*The Last Human* Ben Klarich,2021-04-03 Earth is lost. Like the human colony on Mars and Lunar City, it was destroyed by an alien race called the Rhians. Aggressors in a war against humankind, the Rhians are stronger, more advanced, and more brutal than any other known species. The conflict is over; only one human remains. Felix stares across a distant planet, orbiting on a space station as his last refuge. What will become of him? A prisoner? An exhibit at a zoo? Hatching a plan to escape, he chooses freedom. After all, it rests with him to keep his kind from extinction. Protected by a formidable commander, pursued by a resourceful intelligence officer, Felix must navigate strange worlds and high political stakes to find his way. The Last Human is a fast-paced journey across new galaxies and civilisations, in a race to uncover the truth and perhaps, even hope.

**Research Handbook on Small Business Social Responsibility** Laura J. Spence,Jedrzej George Frynas,Judy N. Muthuri,Jyoti Navare,2018-01-26 The vast majority of businesses globally are small. If business is to be socially responsible, we need to go beyond the westernised concept of 'Corporate Social Responsibility', to develop 'Small Business Social Responsibility'. This agenda-setting Research Handbook on Small Business Social Responsibility includes leading research from around the world, including developed and developing country contexts. It provides a foundation for the further development of small business social responsibility as a scholarly subject and crucially important practice and policy field.

*Palace Smash Into Slum* Ashok Masillamani,2023-10-25 This novella, “Palace Smash into Slum” holds aloft the value for humanity, in this world ravaged by wars, loss of humanism, induced by barbarism, hence suffering with corona now. Delineating, the change of heart, that happens gradually in a Zameen family still living in the hangover of its past old glory, ‘this novella’ captures the sequence of events and also the transition of a royal mind-set to love and care for all human beings, through the life of Marudhu Pandiar, the elderly Zameendar, his son Anbu Chezhan and the latter’s wife Tamilselvi. The characters from lowest rung of the society Kripai Amma, Anjalai, Kanniappan, and Munusamy – are described in contrast with the Zameen characters, in such a way that these society’s lower rungs display of timely action pulls down the curtain divider, as all of them mingle with each other, to raise to the occasion as per situation demanded, results in demolishing barrier-division, of inequality. It is relevant to all times, stressing as it does, the precedence of humanism over all man-made divisions in the name of caste, religion, creed and economics.

Crutchman Ashok Pal,2015-01-23 For some, he was a four-legged animal while for others; he was a dog without a tail. For most people, he was a man who walked with the help of crutches. But for himself,he was a “Crutchman” whose extraordinary power was his “will power”. Welcome to the world of Akash – who, in spite of his disability, strives hard with the help of his two friends, Darsh and Nakul to create his own destiny. Darsh had fallen for a girl whom he had met on a blind date while Nakul’s eyes were set on a married woman. Although each one of them had their own issues to deal with, their viewpoint towards one thing was common: and that was finding a JOB – which they believed stood for ‘Joker of Boss’.Will their crazy business ideas help them conquer the world? Or will they succumb to the pressure of betrayal, corruption and hardship that comes their way while chasing their dreams?

Ashok Kumar Nabendu Ghosh,1997

**Hero Vol.2** Ashok Raj,2009-11-01 This volume focuses on the life and times of the ‘star of the millennium’, Amitabh Bachchan, and goes on to describe his contemporaries such as Shashi Kapoor, Dharmendra and Vinod Khanna, and also the next generation of heroes, including the Khans, Govinda, Hrithik Roshan and others who have followed. Ashok Raj is a research coordinator based in New Delhi. An alumnus of the Indian Institute of

Technology, New Delhi, he has served as a consultant to several national and international organizations and NGOs in various spheres such as science, culture and the media. His significant work is a sixteen-part series on cinema, which was published in Screen (in 1988).

My Father Drank My Lover and Other Stories Ashok Banker, 2018-04-19 A bag travels the universe looking for evil, bigoted civilizations to consume. The machinations of a dark and terrible goddess lead to unexpected outcomes. A girl child is married off in a technologically advanced dystopic world steeped in prejudice and intolerance. A desperate mother tries to bring her children back to nature from a digital existence. In each of these stories and more, Ashok Banker assaults the senses through shock and awe. Exploring overarching themes of love, feminism, equality and social justice, these eleven refreshingly original works of imagination are powerful, dark and haunting. Published in a collection for the first time in India, the tales are macabre yet stunning, honest parables of our world.

*Hero* Ashok Raj, 2009-11-01 This volume traces the growth of the indigenous Hindi film hero from the silent era up to Dilip Kumar. The film hero is depicted as a credible representative of the social, cultural and political milieu of his era. The author contends that the development of Hindi cinema has been largely centered round the frontal figure of the hero. In the course of the narrative, the subject matter presents a compact history of mainstream Hindi cinema by placing personalities, events and trends in specific time frames.

