The Imaginary App Paul D. Miller,Svitlana Matviyenko,2014-08-29 The mobile app as technique and imaginary tool, offering a shortcut to instantaneous connection and entertainment. Mobile apps promise to deliver (h)appiness to our devices at the touch of a finger or two. Apps offer gratifyingly immediate access to connection and entertainment. The array of apps downloadable from the app store may come from the cloud, but they attach themselves firmly to our individual movement from location to location on earth. In The Imaginary App, writers, theorists, and artists—including Stephen Wolfram (in conversation with Paul Miller) and Lev Manovich—explore the cultural and technological shifts that have accompanied the emergence of the mobile app. These contributors and interviewees see apps variously as “a machine of transcendence,” “a hulking wound in our nervous system,” or “a promise of new possibilities.” They ask whether the app is an object or a relation, and if it could be a “metamedium” that supersedes all other artistic media. They consider the control and power exercised by software architecture; the app's prosthetic ability to enhance certain human capacities, in reality or in imagination; the app economy, and the divergent possibilities it offers of making a living or making a fortune; and the app as medium and remediator of reality. Also included (and documented in color) are selected projects by artists asked to design truly imaginary apps, “icons of the impossible.” These include a female sexual arousal graph using Doppler images; “The Ultimate App,” which accepts a payment and then closes, without providing information or functionality; and “iLuck,” which uses GPS technology and four-leaf-clover icons to mark places where luck might be found. Traveling Junkie Howie Junkie,2015-12-03 From the Desk of the How-To Junkie for the Traveling Junkie: Howdy friend, who wants to travel for vacation on a budget, Let me guess, you are looking for a getaway. By getaway, I mean vacation. Ah yes, the vacation that you've been dreaming about all year. Well you certainly deserved to! After all, what's the point of living and not enjoying? Traveling offers that much needed relaxation to get away from everything with yourself or with friends and families. It allows you to clear your head and remember why life is so freaking awesome, and revitalize yourself to refocus your perspective on things. But what's the biggest setback stopping our fellow travelers from doing it more often? Work? Time? How about the biggest hurdle of them all - money? Let's face it, vacations don't come cheap. They cost money, but that doesn't mean you have to spend a ton of dough or lose a leg to afford it. You just may not know how to best go about it, know what to do, or are simply overwhelmed. Fret not! On the other hand, perhaps you're one of those lucky folks who get to go on permanent vacation whenever you want and money is not an issue, but still, wouldn't you rather enjoy more savings and travel the smart way? That's why we're focusing on the fastest way to get going on a vacation, regardless of whatever limited-vacation time you may have, and travel on a budget. By being a Traveling Junkie, you will know: * How to plan a vacation fast even if you don't know where to go. * How to find the cheapest flight deals the smart way step-by-step. * How to book your accommodations to save tons of money. * How to calculate your budget and not go over expenses. * The secret insider tips only experienced savvy trailers know and do. ...and full-satisfied junkie more. So what are you waiting for? Instead of dreaming about sipping coconut under a palm tree, be actually doing it! And send me a postcard while you're at it (even if you don't like coconut staying at some big city instead). Plan your vacation now! Signing off. Your friend, - The How-To Junkie

Confessions of a Self-Care Junkie Christy Primmer,2021-01-06 We live in a time when more women are raising their hand and demanding to be seen and heard. Women have endless possibilities to create their dream business,

relationships, and lifestyle. It's a time of celebration and yet, a time to bring awareness to a bigger issue many women face. The fear trap, a trap that holds women prisoner to their past, stuck in shame, and afraid to act. Women want to know if they can have it all. Author Christy Primmer knows they can. In *Confessions of a Self-Care Junkie*, she shares that the secret to living your best life is hidden in your self-esteem, trust, and ultimately, your self-care routine. Inspired by her own journey of self-discovery, Primmer details how she learned to love herself, build her faith, and live a life she only dreamed of. Every confession highlights an area of both struggle and growth while teaching the importance of self-care from six different angles. Primmer tells how she went from living on the sidelines to center stage of her own life, discussing how releasing the need to be liked transformed the woman she is and how she lives. Inspirational, *Confessions of a Self-Care Junkie* gives you practical strategies to unleash your inner possibilities, release the fear, and live free.

