AKASHVANI All India Radio (AIR), New Delhi ,1974-06-02 Akashvani (English) is a programme journal of ALL INDIA RADIO, it was formerly known as The Indian Listener. It used to serve the listener as a bradshaw of broadcasting ,and give listener the useful information in an interesting manner about programmes, who writes them, take part in them and produce them along with photographs of performing artists. It also contains the information of major changes in the policy and service of the organisation. The Indian Listener (fortnightly programme journal of AIR in English) published by The Indian State Broadcasting Service, Bombay, started on 22 December, 1935 and was the successor to the Indian Radio Times in English, which was published beginning in July 16 of 1927. From 22 August ,1937 onwards, it used to published by All India Radio, New Delhi. From 1950,it was turned into a weekly journal. Later,

whip-smart debut set in a world where the ultimate matchmaking app has redefined romance. Twenty-nine-year-old Anna is smart, vivacious, and in the midst of a complete existential meltdown. Sure, from the outside everything in her life seems to be going just fine: She has a decent job, a devoted BFF, and a lovely boyfriend named Pete with whom she is exactly 70% compatible, according to Kismet, the matchmaking app that everyone in Anna's world uses to find love. Still...isn't there supposed to be more to life than this? Should she settle for a secure and predictable existence with Pete, or risk everything for a life of passion and adventure? With true adulthood (the dreaded thirty) just weeks away, Anna secretly re-joins Kismet, and soon encounters Geoff, a dashing, forty-something journalist with whom she has a shockingly high compatibility score of 81. How can she not at least see where this goes...? A funny and propulsive love story for our over-networked age, KISMET challenges us to take stock of how technology shapes our desires and what it means to settle.

International Co-operation in Civil and Criminal Matters David McClean, 2012-06-14 For over a century states have co-operated in providing evidence for use in civil trials in other countries. The growth of international crimes such as drug-trafficking, money-laundering, terrorism, and insider-trading now pose a substantial threat to the economies and stability of states, and governments and international organizations have been quick to expand past experience into a variety of responses - both diplomatic and institutional - to the new international crimes. This book sets out the law applicable to co-operation between states in these areas, and investigates the relevant practice and case law. It discusses both the civil and criminal dimensions of international co-operation. The new edition

incorporates the vast number of developments that have taken place since the previous edition published in 2002, including the European Union's resolve to build an area of freedom, security, and justice, and the recent major update of the Commonwealth Scheme.
