**Tales of the Nephilim** Michael Crowe, 2016-08-04 Eggmen and Emeralds The Gentiles tried to confound the followers of the prophet after they tarred and feathered him in Missouri and murdered him in Illinois. The Lehmanites and the Sons of Seth came to our aid by the glory of God even though we had slandered them, and the nation of the Latter-Day Saints was arisen. The Mormon Ascendancy The Mormon ascendancy, whereby they settle California, only occurs on time lines where a variety of unlikely events all occur. Chief among these unlikely events is the rise of a colored man (a person of partially African descent), James Douglas, to the post of governor-general of the Pacific Northwest colonies of the British Empire. He was not only their first governor-general but also their founder, having first founded the colony of Vancouver Island with a fort and townsite at Victoria. Later, he founded the mainland colony of British Columbia as well. Hughy Rough Shanks and the Virgins The legend of Hughy and the maidens was known on all the worlds of men. The story varied from ribald drinking songs on one world to serious religious stories on another, but the legend was always essentially the same. The aliens had intended to destroy earth, but before they had done

so, Hughy and the virgins had spread human beings far and wide to other stars. In doing so, they frightened the aliens so badly that they had moved far away from the contagion. Here we have the story of Hughy Rough Shanks and the maidens and how they saved mankind.

**Alien Indiscretions** Tracy St. John,2018-05-22 Long-hidden secrets threaten to shatter their love...and the Kalquorian Empire. Cissy Salter is more than ready to shed Earth's repression when she moves to the planet Kalquor. She leaps headlong into drinking, partying and liaisons with young alien men. She would be having the time of her life if not for the disapproval of a certain rich, gorgeous Dramok she can't avoid. She'd love to despise him, but her heart has other ideas. Dramok Diltan sees the bawdy, unrefined Cissy as a thorn in his side. The last thing he needs is a woman who drives him crazy every time they meet. Yet the spark in her eyes kindles a fire he can't ignore. His enthralled clanmates Wal and Rolat are determined to get the two to stop fighting, at least long enough to explore the possibility of making Cissy part of their clan. When they discover Diltan's past misdeeds, Wal and Rolat issue an ultimatum—help them seduce the Earth-woman or face punishment. As Cissy and Clan Diltan discover each other's true natures and love blooms, the long-hidden secrets of Kalquor's leadership are revealed. An old conspiracy brought to light shatters Kalquor's peace, driving the Empire apart...and tearing Cissy from the arms of the three men she can no longer live without.

**Troubleshooting SharePoint** Stacy Simpkins,2017-11-24 Utilize a treasure trove of free SharePoint troubleshooting tools and receive insightful guidance about the types of SharePoint issues that can be discovered through their use. Chapters in this book contrast solid and least privileged builds in order to help you understand the types of issues that are raised when farms are not built the least privileged way. Because SharePoint errors often present themselves one way, when an issue is actually something entirely different, the process of finding the root cause can feel like going down a rabbit hole. Hands-on exercises get you comfortable with logs so you can

efficiently and effectively “explore the rabbit hole.” Troubleshooting SharePoint also demonstrates how to identify components and settings that enter an environment where access has been restricted. The author shares his proven methods for researching an issue based on what appears in the logs, with the understanding that often it is not as simple as asking a question, but how you ask it that leads to the right answer. What You’ll Learn Utilize networking tools such as NetMon, WireShark, and Fiddler for troubleshooting Master SharePoint PAL, Webalizer, Indihaing, Developer Dashboard, the Feature Admin tool, and more Become proficient using Timer Jobs and Search Diagnostics Understand how various files are accessed by IIS sites and within the server file system Discover how IIS mappings and file permissions affect issues Troubleshoot with ULS Viewer, PowerShell, and tools such as ProcMon, PerfMon, and Event Viewer Meet your new best friend, the ULS Viewer Use Event Viewer as a troubleshooting source Become conversant in the “language” of SharePoint from the log’s perspective Who This Book Is For SharePoint administrators and developers who want to learn how to quickly diagnose and resolve issues in any SharePoint server in SharePoint farms where admin access is possible

The Shape of Time George Kubler, 2008-04-17 When it was first released in 1962, *The Shape of Time* presented a radically new approach to the study of art history. Drawing upon new insights in fields such as anthropology and linguistics, George Kubler replaced the notion of style as the basis for histories of art with the concept of historical sequence and continuous change across time. Kubler’s classic work is now made available in a freshly designed edition. “*The Shape of Time* is as relevant now as it was in 1962. This book, a sober, deeply introspective, and quietly thrilling meditation on the flow of time and space and the place of objects within a larger continuum, adumbrates so many of the critical and theoretical concerns of the late twentieth and early twenty-first century. It is both appropriate and necessary that it re-appear in our consciousness at this time.”—Edward J. Sullivan, New York University This book will be of interest to all students of art history and to those concerned with the nature and theory of history in general. In a study of formal and symbolic durations the author presents a radically new approach to the problem of historical change. Using new ideas in anthropology and linguistics, he pursues such questions as the nature of time, the nature of change, and the meaning of invention. The result is a view of historical sequence aligned on continuous change more than upon the static notion of style—the usual basis for conventional histories of art. A carefully reasoned and brilliantly suggestive essay in defense of the view that the history of art can be the study of formal relationships, as against

the view that it should concentrate on ideas of symbols or biography.—Harper's.It is a most important achievement, and I am sure that it will be studied for many years in many fields. I hope the book upsets people and makes them reformulate.—James Ackerman.In this brief and important essay, George Kubler questions the soundness of the stylistic basis of art historical studies. . . . The Shape of Time ably states a significant position on one of the most complex questions of modern art historical scholarship.—Virginia Quarterly Review.

Hattie Ellis traces the chickens evolution and history in farming, and reveals the grotesque scandal of the modern chicken industry, and its effect on our health. But she also talks to chicken lovers around the world, from West Indian jerk-chicken stall holders to Provençal chefs, and to the pioneers who are bringing real chickens back to our tables. This will be a shocking and informative read, but also an inspiring one.

The Search for Self-definition in Russian Literature Ewa M.

Thompson,1991-01-01 In Gorbachev's Russia and outside of it the strength and scope of Russian nationalism is currently a subject of strenuous scholarly debate. The many and varied forms national ideology takes in Russian literature are the subject of this collection of essays. Over the past two hundred years Russians have used their literature to express both conformist and nonconformist views on the relationship between the individual and society and on Russian national destiny. Pushkin, Dostoevsky, Grossman, Tvardovsky, Rasputin, Zinovyev and others have taken diverse stands in regard to Russian nationalism, and their points of view are explored in this book. Several chapters offer suggestive overviews of nationalism's role in literature. The influence of Stalinist mentality on nationalism is also explored, as are the overt expressions of nationalist sentiments in the conditions of Gorbachev's glasnost. This book offers a rare insight into the present Soviet Russian literary scene, and it will help refocus future studies of Russian literature.

The beer is flowing. Simple, right? But for 11 different people the motives are way more complicated. As each character takes a turn and tells his or her story, the eleven individuals intersect, and reconnect, collide, and combine in ways that none of them ever saw coming.
