Messages of Encouragement Wanda Levy, 2020-01-16 Messages of Encouragement has sixteen individual messages, one for every reader. It encourages, support, and teaches the Bible on a level everyone can understand. This book incorporates stories from the Bible and shows the connection with today's problems/issues. The Bible truly is made simple to comprehend. This book gives you the freedom and courage to open up about your problems. The Bible says, Christians all around the world are going through the same sufferings. So know that you are never alone. You must know who you are before you are. Answering questions on why you are more down than up. Searching for a peace that only Christ can give. If you must think about a particular place or situation to bring relaxation and peace, this means you are not in peace. This is the world's description of peace. You may be wondering if you are supposed to be here. I too once had this same thought and contemplated suicide. Christ did not judge me; he intervened and save me. This book is not to judge nor condemn you but to help you. Confused as to how do you find the good in a bad and hopeless situation? I do not have all the answers, but I know a God who does. When

we discount people, we lessen their value. We are saying they are less than what Christ created them to be, or what we perceive, or others say they are. The world has a favorite saying, It is what it is. The Holy Spirit says otherwise, No it is not what it is, it is what the word of God says it is. And if it is not in the word, you need to leave it alone. At night, many of you may have the same or similar problem that I do. When you lie down to sleep, you have a pillow, bed, and all the comforts of home. I would think about all the people that depend on me daily and all the tragedies I would see on TV. With all the burdens, anxieties, and stresses of the day, I would find myself saying, Lord, I have no place to lay my head. Does this sound familiar? I have a home, yet I was homeless in the mind. Burdens and stresses will weigh you down and drain your energy. Learn how to relinquish control to Christ. Selling Christ was a very difficult and dangerous job in the Bible. It kept the Apostle Paul on the run and in fear for his life. Many Christians are finding out it is still difficult on today. It will get you hated, talked about, lied upon. You may be called a child of the Most High God. But I can guarantee you, it will get you called some other names by Christians you did not expect. This, too, I have had to experience firsthand. Many Christians I have talked with wants to give up on life and quit. Messages of Encouragement gives you hope to keep going until you receive your breakthrough. You will see history consistently repeating itself.

Speaking from the Shadows David Barringer, 2023-08-10 If discouragement is the common cold of our emotions, then depression is the cancer. I love Jesus, I pastor a church, and I deal with bouts of depression. For years I've been wanting to read a book about depression not only from a Christ-centered perspective but from a leader who knew the struggle personally. It was Toni Morrison who once said, "If there's a book that you want to read, but it hasn't been written yet, then you must write it." Thus you have *Speaking from the Shadows*. For those who deal with depression, this is my attempt to articulate what you and I experience that others don't understand. For those who've never dealt with depression, this is my endeavor to "pull back the curtain" to let you see into our world to be a support and help through shadowy times. Darkness does not discriminate, but neither does the light. So, like a lantern chasing away a shadow, my heart would be that this book would penetrate the darkness of what depression has been doing and bring hope to lives, marriages, and families. It's time to bring light to a darkness that affects over 18 million adults every year. It's time to bring hope to a largely ignored topic that claims more lives than homicide. It's time to normalize vulnerability. It's time to normalize getting the professional help we need. It's time to recognize the healing virtue that Christ brings. There is a hope. And His name is Jesus.

Between Good and Evil Marina Ovsyannikova, 2023-04-14 On March 14, 2022, Marina Ovsyannikova raised a banner on the main evening news of Russian television with the inscription “Stop the war. Don't believe the propaganda.” in English. She was immediately taken to the police station where various investigators interrogated her for almost a day. Working in the international newsroom, Marina Ovsyannikova has long known that the Kremlin was constantly lying to the Russian people. The war in Ukraine became a point of no return for her—it was impossible to remain silent any longer. In order to tell people the truth, she sacrificed everything: home, family, work, and a prosperous life. The daughter of a Ukrainian father and a Russian mother, Marina Ovsyannikova subtly felt the tragedy of the Ukrainian people. As a child, she experienced the same thing that Ukrainian refugees are now experiencing when her house in Grozny was destroyed during the First Chechen War. The live protest was the start of an

incredible ordeal. Ovsyannikova continued to work as a journalist from abroad, trying to cover the conflict in Ukraine, but accidentally found herself in the midst of an information war. In Russia, she was accused of having links with the British Embassy, and in Ukraine, she was accused of working for the Russian special services (FSB). Ovsyannikova became the object of constant bullying on the internet, and her ex-husband, who works in the top management of RT (Russia Today), sued her to try to take her children away. Her son and her mother already turned away from her, so she had no choice but to put her life in incredible danger and fly back to Moscow to fight for her young daughter. Marina Ovsyannikova was arrested for speaking out against the war. She spent the night in prison, after which the judge placed her under house arrest. She faced up to ten years in prison under a new criminal article. A few days before the trial, by some miracle, Ovsyannikova managed to escape from house arrest with her daughter. The Russian authorities put her on the international wanted list.