*A Tale of Two Countries* Ashok Sharma, 2012-10-24 A Tale of Two Countries- is a contemporary, mainstream novel about the first and second generation of immigrants of Asian Indian origin in pursuit of the American Dream- the rewards and woes it brings. At one level, the story explores alien psyche, emotional angst, dreams and conflicts of several interesting and multicultural characters, revolving around three friends settled in USA for over thirty years, who knew each from back home living in the same neighborhood in Delhi. On a deeper level, it is a moving and intricate love story (and stories) of these three characters, their unrequited loves, temporary affairs and arranged marriages, and redeeming value of their friendships- and ends when the trajectories of their lives make a sudden intersection at the WTC on 9/11. The major character of this story is Robin Arya, an engineer, failed entrepreneur (also called-a man with bullet in the head) shot during a robbery attempt at his Maryland store and taken to India by his parents who were visiting him in USA to attend the funeral of his wife. He miraculously survived with surgery and the only effects appear to be emotional- lucid dreaming and nostalgia for good old days both in India and USA. His childhood love is Vanita Mehra, the two of them were born on the same day in a hospital in Lahore but she ends up marrying Robin's friend (who tries to set her on fire and she kills him in self-defense), when he has to flee India during the Emergency Rule and ends up in USA while she moves to Canada and later starts working at the UN in New York. The book starts with a scene, in which Vanita Mehra has promised their precocious son Baby Michael that she will let him fly a kite from the top of WTC, which happens to be the fateful day of 9/11- they are both trapped on the roof of North Tower from where she makes a long farewell phone call to her newly wedded husband for recording in her lower Manhattan apartment since he is in India, reflecting on the twists and turns in their lives like in a Bollywood movie but eventually love had triumphed, and all the while she is talking, Baby Michael is unfurling his large pink kite so both of them can hang on to it- believing they can escape from the burning tower. And from here, the story moves backward in time in a non-linear narrative style that alternates back and forth in settings from India to Washington DC/Maryland suburbs. Two other major characters are Robin's friends: one of them is Naren "Nick" Grover, the crooked immigration lawyer who was married twice in USA and then went to India for arranged marriage to a woman lot younger than him and later has two daughters with her; and the third of triad of friends is Dr. Adi Shankar, a cardiologist who went to India for a visit and was forced into an arranged marriage to a woman from a business family by his parents and he did not have the courage to refuse- even though he was in love with this white American girl Autumn Rose of the beat generation to whom he was engaged and she was pregnant. Other minor characters in this book are: Robin's wife Ruby Joyce of mixed Indo-American Jewish origin who becomes a Buddhist nun, spending a year seeking nirvana in a solitary cave in the Himalayas, later dies of accidental drug overdose and was put in a cryogenic preservation ("American Ice Mummy") by her father Dr. Jason Joyce, a biotech scientist; Robin and Ruby Joyce's son Baby Michael, a "test-tube" born child prodigy; Robin's father, Rampal Arya- a retired journalist translating Urdu work of great poet Mirza Ghalib into English, and Robin's possessive mother Nandini; a Bollywood star Faroze Khan with whom Naren Grover's wife elopes to Bombay to get married; Dr Adi Shankar's illegitimate daughter Dawn Rose from his previous affair working in a topless bar in Washington DC, who shows up twenty years later at his son's wedding; and many others.

My Father Drank My Lover Ashok Banker, 2018-04-19 A young woman learns for the first time what is it to love and lose. Set in the mythical land of the Asuras, Vishparva, Ashok Banker assaults the senses through shock and awe in this powerful and haunting story. Published for the first time in India and exploring overarching themes of love, feminism and the Hindu concept of dharma, this tale is refreshingly original.

*Colpetty People* Ashok Ferry, 2017-04-17 In this extraordinary debut, Ashok Ferry chronicles, in a gently probing voice, the journeys of characters seeking something beyond the barriers of nations and generations. His tales of social-climbing Sri Lankans, of the pathos of immigration, of rich people with poor taste, of ice-cream karma, of innocent love, eternity, and more take us to Colombo's nouveau riche, hoity-toity returnees, ladies with buttery skin and square fingernails, old-fashioned aristocrats, and the poor mortals trapped between them. Ferry's stories comprise characters that are 'serious

and fine and upstanding, and infinitely dull’, but also others like young John-John, who loses his childhood somewhere ‘high up in the air between Asmara and Rome’; the maid, Agnes of God, whose mango-sucking teeth ‘fly out at you like bats out of the mouth of a cave’; Ashoka, the immigrant who embodies his Sri Lankan identity only on the bus ride between home and work; and Professor Jayaweera who finds sterile freedoms caged in the ‘unbending, straight lines of Western Justice’. Absurd, sad, scathing and generous, but mostly wickedly funny, Colpetty People presents modern Sri Lankans as they navigate worlds between Ceylon and the West.

**Ashoka, Prince of the Mauryas the Complete Trilogy** Ashok K Banker,2023-09-20 Prince Ashoka is one of the many heirs to the mighty Mauryan empire, ruled by his father Emperor Bindusara. Disillusioned by the trappings of power, he has given up his position as the crown prince, but unlike the rest of the royal family, Ashoka's loyalty to Mauryavansh is unwavering. So, when he overhears a plot to assassinate the Emperor, he makes it his mission to root out the assassins from the capital city of Patliputra with the help of the fierce army of Chandikas. But little does young Ashoka know that the enemy lies within his own family. Despite successfully thwarting his father's assassination, he is sent away to administer distant Takshashila, where he has to assist his brother Prince Sushim. And when Ashoka takes necessary steps to squash the Pashtun rebellion there, his acts are seen as treasonous and he is brutally punished, left for dead. The brains behind these machinations are the ruthless Queen Noor Khorasan and her mother, the War Marshall Jezza Khorasan. Who will succeed in this ruthless game of thrones? Will it be the deadly Khorasans, or will it be Seleucus Nicator and his daughter, Queen Mother Apama, out to fulfil their dreams of conquering the subcontinent? Or will Ashoka rise from the dead and save the vast empire founded by his grandfather, the great Emperor Chandragupta Maurya? Full of ambition, intrigue, lust, battles, and the high drama of politics in ancient India, this trilogy by master storyteller Ashok Banker appears in a single, complete volume for the first time. Gripping, and pulsating with action, it recreates the rise to power of one of India's most legendary rulers.
