Uncopyable Steve Miller,2020-03-03 What separates average businesses from extraordinarily successful ones? Better product? Nope. Your competitor will rapidly reverse-engineer your secret sauce and get their better-than-you version on the market faster than you can say Usain Bolt. Better customer service? Guess what? All of your competitors say they provide the best customer service. It's a wishy washy phrase ... a vague generality with no meaningful specific. Better pricing? You're kidding, right? The company that lives on price dies on price. Harsher reality: Almost all industries today struggle with the increasing commoditization of their products and services, putting considerable pressure on prices and margins, leading to fiercer competition. The Solution? You must create an Uncopyable Attachment with your customers. They must see you as not only delivering a superior product but also as a high-value relationship they simply cannot get anywhere else. In *Uncopyable*, Steve Miller compellingly argues that new advantage isn't found by going outside the box - you must actually build your own box. *Uncopyable* will guide you to achieving an unfair and enduring competitive advantage.

Delvers LLC Blaise Corvin,2017-11-09 By working together, Henry Sato and Jason Booth have managed to survive their unwanted trip to Ludus, an experiment planet. The two American men will face their greatest challenges yet while working as conscripted Berber Intelligence agents. The Life and Adventures of Alexander Selkirk, the Real Robinson Crusoe: A Narrative Founded on Facts John Howell,2023-07-18

The Adventures of Mark Twain by Huckleberry Finn Robert Burleigh,2014-10-21 Everyone knows the story of the raft on the Mississippi and that ol' whitewashed fence, but now it's time for youngins everywhere to get right acquainted with the man behind the pen. Mr. Mark Twain! An interesting character, he was...even if he did sometimes get all gussied up in linen suits and even if he did make it rich and live in a house with so many tiers and gazebos that it looked like a weddin' cake. All that's a little too proper and hog tied for our narrator, Huckleberry Finn, but no one is more right for the job of telling this picture book biography than Huck himself. (We're so glad he would oblige.) And, he'll tell you one thing—that Mr. Twain was a piece a work! Famous for his sense of humor and saying exactly what's on his mind, a real satirist he was—perhaps America's greatest. Ever. True to Huck's voice, this picture book biography is a river boat ride into the life of a real American treasure.