The Life Junkie Simon A. Bubb, 2015 *The Life Junkie* is the revolutionary new paradigm in lifestyle design that will get your life on track today. This awe-inspiring new book describes how the Life Points system provides an objective approach to living, so that your life can be measured and improved upon over time. The Life Points system is simple: every aspect and significant things you do in your life is worth a Life Point and, the more good things you do in each of the six Life Elements, the higher your total Life Score. As your Life Score increases, you will start to feel better in life. Aiming for a 70% Life Score balanced throughout your six Life Elements is the key to success: Home Work Self-Development Pleasure Social Partner Although the world frequently goes through periods of economic uncertainty, the rich are still getting richer and inequality is as widespread as ever. One aspect that levels the playing field for all of us is our capacity to experience satisfaction and happiness in our lives. People are realising that we are moving into an ideas economy where our minds are driving the world forward more than our hands. With this shift away from excess and materials into ideas and services, having a positive life experience is becoming more important than money. You may be cash rich and time poor. Or worst still, cash and time poor. However, neither of these circumstances preclude the opportunity to become addicted to leading a better life. What makes this book different? There are many self-help books out there, but you will not find many that will provide you with a proven step-by-step rational guide on how to lead a satisfying life. This book has a measurable and repeatable life-design system that motivates you to regularly gain Life Points based on your intrinsic values. From the Back Cover THE STEP-BY-STEP GUIDE TO USING THE LIFE POINTS STRATEGY. GET THE MOST OUT OF YOUR LIFE TODAY. GDP is dead. Throughout the world, a major shift towards measuring satisfaction and happiness is happening in order to give a true reflection of a nation's wellbeing. Are you concerned that your life is not as good as it could be? Have you ever thought about how to create a balanced and happy life for yourself? Leading a balanced and satisfying life is a challenge that many people struggle to overcome because they don't understand what they want and how much control they really have to change. Often their own limiting beliefs are holding them back. *The Life Junkie* provides a practical guide on how to measure and improve your life satisfaction on a regular basis. A by-product of higher satisfaction levels is a sense of happiness. Every activity you participate in will give you Life Points. The more you do in each of the six Life Elements, the higher your total Life Score. Aiming for a Life Score of 70% will give you purpose and fulfilment like you've never experienced before. This tried and tested objective strategy will help you analyse and overcome your limitations and direct you towards being a better you. Life is a game. Make sure you win: become a Life Junkie addicted to increasing your Life Score by using the Life Points strategy.

Grease Junkie Edd China, 2019-05-16 SUNDAY TIMES BESTSELLER. As you'll discover in his incomparable memoir, inventor, mechanic, TV presenter and walking tall as the definition of the British eccentric, Edd China sees things differently. An unstoppable enthusiast from an early age, Edd had 35 ongoing car projects while he was at university, not counting the double-decker bus he was living in. Now he's a man with not only a runaround sofa, but also a road-legal office, shed, bed and bathroom. His first car was a more conventional 1303 Texas yellow Beetle, the start of an ongoing love affair with VW, even though it got him arrested for attempted armed robbery. A human volcano of ideas and the ingenuity to make them happen, Edd is exhilarating company. Join him on his wild, wheeled adventures; see inside his engineering heroics; go behind the scenes on Wheeler Dealers. Climb aboard his giant motorised shopping trolley, and let him take you into his parallel universe of possibility.

Testo Junkie Paul B. Preciado, 2013-09-23 This visionary book on gender and sexuality weaves together high theory and intimate memoir, with spectacular results—and the gendered body will never be the same again (Jack Halberstam). What constitutes a real man or woman in the twenty-first century? Since birth control pills, erectile dysfunction remedies, and factory-made testosterone and estrogen were developed, biology is definitely no longer destiny. In this penetrating analysis of gender, Paul B. Preciado shows the ways in which the synthesis of hormones since the 1950s has fundamentally changed how gender and sexual identity are formulated, and how the pharmaceutical and pornography industries are in the business of creating desire. This riveting continuation of Michel Foucault's *The History of Sexuality* also includes Preciado's diaristic account of his own use of testosterone every day for one year, and its mesmerizing impact on his body as well as his imagination.

Political Junkies Claire Bond Potter, 2020-07-07 A wide-ranging history of seventy years of change in political media, and how it transformed -- and fractured -- American politics With fake news on Facebook, trolls on Twitter, and viral outrage everywhere, it's easy to believe that the internet changed politics entirely. In *Political Junkies*, historian Claire Bond Potter shows otherwise, revealing the roots of today's dysfunction by situating online politics in a longer history of alternative political media. From independent newsletters in the 1950s to talk radio in the 1970s to cable television in the 1980s, pioneers on the left and right developed alternative media outlets that made politics more popular, and ultimately, more partisan. When campaign operatives took up e-mail, blogging, and social media, they only supercharged these trends. At a time when political engagement has never been greater and trust has never been lower, *Political Junkies* is essential reading for understanding how we got here.

Confessions of a Credit Junkie Beverly Harzog, 2013-11-25 Credit card expert Beverly Harzog shares how she went from being a credit card disaster to a credit card diva. When Beverly got out of college, she spent the next 10 years racking up debt on seven credit cards. Credit card limits, she believed, were merely "guidelines," certainly not anything to be taken seriously...especially if she was in dire need of a new pair of shoes. The fact that she was a CPA at the time adds an ironic twist to the credit quagmire she slowly descended into. In *Confessions of a Credit Junkie*, Beverly candidly details her own credit card mishaps and offers easy-to-follow advice, often with a touch of Southern humor, to help others avoid them. In this much-needed book, you'll learn: How to use the Credit Card Personality Quiz to choose the right credit cards The seven ways to use a credit card to rebuild credit How

to get out of debt using a balance transfer credit card—and pay zero interest while doing it Credit card strategies to save a bundle on groceries, gas, and more Anyone in debt will benefit from the down-to-earth, practical tips Beverly offers.

