in a digital bubble, increasingly separate from the real world, people are eager for the visceral, sensory experiences he offers. In *Indulge Your Senses: Scaling Intimacy in a Digital World*, Dorf tells riveting tales from his wild ride through three decades of business escapades and dispenses invaluable wisdom for readers—entrepreneurs, executives, students, professionals, lovers of music and wine—who are struggling to balance the virtual and the real in a world awash in technology. “Music, wine, food, and community—not only has Michael Dorf cracked the code on a recipe so many of us crave most in an increasingly disconnected world, he’s also managed to grow a brilliantly successful business while listening to his gut and sticking to his values. It’s a feat that all entrepreneurs would be wise to study closely.” —Danny Meyer, CEO, Union Square Hospitality Group; Founder, Shake Shack; and author, *Setting the Table: The Transforming Power of Hospitality in Business* “The lessons learned in Michael Dorf’s fascinating career make this as much a business book about how to thrive by indulging a customer’s senses in our digital age as it is a gripping tale from an insider in the New York rock and jazz world during a period of massive technological change.”—Steve Case, co-founder of the investment firm Revolution LLC and former CEO of AOL “Sonic Youth, Beck, John Zorn, Cecil Taylor—Michael Dorf showcased them all at his cutting-edge Knitting Factory. Neil Young, Aaron Neville, Macy Gray, Shawn Colvin—those artists and more have graced his upscale City Winery. It’s hard to imagine anyone in New York who has presented more great live music over the past thirty years. This book is the colorful story of how Dorf pulled it off, both before and after the Internet upended the music industry and changed our lives forever. It’s inspiring reading for anybody who cares about music, culture, and wine, and explains how to thrive by offering people a live experience they will always remember.” —Rita Houston, WFUV Program Director

Indulge Me Emilia Rose, 2022-05-16 I’ll do anything to keep Michael safe, but can I do the same for myself? I’m trying to not let the rumors circulating around town destroy the best thing I’ve ever had, but it’s even harder when Michael’s ex-wife starts spreading lies about us and threatening me at work. And when my ex-boyfriend shows up at my college and promises I’ll be his again one day, things get worse. I’m scared his obsession with me may turn into physical violence. He’s never been one to lose gracefully, and he sees me as his biggest prize. With the threats coming from both sides and my best friend still not talking to me, I stand to lose everything I hold dear, especially if the rumors fall into the wrong hands. Because the lies being told don’t just threaten to pull us apart. It could land Michael in jail. This book includes tropes such as: OTT jealous possessive, new adult forbidden romance, steamy contemporary age gap, older man younger woman, best friends dad, contemporary romance.

Dopamine Nation Dr. Anna Lembke, 2023-01-03 INSTANT NEW YORK TIMES and LOS ANGELES TIMES BESTSELLER “Brilliant . . . riveting, scary, cogent, and cleverly argued.”—Beth Macy, author of *Dopesick*, as heard on *Fresh Air* This book is about pleasure. It’s also about pain. Most important, it’s about how to find the delicate balance between the two, and why now more than ever finding balance is essential. We’re living in a time of unprecedented access to high-reward, high-dopamine stimuli: drugs, food, news, gambling, shopping, gaming, texting, sexting, Facebooking, Instagramming, YouTubing, tweeting . . . The increased numbers, variety, and potency is staggering. The smartphone is the modern-day hypodermic needle, delivering digital dopamine 24/7 for a wired generation. As such we’ve all become vulnerable to compulsive overconsumption. In *Dopamine Nation*, Dr. Anna Lembke, psychiatrist and author, explores the exciting new scientific discoveries that explain why the relentless pursuit of pleasure leads to pain . . . and what to do about it. Condensing complex neuroscience into easy-to-understand metaphors, Lembke illustrates how finding contentment and connectedness means keeping dopamine in check. The lived experiences of her patients are the gripping fabric of her narrative. Their riveting stories of suffering and redemption give us all hope for managing our consumption and transforming our lives. In essence, *Dopamine Nation* shows that the secret to finding balance is combining the science of desire with the wisdom of recovery.

Enough Already Valerie Bertinelli,2022-01-18 Beloved actress, Food Network personality, and New York Times bestselling author Valerie Bertinelli reflects on life at sixty and beyond. Behind the curtain of her happy on-screen persona, Valerie Bertinelli's life has been no easy ride, especially when it comes to her own self-image and self-worth. She waged a war against herself for years, learning to equate her value to her appearance as a child star on *One Day at a Time* and punishing herself in order to fit into the unachievable Hollywood mold. She struggled to make her marriage to Eddie Van Halen – the true love of her life – work, despite all the rifts the rock-star lifestyle created between them. She then watched her son follow in his father's footsteps, right up onto the stage of Van Halen concerts, and begin his own music career. And like so many women, she cared for her parents as their health declined and saw the roles of parent and child reverse. Through mourning the loss of her parents, discovering more about her family's past, and realizing how short life really is when she and her son lost Eddie, Valerie finally said, "Enough already!" to a lifelong battle with the scale and found a new path forward to joy and connection. Despite hardships and the pressures of the media industry to be something she's not, Valerie is, at last, accepting herself: she knows who she is, has discovered her self-worth, and has learned how to prioritize her health and happiness over her weight. With an intimate look into her insecurities, heartbreaks, losses, triumphs, and revelations, *Enough Already* is the story of Valerie's sometimes humorous, sometimes raw, but always honest journey to love herself and find joy in the everyday, in family, and in the food and memories we share. "This thoughtful, bighearted book is sure to be a hit with Bertinelli fans and those with an appetite for stories of hard-won self-acceptance. A warmly intimate memoir." – Kirkus Reviews "In a series of brutally frank essays, Bertinelli looks back on the emotional struggles and triumphs of her life. By turns raw and inspiring, this contains a little bit of wisdom for everyone." – Publishers Weekly