Fitness Junkie Lucy Sykes,Jo Piazza,2018-06-26 A GMA SUMMER MUST-READ! From the bestselling authors of The Knockoff, an outrageously funny novel about one woman's attempt—through clay diets, naked yoga, green juice, and cultish workout classes—to win back her career, save her best friend, and lose thirty pounds. When Janey Sweet ... navigates topless yoga and ruthless cycling classes in Lucy Sykes and Jo Piazza's satire, she realizes she's better off without the green juice. —Us Weekly When Janey Sweet, CEO of a couture wedding gown company, is photographed in the front row of a fashion show eating a bruffin--the delicious love child of a brioche and a muffin--her best friend and business partner gives her an ultimatum: lose thirty pounds or lose your job. Sure, Janey has gained some weight since her divorce, and no, her beautifully cut trousers don't fit like they used to, so Janey throws herself headlong into the world of the fitness revolution, signing up for a shockingly expensive workout pass, baring it all for Free the Nipple yoga, and spinning to the screams of a Lycra-clad instructor with rage issues. As Janey eschews carbs, pays thousands of dollars to wellness gurus, and is harassed by her very own fitness bracelet, she can't help but wonder: Did she really need to lose weight in the first place?

Critical Thinking Junkie Howie Junkie,2017-05-01 From the Desk of the How-To Junkie for the Critical Thinking Junkie: Howdy friend, who wants to develop critical thinking, In the old days where famous Greek philosophers - like Socrates, Plato, and Aristotle - would conglomerate in the public square Agora of Athens, people from all over would gather around to listen attentively to their enlightening thoughts. Why would people put their fate and trust in the credibility of these great orators' words? That's because they all had exceptional critical thinking abilities - to be able to decipher fact from fiction, to understand true from false, and derive at insightful conclusions. But wait! Why should I care? I have zero interest in being a philosopher you say? Well, think about it for a second... Critical thinking is a skill you can use and have to improve your day-to-day function and productivity by allowing you to think sharply and clearly to easily solve problems and make better decisions within your life. Shall we say more? There are just immense benefits to being a better critical thinker. But how do you go about developing your critical thinking skills? By being a Critical Thinking Junkie, you will know: * How to evaluate your own critical thinking process by going through the 5 Self-Critiquing Methods. * How to apply the Existentialism Gap to take control of your thoughts from making rash irrational decisions. * How to avoid the trap and danger of poor judgment by not being able to see viewpoints from every angle. * How to switch your brain around from the old way of thinking that may not have been working out for you to a better way. * How to think interdependently with other people involved to challenge you to push the boundary of your thoughts. ...and full-satisfied junkie more. If you are still wondering why you would need critical thinking skills, then you aren't thinking critically enough to see how much your life could improve when you start having more aha moments and better life choices. So be the critical thinking junkie! Signing off. Your friend, - The How-To Junkie

Proceedings of the 3rd International Conference on Digital Economy and Computer Application (DECA 2023) Charles Chen, Satya Narayan Singh, Sandeep Saxena, Ali Hussein Wheeb, 2024-01-02 This is an open access book. The 3rd International Conference on Digital Economy and Computer Applications (DECA 2023) will be held on September 22–24, 2023 in Shanghai, China. Digital economy is the main economic form after agricultural economy and industrial economy. It takes data resources as the key element, modern information network as the main carrier, and the integration and application of information and communication technology and all-factor digital transformation as the important driving force to promote a new economic form that is more unified in fairness and efficiency. The essence of digital economy is informationization. Informatization is a social and economic process caused by the revolution of production tools, such as computer and Internet, from industrial economy to information economy. The theme of the conference mainly focuses on digital economy and computer applications and other related research fields, aiming to provide an international cooperation and exchange platform for experts and scholars in related research fields and enterprise development personnel to share research results, discuss existing problems and challenges, and explore cutting-edge technologies. We sincerely invite experts and scholars from universities and research institutions at home and abroad, entrepreneurs and other relevant personnel to contribute and participate in the conference. The DECA 2023 is accepting papers for proceeding publication. We accept contributions from those who care about exploring and enhancing the research and innovation in Digital Economy and Computer Applications in the world. The directions of the call for papers are as follows: Internet of Things (IoT), Blockchain Technology, Service-Oriented and Cloud, Industry Track, Deliver the Intelligent Enterprise, Mobile business and Autonomous Computing and other papers in line with the direction of digital economy and computer applications. We welcome submissions from scholars, students, and practitioners across many disciplines that contribute to the study and practice of Digital Economy and Computer Applications.
